ADDENDUM NO. 4

TO: Prospective Bidders

This Addendum forms a part of the contract documents and modifies the original Contract Documents issued July 31, 2014. Please acknowledge receipt of this Addendum in the space provided on the Bid Proposal Form.

This Addendum consists of one (1) page with no (0) attachments.

- It has been brought to my attention that there is a date of September 4, 2014 on page 1 of addendum No. 3. Since I received all documents for this addendum on September 12, 2014 and issued it to all of you that date, September 12, 2014 will be considered the “issue date”. However, acknowledgement of September 4, 2014 on the bid form alone would not be a deciding factor in rejection of a bid.

- On Monday September 15, 2014 Clarion University of Pa rolled out their new website which totally disabled all the existing web page information for Project CL-768 Ralston BSN Renovations. The web design & development folks have given priority and worked diligently to restore information pertaining to CL768 Ralston. In order to access this information, please use the following web link:
