Tentative Four Year Plan: BS Chemistry / Pre-PT

The below is a tentative schedule and assumes the incoming student with the following placements; Pre-Calculus (Math 171) and College Writing II (ENGL 111). It is highly recommended that you consult a pre-professional faculty advisor to adapt the schedule to your particular circumstances.

Please check with any specific Physical Therapy program requirements not covered below. Some possible recommended courses would include the following: Microeconomics or Macroeconomics, Kinesiology, and Medical Terminology
