

## 2009 Fall Semester Final Examination Schedule December 14 - 18

All final examinations will be administered throughout the week of December 14 - 18 according to the schedule outlined below. Exams will not be given at times other than those specified on the final exam schedule. Students should report to the same classroom used throughout the fall semester unless indicated otherwise.

Students with three or more tests on the same day may reschedule tests by consulting with the appropriate instructors or the college dean. If a mutually convenient time cannot be agreed upon, Friday, December 18, should be used as the alternate test date.

Courses that begin after the starting times listed on the exam schedule should adhere to the test schedule for that hour, i.e., BSAD 240-02 meets MW 12:30 - 1:45PM, therefore, the final exam will be Monday, December 14, 12:00 - 1:50PM.
