Note: January 31st – last date to complete an application file for the upcoming academic year. Please note that this checklist is two pages in length.

- ___ Completed application form
- ___ \$30 non-refundable application fee; make check payable to Clarion University
- ___ One **official** transcript of all undergraduate work
(Clarion undergraduates need not provide a Clarion transcript)
- ___ One **official** transcript of all graduate work
- ___ Three current faculty and/or professional recommendations on Clarion University recommendation forms (must be returned in sealed envelope by evaluator).
- ___ Resume
- ___ Test scores, where applicable
- ___ Mail all materials, except test scores (if required) to:

Office of Graduate Studies
Clarion University of Pennsylvania
840 Wood Street
Clarion, PA 16214

AND

___ Full-admission consideration will be given to applicants with an overall quality-point average (QPA) for the baccalaureate degree of at least 3.0 on a 4.0 scale; OR a 2.75 to 2.99 overall QPA for the baccalaureate degree with a score of at least 1,000 on the Graduate Record Exam (GRE). A full-admission status is required for graduate assistantship consideration.

___ Provisional admission consideration will be given to applicants with less than the 3.0 overall QPA; these applicants must have a minimum QPA of 2.75 on a 4.0 scale. A provisionally admitted student must complete the first nine graduate credits by earning grades of “B” or higher in each course to continue in the program and be moved to full-admission status. Provisions of the admission will be outlined in the admission letter.

___ Writing proficiency as demonstrated by a one-page letter of intent.

___ Ask those who will be submitting the Clarion University recommendation forms to

document your potentials and/or potential and/or effectiveness in your area of specialization or professional performance.

_____ Twelve semester hours of credit in courses related to normal development and the sciences related to the use of speech, hearing, and language; three credits in speech pathology, three credits in language disorders, six credits in audiology, including three credits in aural rehabilitation, three credits in augmentative and alternative communication; 25 clinical observation hours; three credits in statistics; three credits in behavioral/social sciences; three credits in biological sciences; three credits in physical sciences; and three credits in mathematics. Students may make up undergraduate deficiencies.

International applicants to the speech language pathology program are required to submit minimum TOEFL scores of 573 (paper-based), 230 (computer-based) or 89 (internet-based) with a breakdown of minimum scores of 18 in reading, 26 in speaking, 21 in listening, and 24 in writing.
