CU 20 vs Marist College 5

Quarter Finals:

CU 0 vs. U of Massachusetts 31

Following the tournament, Women's Coach Brian Frank had this to say about his team: “Overall, it was a pretty good day for rugby. I actually thought we were going to struggle a little in the pool rounds. Brooklyn is a DII Women's Club and Marist College went to Nationals last year in DII. We actually dominated both of those teams. I was pleasantly surprised. UMass is a DI club from the Northeast Territory and they usually qualify for nationals. I think we could have played them better than we did, but it is a good competition.”
