Dear Interested BSN Student:

Thank you for your interest in Clarion University's On-Line Bachelor of Science in Nursing Program. I have attached some important e-links, most frequently asked questions and the computer requirements for this totally on-line BSN degree. We are pleased to process your application in an expedient manner, but need the following pre-admission information before we can determine your admission status. Please complete the following and **send to the School of Nursing and Allied Health, Clarion University of PA, Venango Campus, 1801 West First Street, Oil City, PA 16301**. Please note that all pre-admission information must be received before your application for admission can be processed.

The pre-admission information includes:

1. Application for admission - Please complete application and submit \$30.00 application fee.
2. Professional Information - Please forward a copy of your current RN license.
3. Validation of Nursing Experience - If you have graduated from an NLNAC accredited nursing program between three and ten years prior to application, you must submit a letter from your employer validating that you have practiced nursing at least 1,000 hours in the past three years.
4. Official transcripts - Submit official transcripts for any educational institutions you have attended including high school.

Upon receipt of this pre-admission information, you will be notified about your admission status and program requirements. It is important that you attend to these matters as soon as possible so that your admission status can be determined. The application deadline is December 1<sup>st</sup> for the spring semester, and August 1<sup>st</sup> for the fall semester. Completed applications must be in the School of Nursing and Allied Health by these dates.

If you have any questions concerning this, please feel free to call the School of Nursing and Allied Health at 1-877-836-2646, ext. 1252 or e-mail [nursing@clarion.edu](mailto:nursing@clarion.edu) .

Sincerely,

*Mary Lou Zemaitis*

Mary Lou Zemaitis, Ph.D., RN
