

# **E-Z Borrow**

- E-Z Borrow is a **free** service that allows you to obtain books not available locally in the library's collection. It is similar to Interlibrary Loan through ILLiad, but often books can be obtained faster by going through E-Z Borrow.
- If you find that the book you need is NOT available in E-Z Borrow, you may then submit an Interlibrary Loan request for the book.
- E-Z Borrow requires that students pick up the requested materials at either the Clarion main campus or the Venango campus and therefore is not appropriate for most *Virtual Campus* students. (*Virtual Campus students may use ILLiad to request books from other libraries as well as books from the Libraries' on-site collections.*) For instructions about using ILLiad, see the "Library Help" section of the Libraries' web site.

To use E-Z Borrow, point your browser to the University's web site - ([www.clarion.edu](http://www.clarion.edu)) and select **Library**.
