

Gannon University

It is unfortunate that due to the Coronavirus crisis we had to cancel our college tours for the spring. The only better way to tour a campus is through a virtual tour.

Gannon University is a four-year Catholic university, dedicated to providing a liberal arts education integrated with professional skills and faith-based learning. It is located in beautiful downtown Erie, PA.

Their academic programs consist of:

- 60 Bachelor Degrees
- 11 Pre-Professional Programs
- 20 Cooperative Professional School Options
- 6 Associate's Degrees
- 26 Master's Degrees
- 6 Doctoral Degrees

Check out their virtual online tour at:

Gannon University also houses the Forensic Investigation Center. The Forensic Investigation Center provides comprehensive training in all aspects of forensic investigation through a combination of theoretical, scientific and applicable techniques utilized during crime scene processing. With a functioning forensic laboratory, multipurpose classroom, interview/interrogation room, Firearms Training Simulator area, and crime scene re-enactment areas, this hands-on learning environment provides a unique experience for any criminologist or forensic scientist.
