

Sponsorships, Support and Advertising Information Clarion University Career Events and Job Fairs

Sponsorship, product donations and advertising are ways to dramatically increase your visibility to career event and job fair attendees. All sponsorships support career fairs, professional development, and job search services provided by the Career Services Center. No goods or services are rendered for being a sponsor of the event and donations are tax-deductible. The Federal Tax ID number is provided on the event registration form and registration confirmation letter. The Clarion University Foundation, Inc., is a non-profit organization.
