The screenshot shows a web browser window with two tabs: 'My PenVest' and 'Ellician Experience'. The address bar shows the URL 'experience.elliciancloud.com/peninvest'. The page content is split into a blue sidebar on the left and a main white area on the right. The sidebar contains a menu icon and a preview of a dashboard with various charts and data points. The main area has a heading 'Enhance Your Experience' and a consent form. The form includes a title, a paragraph explaining the use of 3rd party analytics and cookies, a paragraph stating that data will be stored and processed in the United States, and a link to the 'Privacy Notice'. At the bottom of the form are two buttons: 'NO THANKS' and 'ACCEPT'. Below the buttons are three small dots, with the rightmost one being filled. After completing those steps, students will be brought into the my.pennwest.edu landing page. The page is organized with tiles to assist with navigation. Everything that a student would need to complete is located on the Student Quick Access tile. This is the new version if SCOTS, VIP and MyClarion.

The screenshot shows the my.pennwest.edu landing page with a dark blue header. On the left, there are logos for CAL U (California University), CLARION UNIVERSITY, and EDINBORO UNIVERSITY. On the right, there are icons for a calendar, a notification bell, and a profile icon labeled 'P'. A notification box on the left contains the text: "Student Quick Access Card now available! Click 'Discover More' and search 'Quick'" and "1 of 1". Below the header are four main tiles:

- Placement Tests:** Includes a dropdown for "Calculation Details" and a prominent blue button labeled "MATH PLACEMENT LOGIN".
- Student Quick Access:** Contains a link labeled "Student Self-Service".
- Clarion Weather:** Shows "CLARION WEATHER" with a current temperature of 37°F and "overcast clouds". It includes a 7-day forecast table:

Sun	Mon	Tue	Wed	Thu	Fri	Sat
45°F 34°F	55°F 32°F	55°F 37°F	46°F 37°F	50°F 43°F	41°F 34°F	41°F 28°F
- Admissions Next Steps:** Features the text "Select a campus..." and logos for CAL U, CLARION UNIVERSITY, and EDINBORO UNIVERSITY, each with "Next Steps" text below it.

When clicking on Student Self-Service the page brings users into the Student Profile. This is the one stop location for the majority of the student academic information. It contains items such as: program, current registration, holds, registration information, links to registration and Degree Works.

Currently the Degree Works link is disabled as the software continues to be configured.

The campus field is highly recommended to be populated. For summer term, the majority of courses are listed as online campus. For Fall term, students should search by their current campus to find on campus options.

Disclaimer: the selection of a campus in the first field search doesn't dynamically change the subject search results. However, the results of those two combinations are dynamic. Thus, if a student selects an Edinboro Campus and a Clarion course no results will show.

Clicking on the title of the course will open a new popup window that allows the student to explore some of the important information related to the course. Students may also click on the gear icon in the far right to adjust what columns they can see to assist with navigation.

Some courses have attributes that are listed that may not make sense to students at other campuses. In the example above, only students at Edinboro may understand what the “Art Free” attribute means. Generally, on campus courses are restricted to on campus students from that campus location.

REGISTRATION LIVE VIEW

When registration opens, the searching and results view changes slight to add features like the day planner and the shopping cart. Additionally, the bookstore links are then included as well.

All of the same approaches outlined previously still apply. Notice that there are two new panels on the bottom of the screen however.

The screenshot displays the registration interface for Penn West University. At the top, there is a navigation bar with logos for CALU (California University), CLARION UNIVERSITY, and EDINBORO UNIVERSITY, alongside the text "Penn West University" and "Western, Penny". Below this is a breadcrumb trail: [Student](#) • [Registration](#) • [Select a Term](#) • [Register for Classes](#).

The main heading is "Register for Classes". Below it, there are tabs for "Find Classes", "Enter CRNs", "Plans", and "Schedule and Options". The "Find Classes" tab is active, showing a search criteria form for "Term: Summer 2022". The form includes input fields for "Campus", "Subject", "Course Number", and "Part Of Term".

At the bottom, there are two panels. The left panel, titled "Schedule", shows a "Class Schedule for Summer 2022" with columns for days of the week (Sunday to Saturday) and rows for times (6am, 7am, 8am). The right panel, titled "Summary", displays a table of class details:

Title	Details	Hour	CRN	Schedule Type	Status	Action
Financial Accounting	AACC 200,...	3	20597	Lecture	Registered	None

At the bottom of the summary panel, there is a summary line: "Total Hours | Registered: 3 | Billing: 3 | CEU: 0 | Min: 0 | Max: 18".

Follow the same steps to search for courses, but notice that the **ADD** button is no longer grayed out. This indicates that the course is available to be added to your shopping cart. Adding a course to your shopping cart is just like any online retail check out, until you click submit the registration isn't complete.

Click on the ADD button for the CRN (Course Reference Number) that you wish to register for. Once the course is in your shopping cart it will display as below, grayed out with the word “PENDING” in the status.

Pending status courses will also show pending in your SCHEDULE panel to the left prior to registration.

Next click SUBMIT to process the registration request. “PENDING” will change to “REGISTERED”

The screenshot displays a user interface for course registration. On the left, a 'Class Schedule for Summer 2022' is shown as a grid with columns for days of the week (Sunday to Saturday) and rows for time slots (6am to 11am). The 'Panels' dropdown is visible at the bottom left. On the right, a 'Summary' panel contains a table with the following data:

Title	Details	Hour	CRN	Schedule Type	Status	Action
Intro Programming a...	CDA 202, 4...	3	20622	Lecture	Pending	**Web Registered**
Financial Accounting	AACC 200,...	3	20597	Lecture	Registered	None

At the bottom of the summary panel, it shows: Total Hours | Registered: 3 | Billing: 3 | CEU: 0 | Min: 0 | Max: 18. A 'Submit' button is located at the bottom right of the interface.

If the request is successful, the word “PENDING” will amend to “REGISTERED” and be highlighted in green. If the course has meeting times, those will automatically display in the SCHEDULE panel to the left.

If you encounter a registration error, the program will demonstrate that to you in the top right of the page. Those errors are key to understanding where you need to go to resolve them.

If the course registration attempt gives you an attribute error that generally means that you are attempting to register for a course that is restricted to students on a certain campus.

Although prerequisite checking will be turned off to help facilitate registration, pre-requisite checking for Summer and Fall registration will be turned on ahead of those terms actually beginning and students who have not met the pre-requisites after Spring grades are recorded will be removed from future registration.

If you decide that the course you have registered for is not going to work in your schedule, you can also **DROP** the course from your registration.

Click on the **"ACTION"** and select the word **"DROP"** and then click submit and the course will be removed from your schedule. Drops incur not academic or financial penalty until after the add/drop period is over for the term. Those dates will be viewable on the academic calendar and students will receive reminders about important dates.
