

Nestling In?

Here's what to bring to live in campus suites...

- Television and coaxial cables
- Fan
- Bluetooth headphones/stereo
- Computer (Wi-Fi-accessible)/cables to hard wire connection to landline
- Linens (towels, sheets for standard twin bed, blankets, pillows and comforter/bedspread)
- Alarm clock
- Refrigerator (4 cu. ft. max) and microwave (700 watt max):
Suites on Main Shared = 1 per room
Suites on Main Private = 1 per student
Hilltop 4-person = 1 per room
Hilltop 2-person = 1 per suite
- Personal items and toiletries
- Medical kit (bandages, thermometer, over-the-counter medicine, hand sanitizer)
- School supplies
- Trash can
- Desk lamp (not halogen)
- Photos of family and friends
- Shower curtain:
Suites on Main 40"W x 72"L
Hilltop Suites 60"W x 72"L
- Cleaning supplies and toilet paper
- Toilet plunger
- Hot pots, hot air popcorn poppers and coffee/Keurig makers with automatic shut-offs and without exposed heating elements are permitted. All other cooking appliances are prohibited.

- Halogen lamps
- Illegal drugs/paraphernalia
- Candles/candle warmers/incense are not permitted in any residence hall (even for decorative purposes)
- Heated wax products
- Alcohol (or empty alcohol containers)
- Explosives
- Waterbeds
- Firearms/BB guns/paint guns
- Metal-tipped darts
- Non-grounded electrical connectors
- Electric heaters
- Heated blankets
- Portable washers and dryers
- Wireless routers
- Live decorations (trees, hay, wreaths)
- Hoverboards
- No pets except fish (10-gallon tank or less), service animal, or support animal registered with Disability Support Services
- Cooking appliances other than microwaves, hot pots, hot air popcorn poppers and coffee/Keurig makers with automatic shut-offs and without exposed heating elements
- We do not recommend hanging anything from surfaces in rooms, even with materials such as tape, Command hooks, sticky tack, tacks, nails or screws, etc. Students are responsible for any damages associated with hanging items in their room.
