

## Spring 2010 Registration Dates and Times

**Students:** Please read your 10/12/09 email for your specific registration date and time, any registration holds that will prevent you from registering and your advisor's name.

You can also find your registration date and time on the schedule below and in Web for Students (highlight Registration on the blue navigation bar and click on Registration Status).

You will register for your Spring 2010 courses according to the number of credits you have earned as of 10/1/09 and the first letters of your last name.

For example: If you have earned 60 credits and your name begins with the letter "E", you will register for your spring courses on October 23 at 2 p.m.

You should schedule an appointment with your academic advisor prior to your registration date and time.

Freshmen: You have an advisor hold and must make an appointment with your advisor to review your proposed schedule and have the hold removed prior to attempting to schedule.

There is no registration date/time schedule for the Winter Intersession. Students may register for the Winter Intersession at any time.

Note: Class attendance takes priority over registration.
