

Release of Disciplinary Records

This form must be completed, signed, and submitted as part of your Pre-Professional Portfolio **no later than April 15th** of the year you apply to professional schools.

More and more professional schools and applications are requesting or requiring information about criminal backgrounds and disciplinary records of their applicants. In an effort to comply with these requests and provide a thorough evaluation of each applicant, the Pre-Professional Committee for the Healing Arts would like to include information regarding any disciplinary charges or actions (or lack of disciplinary charges or actions) as part of their letter of evaluation to be sent to the professional schools of your choice. If you have no disciplinary record, this allows our committee to confirm your good standing and the truthfulness of your answers to such questions on your applications. If you do have a disciplinary record, we can assist you with strategies for addressing such issues on your application in the spirit of full disclosure.

Student Name: _____

Student ID#: _____

First semester at Clarion University: _____

Expected Graduation Date: _____

____ I waive my right to privacy, and give permission for Clarion University's Office of Judicial & Mediation Services to release any records of disciplinary charges or actions against me to the Pre-Professional Committee for the Healing Arts, AND for the Pre-Professional Committee to communicate this information as part of their letter of evaluation to the professional schools to which I am applying.

____ I do NOT waive my right to privacy, and request that Clarion University's Office of Judicial & Mediation Services NOT release any disciplinary records to the Pre-Professional Committee for the Healing Arts.
