What is the CUMentor Program?
The Clarion University Mentoring Program or CUMentor is a program designed to link alumni and employer partners with current Clarion University students to facilitate mentor-mentee partnerships that foster the sharing of knowledge and experience.

What are the benefits of participating?
- Encouragement
- Observation of the workplace environment
- Self-reflection
- Self-development
- Opportunities to explore career paths
- Networking

What should participants expect?
1. Student opportunities for professional development, networking, and information/idea exchange with professionals in their academic discipline
2. Alumni and employer partner opportunities to connect with Clarion University and play a notable role in current students’ future endeavors
3. Establish partnerships between alumni and employer partners and students to facilitate career exploration and career coaching

How do I sign up?
You will begin preparing for the CUMentor program through interactions with the Center for Career and Professional Development, which will be linked to multiple classes within your College. After successful completion of the Professional Development Series, in your sophomore year, you will have the opportunity to apply to become a mentee in the program.

For more information or inquiries, please contact the Center for Career and Professional Development at 814-393-2323, via email at cumentor@clarion.edu, or visit www.clarion.edu/cumentor.
