PREAMBLE

THIS AGREEMENT made and entered into this 20th day December 2016, by and between the Board of Governors of the State System of Higher Education ("STATE SYSTEM") for and on behalf of itself, the State Universities and their respective Councils of Trustees, of the first part, and the Association of Pennsylvania State College and University Faculties ("APSCUF") of the second part.

PURPOSE

APSCUF has been certified to represent, for purposes of collective bargaining, department chairpersons, full-time teaching faculty (including librarians with faculty status), part-time teaching faculty and librarians without faculty status and faculty members of the UNIVERSITIES whose basic responsibilities lie outside of the classroom setting.

APSCUF and the STATE SYSTEM OF HIGHER EDUCATION, desiring to cooperate each with the other in mutual respect and harmony, have agreed to the provisions of this Agreement in consideration of the following:

1. The UNIVERSITIES exist for the common good of the citizens of the Commonwealth, particularly the students who attend such UNIVERSITIES. In a world of rapid change and recurring crises, all will be served best by an intellectual environment which encourages the search for truth.

2. APSCUF as the representative of the above named employees recognizes its obligation to permit all individuals and groups on each campus to be included in the consideration of matters relating to them.

3. The parties recognize that collective bargaining in good faith will further their common aim of offering the best possible educational opportunities at the UNIVERSITIES and assert their intention to abide by the terms of the Agreement.

4. For the purposes of this Agreement, the following definitions shall be applied:

"ACADEMIC FACULTY" -- The bargaining unit consisting of department chairpersons, full-time teaching faculty including librarians with faculty status, part-time teaching faculty, librarians without faculty status and faculty members whose basic responsibilities lie outside of the classroom setting who have, by certification of the Pennsylvania Labor Relations Board (PLRB), been designated as ACADEMIC FACULTY (PERA-R-775-C).

"ADMINISTRATIVE FACULTY" -- The bargaining unit consisting of faculty members whose basic responsibilities lie outside of the classroom who have not been designated as ACADEMIC FACULTY (PERA-R-1354-C).

"APSCUF" -- The Association of Pennsylvania State College and University Faculties, Inc.

"UNIVERSITIES" -- All institutions of the State System of Higher Education including Bloomsburg University, California University, Cheyney University, Clarion University, East

Stroudsburg University, Edinboro University, Indiana University of Pennsylvania, Kutztown University, Lock Haven University, Mansfield University, Millersville University, Shippensburg University, Slippery Rock University, and West Chester University; and their respective branch campuses.

"STATE SYSTEM OF HIGHER EDUCATION" -- That System created by Act 188 of 1982, the State System of Higher Education Act, hereinafter referred to as the STATE SYSTEM.

"COMMONWEALTH" -- The Executive Branch of the Commonwealth of Pennsylvania.

"FACULTY" or "FACULTY MEMBERS" -- All members of the bargaining units described in PLRB case numbers PERA-R-775-C and PERA-R-1354-C.

"REGULAR" -- A tenured or tenure track FACULTY MEMBER.

"PROBATIONARY NON-TENURED FACULTY MEMBER" -- A FACULTY MEMBER who is appointed to a tenure track position and who has not been granted tenure.

"NON-TENURE TRACK FACULTY" -- A FACULTY MEMBER who is appointed to service in a position in which service will not be credited toward tenure. Examples of such positions include Temporary Part-time, Temporary Full-time and Regular Part-time.

"DOMESTIC PARTNER" -- The criteria listed below must be met in order to qualify for benefits extended to domestic partners in this agreement and a FACULTY MEMBER and domestic partner must provide management with a completed, notarized "Commonwealth of Pennsylvania Domestic Partner Verification Statement" that will be maintained in the FACULTY MEMBER'S official personnel file:

1. The completed, notarized "Commonwealth of Pennsylvania Domestic Partner Verification Statement" must have been received by the University prior to January 1, 2017.
2. Each partner is the same gender.
3. Both partners are unmarried.
4. Both partners are at least 18 years old and mentally competent to enter into a contract in the Commonwealth of Pennsylvania.
5. Partners are the sole domestic partner of the other person.
6. Partners have lived together in the same residence on a continuous basis for at least six months immediately prior to the date of the notarized statement, with the intent to reside together permanently.
7. Partners are not related to each other by adoption or by blood, to a degree that would prohibit marriage in the Commonwealth of Pennsylvania.

8. Neither partner has been a member of another domestic partnership for the past six months (unless the prior domestic partnership ended as a result of the death or marriage of one of the domestic partners).

9. Partners are jointly responsible for the common welfare and financial obligations of each other.

"CHILD OF SAME SEX DOMESTIC PARTNER" - The biological or legally adopted child or a child for whom the Domestic Partner is the legal guardian. CHILDREN OF SAME SEX DOMESTIC PARTNERS are eligible to receive benefits on the same basis as dependent step-children of a FACULTY MEMBER'S spouse (i.e., the FACULTY MEMBER must demonstrate that the child is the legal dependent of the FACULTY MEMBER'S certified DOMESTIC PARTNER and that the FACULTY MEMBER has assumed financial responsibility for the child of his/her DOMESTIC PARTNER).

Article 1

RECOGNITION

The STATE SYSTEM and the UNIVERSITIES and each of them recognize APSCUF as the sole and exclusive bargaining agent for FACULTY MEMBERS in the bargaining units above described and certified by the Pennsylvania Labor Relations Board in case numbers PERA-R-775-C, and PERA-R-1354-C, with respect to the STATE SYSTEM'S obligations both to "negotiate" and to "meet and discuss," as those terms are used in Sections 701 and 702, respectively, of the Public Employee Relations Act ("Act 195").

Article 2

ACADEMIC FREEDOM

A. A FACULTY MEMBER is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his/her other academic or administrative duties.

B. A FACULTY MEMBER is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce into his/her teaching controversial matter which has no relation to his/her subject.

C. A University FACULTY MEMBER is a citizen and a member of a learned profession. When he/she speaks or writes as a citizen, he/she should be free from University censorship or discipline, but his/her special position in the community imposes special obligations. As a person of learning he/she should remember that the public may judge his/her profession and his/her University by his/her utterances. Hence, he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not a spokesperson of the UNIVERSITIES. Acts which interfere with the activities of the UNIVERSITIES, acts which interfere with the freedom of movement on the campus, or acts which interfere with the freedom of all members of the academic community to pursue their rightful goals, are the antithesis of academic freedom and responsibility. So also are such acts which, in effect, deny freedom to speak, to be heard, to study, to teach, to administer and to pursue research.

- D. 1. FACULTY MEMBERS are entitled to freedom in the selection of textbooks, audio-visual aids and other teaching aids.
2. There shall be no censorship of library materials.
3. With respect to subsections 1. and 2. above, budgetary limitations may restrict the quantity of items to be purchased.

E. Since certain aspects of the information obtained by a FACULTY MEMBER in the course of his/her work can be considered privileged, no FACULTY MEMBER shall be required to disclose such information unless he/she deems it to be in the best interest of his/her student or his/her profession. The University will immediately advise the FACULTY MEMBER of any effort, by action of law or otherwise, to secure records or other information obtained by the FACULTY MEMBER. In no event shall the University exercise any disciplinary action against a FACULTY MEMBER because of his/her assertion of privilege with regard to information under his/her control.

F. The provisions of this Article shall not be construed so as to deprive the University or its designees of its right of access to and/or possession of files, records or materials maintained by FACULTY MEMBERS on behalf of the University, provided, however, that grade books shall remain in the possession of the FACULTY MEMBER so long as he/she remains on the campus.

Article 3

FAIR PRACTICES

A. Neither party hereto nor any FACULTY MEMBER shall discriminate against any other FACULTY MEMBER or candidate for employment on the basis of race, creed, color, sex (including discrimination by sexual harassment), handicap or disability, life style, family status, age, national origin, APSCUF membership or activity or lack thereof, political belief and/or affiliation, or on account of any other basis prohibited by law. Where existing laws against discrimination require accommodation, the STATE SYSTEM will accommodate to the extent required by law.

B. There shall be no discrimination by either of the parties hereto or any FACULTY MEMBER against members of the same family regarding concurrent employment at any University.

C. If any provision of this Agreement is in conflict with Federal Executive Orders 11246 and 11375, as amended, or the Civil Rights Act of 1964, as amended, the provisions of such orders and laws shall prevail; provided that any rule not consistent with this Agreement adopted by the STATE SYSTEM subsequent to the signing of this Agreement shall not prevail against the terms of this Agreement.

D. The parties shall meet and discuss at the state level during the term of this Agreement on such aspects of this Article that are of mutual interest.

Article 4

DUTIES AND RESPONSIBILITIES OF FACULTY MEMBERS

A. The concept of academic freedom must be accompanied by an equally demanding concept of academic responsibility. The concern of the UNIVERSITIES and its members for academic freedom safeguards must extend equally to requiring responsible service, consistent with the objectives of the UNIVERSITIES. The universal responsibility of the teaching FACULTY MEMBER is effective teaching.

B. A proper academic climate can be maintained only when members of the FACULTY meet their fundamental duties and responsibilities regularly. These duties and responsibilities include but are not limited to: reporting promptly, and in advance if possible, any changes in class hours or classrooms assigned; preparing for and meeting their assignments, which would include timely notification of the proper authority and making a reasonable effort to insure that assignments can be covered in case of absences; making a reasonable effort to notify students of any changes in class hours or classrooms assigned; keeping current in their academic disciplines through continuing scholarly activity; keeping office hours in accordance with Article 23, WORKLOAD AND WORKLOAD EQUIVALENTS, and conferring with and advising students and advisees; evaluating fairly and reporting promptly student achievement; rendering service to the University which would include participating in group deliberations which contribute to the growth and development of the students and the UNIVERSITIES; and reporting promptly, and in advance if possible, absence from any assigned duty in accordance with the provisions of Article 17, SICK LEAVE. All members of the FACULTY also have the responsibility to accept those reasonable duties assigned to them within their fields of competence. Additionally, FACULTY MEMBERS have the responsibility to perform other tasks characteristic of the academic profession as described in Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY, Section B.1. and to attempt honestly and in good conscience to preserve and defend the goals of the UNIVERSITIES, including the right to advocate change.

Article 5

GRIEVANCE PROCEDURE AND ARBITRATION

A. Intent

It is the declared objective of the STATE SYSTEM/UNIVERSITIES and APSCUF to encourage the just resolution of grievances. In order to effect a prompt resolution of grievances, the STATE SYSTEM/UNIVERSITIES, APSCUF and the FACULTY shall make available one to the other all known relevant facts so as to enable the parties to resolve grievances. The parties further agree that the orderly processes hereinafter set forth below shall be the sole method used for the resolution of grievances.

A grievance may be filed by a FACULTY MEMBER, a group of FACULTY MEMBERS, or APSCUF. APSCUF may present a policy grievance (one which affects more than one (1) person) at any step of the grievance procedure prior to arbitration. Decisions involving the non-renewal of probationary non-tenured FACULTY MEMBERS shall be governed exclusively by the provisions pertaining thereto as contained in Article 14, RENEWALS AND NON-RENEWALS.

B. Definition

A "grievance" is an allegation by APSCUF or a FACULTY MEMBER or group of FACULTY MEMBERS that there has been a specific violation, misinterpretation or improper application of an Article(s) and Section(s) of this Agreement by the STATE SYSTEM/UNIVERSITIES, and a statement of the remedy being requested. It is understood and agreed between the parties that APSCUF or a FACULTY MEMBER will be allowed to make amendments to the grievance up to the submission at Step Three. It is also understood that if such amendments are made to the grievance in the submission to Step Three, either party may resubmit the grievance to Step Two for reconsideration.

C. Procedure

Step One APSCUF, a FACULTY MEMBER or a group of FACULTY MEMBERS shall present a grievance orally or in writing at the lowest management level having authority to dispose of the grievance. The management representative shall investigate the grievance as he/she shall deem appropriate and respond to APSCUF and/or the grievant orally or in writing.

Step Two If the grievance has not been resolved at Step One, the grievant, group of grievants or APSCUF shall reduce the grievance to writing, stating the facts, and listing the Articles and Sections of this Agreement or the specific regulation(s) or procedure(s) upon which the grievance is based. Such written grievance (s) shall be submitted to the President or his/her designee within forty (40) calendar days of the occurrence giving rise to the grievance or within forty (40) calendar days of the date on which the grievant or grievants learned of such occurrence, with the exception that if the forty (40) days expire between May 1 and September 1 of any year, the grievance shall be submitted to the President or his/her designee by September 30 of such year or within forty (40) calendar days, whichever comes later. The President or his/her designee shall have twenty (20) calendar days following the receipt of such written grievance to investigate the matter as he/she shall deem appropriate, discuss the matter with the grievant, group of grievants and/or the local APSCUF grievance chairperson or his/her designee where appropriate, and to submit a written response to the grievant, group of grievants and APSCUF.

If a grievance is amended before submission at Step Two or if either party resubmits an amended grievance to Step Two, the President or his/her designee shall have twenty (20) calendar days following the receipt of such amended grievance to investigate the matter as he/she shall deem appropriate, discuss the matter with the grievant, group of grievants and/or the local APSCUF grievance chairperson or his/her designee where appropriate, and to submit a written response to the amended grievance to the grievant, group of grievants and APSCUF.

Step Three If the grievance has not been resolved at Step Two, the grievant, group of grievants or APSCUF may, within fifteen (15) calendar days after the decision from the President or his/her designee at Step Two is due, submit a written appeal to the Chancellor of the STATE SYSTEM or his/her designee. The Chancellor of the STATE SYSTEM or his/her designee shall have thirty (30) calendar days following the receipt of such written appeal to submit a written response to the grievant, group of grievants and APSCUF.

Step Three Grievance Meeting:

1. A Step Three grievance meeting shall be held to research the facts of grievances, the alternative solutions to grievances and to improve the timeliness of grievance processing. The Step Three grievance meeting will include local University representatives, as designated by the President, local APSCUF representatives as designated by the local APSCUF President and a representative of the Office of the Chancellor and a State APSCUF representative. For purposes of scheduling Step Three grievance meetings, any grievance involving potential ongoing liability (one arising from discipline or from separation from employment, including discharge, non-renewal, denial of tenure, retrenchment and the like) shall take priority over other grievances.
2. The grievant(s) shall be asked to attend the Step Three grievance meeting, but his/her/their participation shall be voluntary. Nonparticipation on the part of the grievant(s) in the Step Three grievance meeting shall not be raised as a justification for the denial of the grievance, nor in subsequent arbitration hearings. The absence or presence of any party shall not be used as a mechanism to withhold information from any party.
3. Participants should be prepared to share information in support of their respective position(s). The parties shall share the name(s) of all individuals who will participate in each meeting no later than three business days prior to the scheduled meeting.
4. Step Three grievance meetings shall not impede the normal process and progress of any grievance's movement through the grievance procedure as set forth in this Article. Specifically, the scheduling and conduct of the Step Three grievance meeting shall not delay either the deadline for referring the grievance to Step Four (Binding Arbitration) or the scheduling of an arbitration hearing, unless the STATE SYSTEM and State APSCUF agree in writing to hold the grievance in abeyance for a specified time period.
5. The Office of the Chancellor Labor Relations Department will issue a Step Three grievance status report to all parties within fifteen (15) business days of the Step Three Meeting.

Step Four - Binding Arbitration If the grievance has not been resolved at Step Three, APSCUF, but not an individual FACULTY MEMBER or group of FACULTY MEMBERS, has the sole right to refer a grievance to arbitration and to conduct the proceeding as a party, and shall within forty (40) calendar days of the receipt of the written response from Step Three submit a written notice to the Chancellor of the STATE SYSTEM or his/her designee of its intent to submit the grievance to binding arbitration. It is understood that only APSCUF, or counsel for APSCUF, may present the case in support of any grievance at arbitration.

D. The parties shall have the right mutually to agree upon the arbitrator, but in the event they cannot so agree within fifteen (15) calendar days of receipt of the above notice, the matter shall forthwith be submitted to the American Arbitration Association ("AAA") for the appointment of an arbitrator through the AAA's List With Appointment Service. Following appointment of the

arbitrator, the parties will promptly contact the arbitrator to schedule the hearing. In all cases, selection of the arbitrator and the arbitration proceedings shall be conducted in accordance with the Voluntary Labor Arbitration rules of the AAA, provided, however, that the appointed arbitrator shall have the authority to interpret, apply and enforce these rules. The arbitration proceeding shall be held at such time and place as is convenient to the parties, consistent with the circumstances of the case.

The decision of the arbitrator shall be final and binding upon the parties, except where the decision would require an enactment of legislation in which case the decision shall be binding only if and when such legislation is enacted. The arbitrator shall have no authority to add to, subtract from, or modify this Agreement. Each case shall be considered on its merits and this collective bargaining agreement shall constitute the sole basis upon which the decision shall be rendered. If there is a question as to whether the arbitrator has jurisdiction to hear a case, this question must be heard and an immediate bench ruling issued by the arbitrator prior to his/her hearing and deciding the merits of the case. The arbitrator shall confine himself/herself to the precise issue the parties have agreed to submit for arbitration and shall have no authority to determine any other issues not so submitted to him/her. The arbitrator shall be requested to issue his/her decision within thirty (30) calendar days after the hearing or receipt of the transcript of the hearing.

The arbitrator's fees and expenses shall be shared equally by APSCUF and the STATE SYSTEM/UNIVERSITIES, but each party shall bear its own cost of preparing and presenting its case to the arbitrator. Where one of the parties to this Agreement requests a postponement of a previously scheduled arbitration which results in a postponement charge, the postponing party shall pay such charge unless the postponement results in a settlement of the grievance, in which event the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Either party to an arbitration may request that a transcript of the hearing be made. The requesting party shall pay the cost for the transcript and shall provide a copy free of charge to the arbitrator. In the event that the party who did not order a copy of the transcript at the hearing subsequently decides to order a copy of the transcript, that party shall share equally in the cost of the copy of the transcript provided to the arbitrator.

E. The failure of either party to demand compliance with or to comply with the time limits of Steps One to Three of Section C. of this Article shall not bar either party from requiring that the stated time limits at Step Four be met.

F. A FACULTY MEMBER may, in accordance with the provisions of Article 15, TENURE, appeal any discipline or discharge for just cause at the Third Step of this grievance procedure. Any such appeal must be presented in writing within fifteen (15) calendar days after the FACULTY MEMBER has received written notice of the disciplinary action. A copy of the said written notice shall be mailed to the local APSCUF grievance chairperson and State APSCUF on the day the written notice is mailed or delivered to the FACULTY MEMBER, whichever day is earlier.

G. Time of the Essence

1. The filing of a grievance or appeal from any step of this grievance procedure or the notice of any intent to arbitrate shall be accomplished within the time limits specified

and, in the event such is not done, the Administration's decision at the prior step shall be final and binding upon the parties and shall not be subject to further appeal of any kind; provided, however, that the said time limits may be extended by written or oral mutual agreement for any reason, and reasonable requests for extensions shall not be arbitrarily denied; and, provided further, that a grievant shall not be penalized as to time if he/she has been misled by a representative of the STATE SYSTEM/UNIVERSITIES.

2. Failure to communicate a decision at any step of this grievance procedure within the specified time limits shall permit it to be advanced to the next step of the procedure, unless a longer period is established by mutual consent.

H. Rights of APSCUF

1. APSCUF's representative(s) shall be advised of the existence of a grievance as soon as the University Administration becomes aware of its existence. As early as possible and practical, copies of all transcripts, documents and correspondence filed with respect to a grievance shall be made available to APSCUF, and at APSCUF's request be provided to APSCUF. Costs of reproduction shall be borne by APSCUF should the STATE SYSTEM/UNIVERSITIES request such payment.

2. Any individual FACULTY MEMBER or group of FACULTY MEMBERS shall have the right at any time to present grievances to the STATE SYSTEM/UNIVERSITIES and have them adjusted without the intervention of APSCUF, as long as the adjustment is not inconsistent with the terms of this Agreement; and provided further that APSCUF has been given the opportunity to be present at such adjustment.

3. APSCUF's representative(s) shall be permitted to represent the grievant when requested to do so by the grievant and, in any event, to represent and speak on behalf of APSCUF's particular point of interest in connection with that grievance. In this regard, it is understood that the grievant has the right to represent himself/herself and APSCUF shall not interfere with that right.

I. Disposition of Grievances

Any settlement, withdrawal or disposition of a grievance at any step below Step Three in Section C., above, shall not constitute a binding precedent for the settlement of similar grievances in the future. The parties shall endeavor to implement fully any settlement agreement(s) or arbitration award(s) within sixty (60) days of the receipt of said agreement or award.

Article 6

DEPARTMENT CHAIRPERSONS

A. Duties

1. The department chairperson directs the activities of the department, subject to the approval of the Dean/Director. He/she is responsible to the Dean/Director for the development of department plans, guidelines and internal office operation; he/she directs

the department's administrative organization and may delegate authority and assign responsibility as appropriate; and he/she represents the academic discipline both on and off campus either personally or by designation of department representatives.

2. The department chairperson is also responsible for recommending to the Dean/Director such matters as personnel actions, curricular changes, course offerings, teaching assignments and the department budget.

3. In all phases of department affairs, the chairperson should be sensitive to and reflect, but not be restricted to, majority department faculty sentiment.

4. Current practices at each UNIVERSITY concerning summer duties and compensation of department chairpersons shall continue, provided each department chairperson receives the minimum summer compensation as set forth in 6.D.3.

B. Selection

1. a. The President or his/her designee and a committee selected by the department shall designate the individual or individuals who is (are) mutually acceptable to serve in the post of department chairperson. Upon request, the President or his/her designee will communicate the reason(s) for rejection of the candidate(s) to the department and the candidate(s). Such reason(s) shall not be reviewable through the grievance and arbitration procedure under this Agreement unless a violation of Article 3 is alleged. The chairperson shall be elected (or rejected) by the majority secret ballot vote of the regular FACULTY MEMBERS within the department from the individual or individuals designated. Except as provided in paragraph b, below, this procedure shall apply with respect to the appointment of an interim or acting department chairperson.

b. In the event there can be no agreement as to a mutually acceptable candidate for the office of department chairperson, the President or the Provost/Vice-President for Academic Affairs shall have the right to appoint an interim chairperson for a period not to exceed the longer of six (6) months or the end of the semester during which the six (6) month period expires; provided, however, this appointee shall not be an individual rejected by vote of the department in the most recent election.

2. Department chairperson elections were held in 2005 and shall be conducted every three (3) years thereafter. Elections shall be concluded no later than April 15. Newly elected department chairpersons shall take office one week following Spring commencement in the year in which elected; however, newly elected department chairpersons shall not receive a stipend or workload equivalency until the first day of the summer session or the next academic year, whichever is appropriate. Outgoing department chairpersons continue to receive their stipends and workload equivalencies until the end of the academic year. Should vacancies occur during the term of office, a special election must be held under the terms described above with the newly elected chairperson serving until the next regularly scheduled round of departmental elections.

3. When a department chairperson is not properly performing his/her duties in accordance with this Article, the President may remove the chairperson from office. A majority of the regular FACULTY MEMBERS of a department may request that the President remove the department chairperson and the President may, in his/her sole discretion, take such action. The request from the majority of regular FACULTY MEMBERS must be in writing, must be signed by those FACULTY MEMBERS making the request, and must contain a statement of the reasons for the request. Where such action is taken by the President, a special election must be held under the terms described above with the newly elected chairperson serving until the next regularly scheduled round of departmental elections.

4. Where there is mutual agreement between the chairperson and the President or his/her designee(s) as to the need for (an) assistant department chairperson(s), that (those) assistant(s) shall be appointed by the chairperson so long as the proposed appointee(s) receive(s) the approval of the majority of the regular FACULTY MEMBERS of the department and the approval of the President or his/her designee(s). Any such assistant shall serve at the pleasure of the chairperson, and in the event a new chairperson is selected for the department, the term(s) of the assistant chairperson(s) shall terminate.

2. Criteria for visiting professorships shall be agreed upon at local meet and discuss and submitted to State Meet and Discuss for review and approval. These criteria shall reflect standards required of truly competent and distinguished individuals. Under no conditions shall distinguished visiting professors be hired until such time as the criteria has received final approval at State Meet and Discuss.

3. Presidents shall make such appointments upon the nomination of a department, secured by a secret ballot vote of the majority of the regular full-time FACULTY MEMBERS, for a specific visiting professor, and only upon the recommendation of a University-wide committee. The composition of the University-wide committee shall be agreed to at local meet and discuss.

4. The visiting professor must be appointed at the rank of Professor and shall be remunerated at a salary no lower than Professor Step 1. 6. Visiting professors may be assigned regular classes or special assignments, but in no case shall they assume overload assignments. It is the expectation that the University will seek to utilize the talents of these individuals in creative and non-traditional ways.

7. Visiting professors shall not be subject to the evaluation procedures of this Agreement, unless they do so voluntarily nor shall they exercise the voting rights of regular FACULTY MEMBERS as provided for in this Agreement.

8. In no case shall a visiting professor be hired to teach regular University courses in an academic department where there is a qualified retrenchee available.

A manager who has held a tenured faculty position at his/her University may, within three (3) years of his/her appointment to a management level position, return with the approval of the department to his/her former status in a department which has a vacancy approved by the President. Such approval shall require a majority secret ballot of the regular full-time members of the department. A manager who returns to a former department on or after January 1, 1986 in accordance with this procedure shall be given service credit for all prior time spent in what is now the bargaining unit, but shall receive no service credit for the time spent as a manager. Any annual leave not used will lapse at the end of the acting manager appointment. FACULTY MEMBERS on twelve (12) month contracts shall accrue and use annual leave pursuant to Article 21, FRINGE BENEFITS, Section G.

- d. An acting manager may not participate in departmental meetings.
- e. Time spent as an acting manager shall not count in computing the probationary period, but shall count when computing years of service for salary increments, promotion, and sabbatical leave.
- f. A FACULTY MEMBER who is disciplined for conduct as an acting manager may not challenge the discipline pursuant to Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, unless disciplined for conduct related to the FACULTY MEMBER'S performance of duties and responsibilities as a FACULTY MEMBER.

G. Non-Bargaining Unit Employees

Non-bargaining unit employees, who in the opinion of the President have the requisite qualifications, may be assigned by the President to teach courses or perform other duties in an academic department provided the approval by secret ballot vote of the majority of the regular full-time FACULTY of the academic department and local APSCUF has been obtained prior to making the assignment. In no case shall such non-bargaining unit employees be assigned to teach or work in an area where there is a qualified retrenchee with preferential hiring rights in the STATE SYSTEM.

H. Academic Rank for Provosts and Academic Deans

Provosts and Academic Deans may be appointed with academic rank. Such an appointment with academic rank shall not make these managers members of the bargaining unit nor grant them any rights under this Agreement with the exception that should these managers assume a position in the bargaining unit, such position will be held at the academic rank awarded at the time of appointment.

I. Under no circumstances shall the STATE SYSTEM and/or UNIVERSITIES assign bargaining unit work as defined under Article 4 to undergraduate students.

Article 8

ACCRETION

Should additional UNIVERSITIES, branch campuses of UNIVERSITIES, or University teaching locations be established, FACULTY MEMBERS employed by the STATE SYSTEM who work at such sites shall be covered by the terms and conditions of this Agreement.

H. APSCUF's designated campus representative at each University and up to two (2) statewide representatives from all the UNIVERSITIES shall be granted priority in the selection of times for their teaching schedules and other professional responsibilities in order to facilitate the implementation of this Agreement.

Article 11

APPOINTMENT OF FACULTY

- A. 1. In the event the President approves the filling of a vacancy within a department, a candidate, who may be secured from any source, first must be recommended by the majority of the regular full-time department FACULTY in accordance with the procedure developed by that department FACULTY. No FACULTY MEMBER shall participate in this vote, if a member of his/her immediate family or a person residing in his/her household is a candidate for appointment. Immediate family shall be defined as spouse/DOMESTIC PARTNER, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law.
2. When a FACULTY MEMBER must withdraw from participation in the appointment procedure in accordance with subsection 1. above, he/she shall not be included in the total number of regular full-time department FACULTY for the purpose of determining the majority vote necessary for the department recommendation for appointment.
3. The right of department FACULTY to recommend a candidate for hiring shall also include the right to recommend equivalencies in lieu of the qualifications specified in Act 182 (1963), as amended, for the purposes of hiring.
4. If a candidate is not recommended by the department FACULTY, he/she shall not be hired. If a candidate is recommended to the department by management and is rejected by the department, the reasons therefore shall be given in writing to the President or his/her designee within twenty-one (21) calendar days of such rejection. If the department fails to provide the specific reasons for the rejection of the candidate recommended by management within the twenty-one (21) calendar days, the President may appoint the candidate.
- B. The recommendation of the department FACULTY in accordance with the provisions of Section A. above then must be reviewed by the department chairperson. A department chairperson shall not be permitted to participate in the review of any candidate, if any candidate is a member of his/her immediate family as defined in Section A.1. above, or a person residing in his/her household. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.
- C. After review by the department chairperson, the name of a candidate(s) recommended by the majority of regular full-time department FACULTY, irrespective of the recommendation of the department chairperson, shall be submitted to the President or his/her designee, together with the recommendations both of the majority of regular full-time department FACULTY and of the department chairperson. The President or his/her designee may accept or reject the recommendation of the department FACULTY, including the recommendation of the department chairperson, and that decision shall be final; provided, however, that if the recommendation is rejected, the reasons therefore shall be given to the department FACULTY, if requested; and provided further, that in the event of any such rejection, the procedure specified above shall be repeated until a candidate shall have been appointed to fill the vacancy.

D. If the President agrees with the majority of the regular full-time department FACULTY'S recommendation as to a candidate, he/she shall make the appointment of that candidate to such rank and at such salary as he/she shall deem appropriate.

E. In the event there is no agreement between the President and the majority of the regular full-time department FACULTY as to a mutually acceptable candidate for appointment to fill the approved vacancy, the President shall have the right to appoint a person to fill the vacancy on an interim basis for a period not to exceed nine (9) months or one (1) academic year, unless a longer period is mutually agreed upon. The President or his/her designee shall notify local APSCUF of any such appointment at the time the appointment is made. In no case may the President appoint a person more than once under the provisions of this subsection.

F. Regulations Regarding The Hiring Of Temporary and Regular Part-Time FACULTY MEMBERS

1. The full-time equivalent (FTE) of temporary and regular part-time FACULTY MEMBERS at any University shall not exceed twenty-five percent (25%) of the full-time equivalent (FTE) of all FACULTY MEMBERS employed at that University as of October 31 of the previous year. A UNIVERSITY and local APSCUF may, by written local agreement, exceed the limit provided herein.

2. All Universities shall be in compliance with the twenty-five percent (25%) FTE limit as set forth above. Exceptions to the above provision (F.1.) are those temporary FACULTY MEMBERS employed in the same department as replacements for regular FACULTY MEMBERS granted approved leaves of absences. A grievance alleging a violation of this provision may be filed directly at Step 3 of the grievance procedure under Article 5.

3. By November 15 of each year, each University will provide the local APSCUF President and the State APSCUF President with a list of the names of all regular full-time and regular part-time FACULTY MEMBERS (i.e. head count) by department employed at that University as of October 31 of that year.

4. By November 15 of each year, each University will provide the local APSCUF President and the State APSCUF President with a list of the names of all temporary full-time and temporary part-time FACULTY MEMBERS by department employed at that University as of October 31 of that year.

5. By March 15 of each year, each University will provide the local APSCUF President and the State APSCUF President with a list of the names of all temporary full-time and temporary part-time FACULTY MEMBERS by department employed at that University as of February 28 of that year.

G. 1. Effective with the spring 2017 semester and each spring semester thereafter, the University shall provide each department with a listing of temporary faculty who have worked five (5) full, consecutive academic years full-time (including the current academic year). The listing shall be provided to the Department no later than March 1. The regular department FACULTY shall hold a vote no later than April 15 to determine whether to recommend tenure-track status for any full-time, temporary FACULTY

MEMBER who has worked at a University for five (5) full, consecutive academic years in the same department (including the current academic year). The full-time temporary FACULTY MEMBER shall be offered placement in tenure-track status, if recommended by the majority of the regular department FACULTY in accordance with the procedure developed by that department FACULTY. The temporary FACULTY MEMBER may accept or decline the offer of tenure-track status without impact upon eligibility for rehire as a temporary FACULTY MEMBER. A decision to decline the offer shall not disqualify the FACULTY MEMBER for conversion in the following year, provided that he/she is otherwise eligible. In the event that the temporary FACULTY MEMBER accepts the offer of tenure-track status, he/she shall complete the tenure procedure as provided in Article 15. This Section shall not apply to FACULTY MEMBERS whose salaries are funded by a grant.

2. Time spent in a temporary or regular full-time position at the UNIVERSITY may be counted toward the required probationary period in accordance with Article 15, Section B if the FACULTY MEMBER agrees. A temporary FACULTY MEMBER who is converted to tenure-track pursuant to subsection 1 of this Section shall have until completion of his/her probationary period to attain the requisite qualifications for tenure as described in the appointment letter, including but not limited to the minimum qualifications for the rank of assistant professor as set forth in applicable laws, as required by Article 15 TENURE, Section B.

3. FACULTY MEMBERS who are placed in a tenure-track position in accordance with this Section shall receive hospital and medical insurance benefits between their last temporary semester and their first tenure-track semester.

4. No FACULTY MEMBER shall participate in a vote under the terms of Section G.1. above, if a member of his/her immediate family or a person residing in his/her household is being considered for tenure-track status. Immediate family shall be defined as spouse/DOMESTIC PARTNER, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law.

5. Effective July 1, 2007, except as specifically provided in this article, full-time temporary FACULTY MEMBERS shall not be placed in tenure track status.

- H.
1. Effective with the Fall semester 1999 and each fall semester thereafter, each department shall survey its use of temporary FACULTY MEMBERS retroactive for three (3) years, in addition to the current year, and shall identify the courses and responsibilities within a disciplinary specialization which have been performed by temporary FACULTY MEMBERS. The department shall determine whether any group of such courses or responsibilities within a disciplinary specialization has constituted a full-time FACULTY position(s) over the eight (8) semesters and, if so, shall forward a recommendation to the President to create a regular position(s). Positions which are converted pursuant to this Section shall be filled in accordance with this Article. State Meet and Discuss shall develop guidelines to implement this provision at the local level.
 2. The President shall then decide whether to convert the position(s) into a regular full-time position(s).

3. If the President denies the conversion of the position(s):
 - a. he/she shall explain the denial in writing to the department with a copy of the explanation provided to local APSCUF; and
 - b. the courses or responsibilities of the position(s) as determined by the department in Section H.1. above shall not be taught by temporary FACULTY MEMBER(S) for two (2) years from the denial of the conversion without the approval of local meet and discuss.
4. Exceptions to the provisions of this Section shall require the approval of the parties at State Meet and Discuss.
5. Replacements for FACULTY MEMBERS on sabbatical leaves, grant funded positions, or on approved leaves of absences shall not be subject to the provisions of this Section.

I. Reappointment of Temporary Faculty

1. A temporary FACULTY MEMBER who has been employed for a cumulative total of at least 60 workload hours at the same University and received satisfactory evaluations at every level shall have preference in decisions concerning appointment to a temporary position in the same department, in cases where the FACULTY MEMBER is relatively equally qualified to other candidates for the position. If two or more candidates have earned preference, the determination of which FACULTY MEMBER is appointed will be made at the sole discretion of the President or his/her designee.

2. No later than May 31, the University will notify all full-time temporary FACULTY MEMBERS whether or not they will be reappointed in the following academic year.

J. A temporary FACULTY MEMBER who is reappointed at the same University after a break of no more than one academic year or converted to a tenure-track position under Section G. must be appointed at a rank and step no lower than the FACULTY MEMBER held during his/her previous appointment.

K. The “Kelley” memorandum dated April 5, 2000; “McGuire” memorandum dated August 1, 1978; the “Ziegler” memorandum dated December 3, 1975; the “Ringler” memorandum dated December 9, 1974; and any other memoranda issued by representatives of the Pennsylvania Department of Education regarding the subject of temporary FACULTY MEMBERS are null and void and confer no rights upon APSCUF or FACULTY MEMBERS under this Agreement.

L. All temporary full-time FACULTY MEMBERS whose positions are primarily funded by Act 101, TRIO, Upward Bound, and other grants which have existed for fifteen (15) or more years at the University, shall receive an annual service increment when such increments are provided to full-time regular FACULTY in accordance with Article 22, Section B of this Agreement. Such employees shall also be eligible for promotion provided they meet the minimum qualifications for rank in accordance with Article 16 of this Agreement.

Article 12

PERFORMANCE REVIEW AND EVALUATION OF FACULTY

A. The process of FACULTY evaluation is perceived broadly as a means for extending opportunities for continuous professional development. The processes are intended to be supportive of a FACULTY MEMBER'S desire for continuing professional growth and academic excellence. With this orientation, FACULTY evaluation will be a contributor to the ongoing improvements of the academic programs of the UNIVERSITIES.

B. Categories for Performance Review and Evaluation

The following categories shall serve as the uniform system-wide basis for the evaluation of FACULTY MEMBERS at each University. The categories listed below shall be applied in the performance review and evaluation of temporary faculty, regular part-time faculty, probationary non-tenured faculty, tenured faculty and all applicants for promotion. Under each category are listed some examples of data upon which judgments can be made of the FACULTY MEMBER'S performance relative to a given category. When evaluating the data, the appropriate evaluator(s) shall give greater weight to the quality of the performance reflected in the data, than to the quantity of the data.

1. Effective teaching and fulfillment of professional responsibilities.

a. This will be indicated, when applicable, by such items as:

student evaluations, peer evaluations, classroom visitations, quality of syllabi, quality of student advisement, willingness to accept departmental work assignments, timely execution of work assignments, and any other data deemed appropriate and agreed to by the FACULTY and Administration at local meet and discuss.

b. Evaluation of teaching effectiveness and fulfillment of professional responsibilities will not be based on a single datum. A combination of all appropriate data will be used to give sufficient evidence for an overall judgment of teaching effectiveness and fulfillment of professional responsibilities.

c. For all FACULTY MEMBERS whose basic responsibilities lie outside the classroom, the duties and responsibilities of the position shall be the category instead of effective teaching.

d. For FACULTY MEMBERS with mixed work assignments, effective teaching and the duties and responsibilities of the position shall be evaluated under the terms of this Article.

C. General Evaluation Procedures for Regular FACULTY MEMBERS

The following evaluation procedure shall apply to all regular FACULTY MEMBERS at each University.

1. a. Each department shall select a committee to assist in the evaluation function. The department evaluation committee shall consist of at least three (3) members, and shall exclude the department chairperson. The manner of selection shall be determined by the FACULTY MEMBERS in each department. If necessary, or desirable, as determined by the department or President, individuals from the same or within related disciplines, mutually acceptable to the FACULTY MEMBER, department and University, who are from outside the department or the UNIVERSITIES may be used in any or all parts of the evaluation process. When a FACULTY MEMBER being evaluated requests a change in the composition of the department evaluation committee, the FACULTY MEMBER must provide a written justification for the requested change. The request and justification shall be submitted to the department and the President and may be approved by either. Where a mutually acceptable individual cannot be agreed upon, the President shall provide the FACULTY MEMBER and the department with a list containing the names of at least three (3) individuals who have the qualifications for the position held by the FACULTY MEMBER being evaluated. The FACULTY MEMBER shall have three (3) working days in which to select

one individual from this list. If the FACULTY MEMBER fails to make a selection within the three (3) day period, the President, in consultation with the department chairperson and the department, shall designate one individual from this list to serve on the department evaluation committee. No FACULTY MEMBER shall serve on his/her own evaluation committee or as a member of the department evaluation committee for a member of his/her immediate family (spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law) or a person residing in the same household as the FACULTY MEMBER. Each department shall determine the rules and procedures under which the department evaluation committee will operate. Such rules and procedures shall be announced by the department prior to the commencement of the performance review and evaluation process.

b. The department evaluation committee shall utilize the following materials in preparation of its written evaluation and recommendation:

(1) Student evaluations in all classes during the fall of the year of evaluation for tenured FACULTY, and twice each academic year in all classes for probationary non-tenured FACULTY. An instrument for student evaluation of FACULTY shall be developed by local APSCUF, the University management, and the appropriate student government body as designated by the President, and approved by local APSCUF and the University management at local meet and discuss. If, in any year, no approved procedure and/or instrument exists, the department chairperson shall administer a student evaluation. Reproduction and tabulation of the University-wide student evaluation instrument will be the responsibility of the University management.

(2) Peer evaluations by the department evaluation committee and the department chairperson, including evaluations of classroom visitation. There shall be at least two (2) such classroom visitations each semester by the department evaluation committee, and one (1) such classroom visitation each year by the department chairperson for all non-tenured FACULTY. For all tenured FACULTY in the year of evaluation, there shall be one (1) such classroom visitation each semester by the department evaluation committee and one (1) such classroom visitation during the year by the department chairperson. Prior to putting a classroom visitation evaluation in writing, there shall be a discussion of the observations with the FACULTY MEMBER. These evaluations shall not displace nor diminish the importance of other evidence of the degree to which the FACULTY MEMBER'S responsibilities have been met during the evaluation period. The department evaluation committee shall designate the manner in which peer evaluations will take place.

(3) An updated copy of the FACULTY MEMBER'S vita.

(4) Any other pertinent data the FACULTY MEMBER wishes to submit (copies of articles published, letters from references, copies of grant applications, etc.).

(5) The evaluation process for FACULTY MEMBERS with work assignments outside of their department shall be conducted by the FACULTY in the unit where the work is performed and forwarded to the FACULTY MEMBER'S department for inclusion in his/her total evaluation.

(6) Other data which the department evaluation committee may deem pertinent, provided that the committee discloses such data to the FACULTY MEMBER, and provides the FACULTY MEMBER an opportunity to respond to the data.

c. (1) The department evaluation committee shall provide the FACULTY MEMBER with a reasonable opportunity to discuss its evaluation after which the committee shall submit its detailed written evaluation and recommendation along with the above mentioned supportive materials to the appropriate Academic Dean with a copy to the FACULTY MEMBER and the department chairperson. The FACULTY MEMBER may, if he/she disagrees with the committee's evaluation, send to the Dean a written response to the department evaluation committee's evaluation.

(2) The department chairperson shall provide the FACULTY MEMBER with a reasonable opportunity to discuss his/her evaluation after which the chairperson shall independently send a written evaluation with recommendations to the appropriate Academic Dean. The chairperson's evaluation shall be based on his/her knowledge and personal observation of the FACULTY MEMBER'S performance, the results of the department evaluation committee's evaluation and recommendations and the materials submitted by the FACULTY MEMBER. The chairperson shall provide copies of his/her evaluation and recommendations to the FACULTY MEMBER and the department evaluation committee. No department chairperson shall provide a chairperson evaluation of himself/herself, or an evaluation of a member of his/her immediate family or a person residing in his/her household. Immediate family shall be defined as spouse/DOMESTIC PARTNER, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law. The department (excluding the Chair) shall select another FACULTY MEMBER acceptable to the department, the FACULTY MEMBER being evaluated, and management to substitute for the department chairperson. Where a mutually acceptable individual cannot be agreed upon, the President shall provide the FACULTY MEMBER and the department with a list containing the names of at least three (3) regular FACULTY MEMBERS who did not participate in the department evaluation committee. The FACULTY MEMBER shall have three (3) working days in which to select one individual from this list. If the FACULTY MEMBER fails to make a selection within the three (3) day period, the President, in consultation with the department, shall designate one individual from this list to serve in the department chair's stead.

(3) The Dean shall provide a written performance review in accordance with this Article. The FACULTY MEMBER shall be provided with an opportunity by the Dean to discuss the performance review and such discussion shall be specific and detailed and clearly set forth those areas of performance, if any, which require improvement. A copy of the draft performance review by the Dean shall be provided to the FACULTY MEMBER prior to discussion with the Dean. This review shall be based on the data supplied by the department evaluation committee, department chairperson and any other relevant and substantiated data gathered by the Dean, provided that such other data is disclosed to the FACULTY MEMBER, and the FACULTY MEMBER is afforded an opportunity to respond to the data. The Dean shall provide a copy of his/her performance review to the FACULTY MEMBER, the department chairperson, and the department evaluation committee. For FACULTY MEMBERS whose basic responsibilities lie outside the classroom, the appropriate management supervisor shall fulfill all responsibilities of the Dean listed in this Article. No Dean/management supervisor shall evaluate a member of his/her immediate family (spouse/DOMESTIC PARTNER, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law), or a person residing in his/her household. The President or his/her designee shall select another Dean/management supervisor as a substitute to provide the performance review.

2. The failure of a department, the department chairperson, or the department evaluation committee to carry out their duties and responsibilities shall not bar the President, the appropriate Academic Dean or other University management personnel from conducting, in good faith, the performance evaluation reviews nor from taking action to renew or non-renew a probationary non-tenured FACULTY MEMBER.

3. All evaluation reviews conducted by the President, appropriate Academic Dean, or other University management personnel shall be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only to the extent that the evaluation review was conducted in an arbitrary or capricious fashion. Action or inaction by the department, department chairperson or department evaluation committee with regard to the provisions of this Article shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

2. In the case of each probationary non-tenured FACULTY MEMBER, a determination must be made each year whether to renew the appointment of the probationer or non-renew the probationary non-tenured FACULTY MEMBER'S appointment. A probationary non-tenured FACULTY MEMBER in his/her fifth year of probationary employment may apply for tenure by December 31 (May 1 for FACULTY MEMBERS with January anniversary dates). Failure to apply for tenure shall result in the sixth year being the terminal year of employment.

3. The evaluation procedures for probationary non-tenured FACULTY MEMBERS are delineated in Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY.

4. Notice of Renewal and Non-Renewal

5. An individual probationary non-tenured FACULTY MEMBER in the first and second year of probationary employment shall have the right to grieve, in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, non-renewal only as to himself/herself and then only with respect to failure to observe the time limits set forth in Section A.4. of this Article. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to renewals and non-renewals shall not be grievable and shall not bar the President from taking actions which he/she deems to be either appropriate or required.

6. Should the University President decide not to renew a probationary non-tenured FACULTY MEMBER in the third or fourth year of probationary employment, who has been recommended by the department chairperson and the department evaluation committee, the FACULTY MEMBER shall have the right to grieve the non-renewal in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

7. Should either a department chairperson or the department evaluation committee not recommend renewal for a probationary non-tenured FACULTY MEMBER in the third or fourth year of probationary employment, the non-renewal shall be sent to the University-wide tenure committee by the President for its recommendation. 8. An individual probationary non-tenured FACULTY MEMBER in the third or fourth year of probationary appointment who does not secure at least two (2) positive recommendations shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement only with respect to failure to observe the time limits set in Section A.4. of this Article. Article 15

TENURE

A. Definition

Tenure shall mean the right of a FACULTY MEMBER to hold his/her position and not to be removed therefrom except for just cause as hereinafter set forth in this Article or except as provided elsewhere in this Agreement.

B. There shall be a probationary period of five (5) full academic years at the University (from the most recent date of appointment) for each FACULTY MEMBER. During the probationary period, the FACULTY MEMBER shall be observed and evaluated in accordance with the provisions of Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY. Only full-time employment at the University in a non-temporary position shall be counted in computing the probationary period, except that time spent in a temporary or regular part-time, temporary full-time or regular full-time position at any UNIVERSITY or any other

regionally accredited or internationally acclaimed four year institution of higher education may, on the recommendation of the department and the approval of the President, be counted toward the required probationary period. Any semester a probationary FACULTY MEMBER is on full leave from the University, with or without pay, will not be counted toward the required probationary period. No FACULTY MEMBER will be granted tenure unless he/she has met the minimum qualifications for the rank of assistant professor as set forth in applicable laws.

C. 1. Each University President shall, by October 1 (February 1 for FACULTY MEMBERS with January anniversary dates), send a notice to all fifth year probationers with copies to the appropriate department chairperson, Dean (or other appropriate manager) and Provost notifying the fifth year probationer that he/she has until December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of that year to apply for tenure. By December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of the fifth year of the probationary period, a FACULTY MEMBER may apply for tenure. The request for tenure shall be submitted to the President, with a copy to the appropriate department. This request shall include a statement of the reasons why the FACULTY MEMBER believes he/she should be granted tenure. By May 31 (December 31 for FACULTY MEMBERS with January anniversary dates) of the fifth year of probationary employment, the President shall either grant tenure to the probationer or the probationer's sixth year of employment shall be a terminal year of employment.

2. If a fifth year probationary FACULTY MEMBER fails to apply for tenure, that probationer's sixth year of employment shall be a terminal year.

D. All present FACULTY MEMBERS who hold tenure as the result of procedures established at their respective UNIVERSITIES shall continue in that status.

E. The procedure for granting tenure shall be:

1. A department committee, which shall include tenured FACULTY MEMBERS, if available, shall recommend to the University-wide tenure committee, elected by and from the FACULTY, the names of those eligible fifth-year probationary non-tenured FACULTY MEMBERS of the department who have applied for tenure and whom they consider to be qualified for tenure; provided, however, that the department chairperson shall make an independent recommendation to the University-wide tenure committee regarding those other than himself/herself who have applied for tenure. No FACULTY MEMBER shall serve on a departmental or University-wide tenure committee when he/she, or a member of his/her immediate family, or a person residing in his/her household is an applicant for tenure. No department chairperson shall make a recommendation regarding tenure for himself/herself, or a member of his/her immediate family, or a person residing in his/her household. Immediate family shall be defined as spouse/DOMESTIC PARTNER, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, if he/she is an applicant, or if any applicant is a member of his/her immediate family or a person residing in his/her household. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

If there is an insufficient number of tenured faculty members to serve on the department committee, the procedure identified in Article 12.C.1. a. shall be utilized to form the department committee.

2. The recommendation of the department committee and of the department chairperson shall be completed no later than February 15 (October 1 for FACULTY MEMBERS with January anniversary dates), and by that date, the department chairperson shall submit the full list provided by the department committee together with his/her recommendation, in writing, with respect to each applicant, to the University-wide tenure committee, and a copy of the full list shall be forwarded to the President. If the department committee or department chairperson fails to submit a recommendation to the University-wide tenure committee by the appropriate date, the applicant may submit the application and the supporting material directly to the University-wide tenure committee.

3. The University-wide tenure committee, which shall consist of tenured FACULTY MEMBERS, shall review all tenure applications and recommendations received pursuant to this Article and shall, by April 1 (November 1 for FACULTY MEMBERS with January anniversary dates), submit its recommendations (positive and negative), together with the data upon which those recommendations are based, to the President or his/her designee. Each applicant for tenure shall have the right to request and make an appearance before the University-wide tenure committee to speak on his/her own behalf, before the committee submits its recommendations to the President or his/her designee.

4. The President shall grant tenure effective as of the beginning of the next academic term to those FACULTY MEMBERS whom he/she approves and such decisions shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION. However, if at least two (2) of the three (3) recommendations (department committee, University-wide committee, department chairperson) are positive with respect to the granting of tenure and the President denies tenure, the FACULTY MEMBER shall have the right to grieve the denial of tenure in accordance with the terms of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

5. The President shall notify in writing each eligible FACULTY MEMBER, who applied for tenure in accordance with the above, of either the positive or the negative decision made with respect to the granting of tenure. The President shall make his/her decision by May 31 (December 31 for FACULTY MEMBERS with January anniversary dates). In the event that the President does not grant tenure to a FACULTY MEMBER who has been so recommended by the University-wide tenure committee, the reasons therefore shall be given to such committee and the affected FACULTY MEMBER(S), if requested in writing.

6. The President shall act independently if the committee(s) fails to act within the time limits specified. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to tenure is not grievable and will not bar the President from taking actions he/she deems to be either appropriate or required.

7. Representatives of local APSCUF shall have the right to meet with the department and University-wide tenure committees for the purpose of explaining the duties and responsibilities of committee members.

- F. 1. A tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined only for just cause. In the event the President believes such just cause exists, he/she shall give written notice, specifying the reasons, to the affected FACULTY MEMBER and APSCUF, and that FACULTY MEMBER shall have the right to grieve solely by means of and in compliance with all provisions of the procedure provided for in Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.
2. A probationary non-tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined at any time prior to the expiration of his/her five (5) year probationary period. The President shall give written notice to the affected non-tenured probationary FACULTY MEMBER and APSCUF, specifying the reasons for the discipline, and that non-tenured probationary FACULTY MEMBER shall have the right to grieve where the non-tenured probationary FACULTY MEMBER asserts that the discipline is discriminatory or arbitrary and capricious, but such assertions shall be processed solely by means of and in compliance with all provisions of the procedure provided for in Section C. of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION. This subsection does not apply to non-renewal actions.
- G. 1. If a FACULTY MEMBER is terminated and a grievance is filed contesting the termination, all pay and benefits shall continue for a period of ninety (90) days from the effective date of termination, which date shall be determined solely by the President in his/her discretion. At the end of this ninety (90) day period all pay shall cease; all benefits likewise shall cease, with the exception of life insurance, hospital and medical coverage, and health and welfare benefits, which shall continue until the date the grievance is resolved or the date the arbitration decision is issued on the grievance, whichever occurs first.
2. The President, in his/her sole discretion, may extend the termination date of a FACULTY MEMBER and may assign the FACULTY MEMBER the same or other academic or administrative duties if the President in his/her sole discretion determines that such assignment will not be detrimental to the operation of the University. The FACULTY MEMBER may, at the President's sole discretion, be offered these same or other duties and may continue on the payroll of the University.
3. If a terminated FACULTY MEMBER contests his/her termination by filing a grievance, such grievance will be handled in an expeditious fashion in the steps of the grievance procedure. If the grievance is not resolved by the third step of the grievance procedure and APSCUF requests that the grievance be submitted to arbitration, the parties will make a good faith effort to schedule the grievance for hearing before an arbitrator within ninety (90) days, or sooner if possible, of the date the request for arbitration is received by the STATE SYSTEM/UNIVERSITIES.
- H. If a FACULTY MEMBER is suspended pursuant to this Article, all benefits, including but not limited to hospital and medical insurance, life insurance, and health and welfare benefits, shall be continued for the duration of the suspension.

I. A President may grant Provosts and Academic Deans tenure in accordance with the following procedure. Such tenure will not accrue seniority credit within the bargaining unit, while serving in the management position. A President may place a Provost or Academic Dean who has been granted tenure in bargaining unit vacancies.

B. Usage

1. Sick leave to the maximum permitted by law (in any one (1) calendar year) shall be granted by management to a FACULTY MEMBER, and shall be charged to the FACULTY MEMBER for any absence related to the FACULTY MEMBER'S own personal illness or accident which occurs while the FACULTY MEMBER is in an active pay status. Sick leave usage shall be charged for each day of absence in a week during which the FACULTY MEMBER is in an active pay status on the basis of a five (5) day week, regardless of a FACULTY MEMBER'S work schedule in that week except for part-time FACULTY MEMBERS as identified in subsection 2 below. Sundays, holidays and vacation periods shall not be charged to sick leave.

2. A full-time FACULTY MEMBER who is absent for a partial day shall be charged one-half (1/2) day of sick leave. A part-time FACULTY MEMBER shall be charged one-half (1/2) day of sick leave for absences on days where he/she is scheduled to teach one (1) class and a full day of sick leave for absences when two (2) or more classes are scheduled to be taught.

4. A physician's statement may be required for absences of three (3) or more consecutive days because of illness, or in situations where, in the opinion of the FACULTY MEMBER'S appropriate Dean or other appropriate management personnel, sick leave is being abused.

5. FACULTY MEMBERS may use accumulated sick leave while working on a summer school contract in accordance with the following policy:

a. A FACULTY MEMBER who becomes ill after beginning summer classes may use accumulated sick leave if he or she has not yet used more than the maximum number of days allowed by law in the current calendar year.

b. A FACULTY MEMBER who is contracted to teach summer school and cannot report for work in accordance with the terms of the contract because of illness shall be permitted to use accumulated sick leave for the duration of the contracted session; provided that the FACULTY MEMBER submits proof of illness or disability in the form of a physician's certificate which shall be submitted prior to the start of the summer session if possible, and which shall state a prognosis and expected date of return; and provided further that the University may require the FACULTY MEMBER to be examined by a physician of the University's choice. c. A regular FACULTY MEMBER who notifies the appropriate supervisor of a reasonable delay in reporting for the beginning of summer employment may

be granted paid sick leave for the period of absence.

d. Temporary faculty appointed for summer school are not entitled to receive pay for periods of absence due to illness.

For a sick leave period of more than one (1) week, the affected classes shall be covered, at the discretion of the President or his/her designee, either by hiring a temporary FACULTY MEMBER or by assigning classes to another FACULTY MEMBER. In this latter situation, overload, in accordance with Article 25, OVERLOAD, shall be paid to the extent the assignment exceeds the maximum teaching load provided in this Agreement.

7. In accordance with Act 182, whenever a FACULTY MEMBER shall be absent from duty because of a death in the immediate family of said FACULTY MEMBER, there shall be no deduction in salary of said FACULTY MEMBER for an absence not in excess of three (3) days. Members of the immediate family shall be defined as father, mother, brother, sister, son, daughter, husband, wife, domestic partner, or parent-in-law. Also included shall be any near relative who resides in the same household or any person with whom the FACULTY MEMBER has made his/her home. In addition, a FACULTY MEMBER may use up to two (2) days of sick leave for this purpose. The actual days to be granted shall be such as will accommodate the reasonable needs of the FACULTY MEMBER involved, and it is expected that his/her classes or other responsibilities will be covered by his/her colleagues.

8. Where sickness in the immediate family requires the FACULTY MEMBER'S absence from work, FACULTY MEMBERS may use not more than five (5) days of sick leave entitlement in each calendar year for that purpose. Unless granted an exception by the President or his/her designee, immediate family is defined as the husband, wife, domestic partner, child, or parent, of the FACULTY MEMBER or child of the FACULTY MEMBER'S domestic partner. The STATE SYSTEM/UNIVERSITIES may require proof of such family sickness in accordance with Section B.4. of this Article.

In the event of a work-related death, fifty (50) days of unused sick leave shall be paid to the designated beneficiaries, regardless of the age or number of years of service of the FACULTY MEMBER.
6. No payment herein shall be construed to add to the credited service of the retiring FACULTY MEMBER or to the retirement covered compensation of the member.
7. Payment for unused sick leave as provided for in this Section shall be at the rate of pay of the FACULTY MEMBER on the date of retirement or death.

Article 18

LEAVES OF ABSENCE

A. Sabbatical Leaves

1. A leave of absence for a period not to exceed eighteen (18) University calendar weeks with full pay in accordance with current scheduling practice, or a leave of absence for a period not to exceed thirty-six (36) University calendar weeks with half pay, in accordance with current scheduling practice, for restoration of health, study, travel, or other appropriate purposes, may be requested by a FACULTY MEMBER and may, at the discretion of the President, be granted to any FACULTY MEMBER of any University who has submitted a request for consideration for a sabbatical leave and who has completed seven (7) or more years of satisfactory service as a FACULTY MEMBER of one (1) or more of the UNIVERSITIES, as specified below. Library FACULTY MEMBERS who were granted ACADEMIC FACULTY rank shall accrue credits towards sabbatical leave only from the date the ACADEMIC FACULTY rank was granted. Sabbatical leaves granted after March 20, 1997, will be based primarily upon merit. Unused sabbatical leave credit may be considered in the selection process.
2. At least five (5) consecutive years of such service shall have been rendered to the University from which the leave is sought. A FACULTY MEMBER who has been granted an approved leave without pay shall not be deemed to have had his/her consecutive service interrupted; provided, however, that time spent on such leave shall not count as service toward a sabbatical leave nor towards the accumulation of sick leave.

3. If the University operates on a system of units other than semesters, the FACULTY MEMBER may, at his/her option, be granted a sabbatical leave corresponding to one (1) or more of these units so long as the restriction set forth in subsection 1. above, concerning total weeks of sabbatical leave which can be granted in each such leave, is met.
4. One (1) sabbatical leave may be requested, considered and granted in accordance with the procedures set forth in this Article for each additional seven (7) years of service. Leaves shall be accumulated so that no one shall lose entitlement to consideration for a sabbatical leave because of failure to use leave due to scheduling practices at a particular University, but no one shall be entitled to be considered for or use more than thirty-six (36) weeks of the accumulated leave as part of any one (1) sabbatical leave.
5. No FACULTY MEMBER who resigns, or who is retrenched, terminated, or for any other reason leaves employment with the STATE SYSTEM/UNIVERSITIES shall be entitled to request or be considered for the grant of a sabbatical leave. No sabbatical leave shall be granted unless the FACULTY MEMBER shall agree in writing to return to his/her employment with the University for a period of not less than one (1) year immediately following the expiration of such leave of absence. Where a FACULTY MEMBER has requested, been considered for, been granted and scheduled for a sabbatical leave in accordance with provisions of Section F.1. of Article 29, RETRENCHMENT, and that FACULTY MEMBER thereafter receives a notice of retrenchment in accordance with the terms of that same Article, the FACULTY MEMBER will be entitled to be returned to his/her former position but only for that period of time which precedes the effective date of the retrenchment. Nothing in this Agreement shall prevent the STATE SYSTEM/UNIVERSITIES from providing FACULTY MEMBERS who are on approved sabbatical leaves with notice of retrenchment in accordance with Article 29, RETRENCHMENT.
6. No sabbatical leave of absence shall be considered a termination or breach of the contract of employment and the FACULTY MEMBER on sabbatical leave shall be returned to the same position he/she occupied prior thereto.
7. If a FACULTY MEMBER is granted a sabbatical leave during two (2) summer periods the FACULTY MEMBER shall receive five (5) bi-weekly checks for each of the two (2) summer periods. However, a FACULTY MEMBER granted such a sabbatical leave shall not be eligible for a summer school contract.
8. Every FACULTY MEMBER while on sabbatical leave of absence shall be considered to be in regular full-time daily attendance in the position from which the leave is being taken during the period of said leave, for the purpose of determining the FACULTY MEMBER'S length of service and the right to receive increments as provided by law or contract.
9. Every FACULTY MEMBER on sabbatical leave shall retain the right to make contributions as a member of the State Employees' Retirement System, the Public School Employees' Retirement System, or an Alternative Retirement Plan (see Article 20.C.) and continue his/her membership therein.

10. Nothing in this Section shall be construed to prevent any FACULTY MEMBER on sabbatical leave from receiving a grant for further study from any institution of learning other than the University, which employs him/her.
11. Each University may grant sabbatical leaves of absence in any one (1) year to up to seven percent (7%) of its FACULTY.
12.
 - a. A committee chosen by and from the FACULTY at each University shall receive applications for sabbatical leaves at a time and in a manner which it shall determine and announce. No FACULTY MEMBER shall serve on a departmental or University-wide committee when he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. No department chairperson shall make a recommendation regarding sabbatical leave if he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, when he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.
 - b. The committee shall review applications and forward the full list of applicants, with such recommendations, in priority order, to the President or his/her designee at least eight (8) months before the leave is to commence.
 - c. Should the President or his/her designee reject in whole or in part the recommendations of the committee, the committee shall be notified in writing and shall be given an opportunity to discuss the matter with the President or his/her designee, but the President shall make and announce his/her decision with respect to the granting of sabbatical leaves not later than six (6) months prior to the beginning of the time when the leave will commence.
 - d. As authorized by law, the President of each University shall have the right to consider requests for and make the determination concerning the granting of sabbatical leaves as he/she in his/her sole discretion deems appropriate and to make such regulations as he/she may deem necessary to make sure that a FACULTY MEMBER on sabbatical leave utilizes such leave properly for the purpose for which it was granted, including requiring reports from the FACULTY MEMBER in such manner as the President may deem necessary.
 - e.
 - (1) An individual FACULTY MEMBER shall have the right to grieve, in accordance with the procedures of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, sabbatical leave decisions but only as to himself/herself and then only with respect to failure to observe the specific procedures set forth above.
 - (2) APSCUF shall have the right to grieve in accordance with the

procedures of said Article 5, with regard to a substantial change in the pattern of granting sabbatical leaves at a specific University.

B. Military Leaves

FACULTY MEMBERS shall be eligible for military leave in accordance with applicable law.

C. Civil Leave

1. A FACULTY MEMBER, who has not volunteered for jury duty, but who is called for jury duty, or who is not a party in a civil or criminal court proceeding but who is subpoenaed to attend court as a witness shall be granted a leave with pay while attending court and for the period of time that the FACULTY MEMBER'S attendance is required at court. Evidence of such required court attendance in the form of a subpoena or other written notification shall be presented to the FACULTY MEMBER'S Dean or other appropriate management representative as far in advance as is practicable. The University shall have the right to request the appropriate authorities to relieve such FACULTY MEMBER of jury duty or the court appearance in any manner permitted by law and the FACULTY MEMBER is expected to report for regular University duty when his/her attendance at court is not required either for the aforementioned jury duty or as a subpoenaed witness. The term court as used in this subsection is intended to mean only the following courts: Minor Judiciary Court, Courts of Common Pleas, Commonwealth Court and the United States District Court.

2. FACULTY MEMBERS who are subpoenaed as witnesses in the following administrative hearings shall be granted leave with pay while attending such hearings: Unemployment Compensation Board of Review Referee, Workers' Compensation Judge, Workers' Compensation Appeal Board, State Civil Service Commission, Pennsylvania Human Relations Commission, and Pennsylvania Labor Relations Board.

Leave entitlement will be pro-rated for part-time FACULTY MEMBERS.

b. In no case shall a pregnant FACULTY MEMBER be required to leave prior to the childbirth unless she can no longer satisfactorily perform the duties of her position.

c. While a FACULTY MEMBER is on parental leave, the duties of the position shall either be performed by remaining FACULTY MEMBERS and the position kept vacant, or they shall be performed by a substitute employee.

3. Resumption of Duties

Work-related disability leave is a leave of absence for which the FACULTY MEMBER will be paid full pay reduced by an amount that yields a net pay, including Workers' Compensation and Social Security Disability Benefits, that is equal to the FACULTY MEMBER'S net pay immediately prior to the injury. Net pay prior to injury is defined as gross base pay minus federal, state, and local withholding and Social Security and retirement contributions. A FACULTY MEMBER who sustained a work-related injury prior to July 1, 1981 will continue to receive benefits in accordance with the previous Agreement between the STATE SYSTEM and APSCUF.

- B. There shall be no reduction in credited service under the State Employees' Retirement Code during the period of time that the FACULTY MEMBER is on work-related disability leave.
- C. A FACULTY MEMBER who qualifies for work-related disability leave shall not be entitled to use sick, annual or personal leave during the period of eligibility. If the disability continues, sick leave accumulation may be taken at the expiration of the eligibility period to the extent of such accumulation, or the maximum allowed by law in a calendar year whichever is less. Effective July 1, 1981, sick leave and annual leave shall be earned on thirty-four percent (34%) of the work-related disability leave hours used. Personal leave shall not be earned during work-related disability leave.
- D. A FACULTY MEMBER is required to refund to the Employer the amount of overpayment of pay if an overpayment results because a claim denial is issued under the operation of the Workers' Compensation Insurance program. In no case shall a FACULTY MEMBER be entitled to full pay and Workers' Compensation and/or Social Security for the period of eligibility. The Employer shall recover any amount in excess of the FACULTY MEMBER'S work-related disability leave amount. Failure to apply for or report Social Security or other applicable disability benefits to the Employer will result in the termination of work-related disability leave.
- E. STATE SYSTEM paid coverage for life insurance and for hospital and medical insurance as provided in Article 21, FRINGE BENEFITS, will continue for the period of time that the employee is on work-related disability leave.
- F. A FACULTY MEMBER has the right to return to a position in the same department and at the same rank held before being disabled for a period of up to three (3) years from the date the injury occurred, provided the FACULTY MEMBER is fully capable of performing the duties of that position, subject to the provisions of Article 29, RETRENCHMENT. This guarantee expires if the disability ceases prior to the expiration of the three (3) year period and the FACULTY MEMBER does not return to work immediately or if the FACULTY MEMBER retires or otherwise terminates employment. During the period of time between the end of the work-related disability leave and the end of the guarantee in this Section, the FACULTY MEMBER will be on leave without pay unless the employee is using sick leave in accordance with Section C. of this Article.
- G. The compensation for disability retirement arising out of work-related injuries shall be seventy percent (70%) of the final average salary less Workers' Compensation and Federal Social Security benefits.
- H. A FACULTY MEMBER who sustains a work-related injury during the period of this Agreement, if so determined by a decision issued under the operation of the Workers' Compensation Insurance program, may be absent from work with pay on ten (10) occasions without use of sick, annual, or personal leave for the purpose of continued medical treatment of the work-related injury for a period of three (3) years from the date the injury occurred. Each absence shall not exceed one (1) work day or the minimum amount of time necessary to obtain the medical treatment, whichever is less, and must be substantiated by a doctor's certificate verifying that the medical services were necessary and related to the work injury. FACULTY MEMBERS shall make reasonable efforts to schedule medical appointments during non-work

hours. Verification of the length of the medical appointment may be required. This Section is not applicable to any absence for which Workers' Compensation is payable.

Article 20

RETIREMENT

A. FACULTY MEMBERS shall have the option to elect retirement under the State Employees' Retirement System, the Public School Employees' Retirement System, or an Alternative Retirement Plan (see Section C. below), in accordance with COMMONWEALTH rules and regulations then obtaining. In addition, they shall continue to enjoy those other retirement benefits that are currently provided under applicable laws. The amount to be contributed by the STATE SYSTEM (in the event of a selection of an Alternative Retirement Plan – see Section C. below) shall be calculated at the rate actuarially determined exclusively by the State Employees' Retirement Board to be payable to the State Employees' Retirement Fund for each such FACULTY MEMBER.

B. The parties shall meet and discuss during the term of the Agreement aspects of the COMMONWEALTH'S retirement program that are of mutual interest.

Article 21

FRINGE BENEFITS

A. Health Benefits

1. Eligibility

a. All temporary full-time FACULTY MEMBERS who are employed to work a standard workload for one academic year and all regular full-time FACULTY MEMBERS are eligible for all health benefits provided in this Section. Whenever a full-time temporary FACULTY MEMBER is employed during the spring semester with a reasonable expectation of being re-employed during the fall semester, the FACULTY MEMBER shall be eligible to receive health benefits during the intervening summer. All temporary part-time and all regular part-time FACULTY MEMBERS who are employed to work at least fifty percent (50%) of a standard workload for one academic year are eligible for health benefits provided in this Article. All regular part-time FACULTY MEMBERS are also eligible for health benefits provided in this Article.

b. The STATE SYSTEM shall provide dependency coverage where the dependents, spouses/domestic partners and children, of the FACULTY MEMBERS qualify under such plan.

c. Eligible FACULTY MEMBERS shall be those determined by the health plans in accordance with the eligibility provisions of the STATE SYSTEM OF HIGHER EDUCATION Group Health Program (SSHEGHP). The choice among plans shall be operated as follows:

(1) The option to elect the coverage in a plan shall be made available to those FACULTY MEMBERS who reside within the service area of the plan.

(2) The amount and kind of benefits available to the FACULTY MEMBERS shall be those offered by the plan and contracted for by the STATE SYSTEM.

(3) The Health and Welfare Fund contribution rate, as set forth in Article 30, will not be affected as a result of the plan selected by the FACULTY MEMBER.

(4) The option to elect coverage under a plan shall be available during annual open enrollment periods designated by the STATE SYSTEM and the plans. FACULTY MEMBERS who move into a plan's service area may choose from available plans. FACULTY MEMBERS who are dissatisfied with an HMO may elect coverage in the PPO (plan design as referenced at subsection A.2.d. of this Article).

d. Spouse/Domestic Partner Coverage:

Effective for FACULTY MEMBERS hired on or after July 1, 2013, if a FACULTY MEMBER wishes to enroll his or her spouse or domestic partner in a STATE SYSTEM health plan, and that spouse or partner is eligible for coverage under his or her own employer's plan, the spouse/partner shall be required to enroll in that other employer's plan (which shall be his or her primary coverage), as a condition of eligibility for secondary coverage under the STATE SYSTEM plan, without regard to the amount of the cost-sharing required under the spouse/partner's plan, and without regard to any incentive the spouse/partner's plan may offer to the spouse/partner not to enroll. In the event that the spouse/partner loses coverage through his/her employer, the spouse/partner's coverage under the STATE SYSTEM plan shall immediately become primary.

2. Full-Time Employee Health Care Choices and Plan Design

a. Eligible full-time FACULTY MEMBERS shall be provided an annual opportunity to make health plan enrollment changes.

b. Effective January 1, 2017, the current Health Maintenance Organization (HMO) plans will be closed to new enrollments.

c. Effective July 1, 2017, the Keystone East HMO, the Keystone Central HMO and the Geisinger HMO plans will be eliminated. FACULTY MEMBERS enrolled in those HMO plans will be enrolled in the PPO plan unless they choose to waive coverage. The UPMC HMO will remain in place for FACULTY MEMBERS enrolled in the plan prior to January 1, 2017, but will be modified effective July 1, 2017 to have the same plan design features as those in effect for the PPO plan, including member deductibles and copays. The indemnity plan for active FACULTY MEMBERS was terminated effective July 1, 2015.

d. The State System will offer a Preferred Provider Organization (PPO) plan. The plan design for the PPO shall be as referenced in the Memorandum of Agreement of February 6, 2004, except as follows: (a) effective July 1, 2013, the office visit copay for specialists shall be increased from \$15 to \$25; and (b) effective July 1, 2013, the copay for an emergency room visit shall be increased from \$50 to \$100 (waived if admitted). Effective January 1, 2017, the PPO plan design will be modified as described in Appendix 1.

3. Full-Time Employee Premium Contribution

a. Effective July 1, 2010, all participating active full-time FACULTY MEMBERS shall contribute on a pre-tax basis, through bi-weekly payroll deductions, at a flat rate of fifteen percent (15%) of the STATE SYSTEM'S expected costs developed by the plan administrator for the type of contract for the chosen health and prescription drug plan for the fiscal year. Effective January 1, 2017, all participating active full-time FACULTY MEMBERS shall contribute on a pre-tax basis, through bi-weekly payroll deductions, at a flat rate of eighteen percent (18%) of the STATE SYSTEM'S expected costs developed by the plan administrator for the type of contract for the chosen health and prescription drug plan for the fiscal year. This amount shall be adjusted annually in accordance with the premium reconciliation plan set forth in paragraph A.3.g. of this Article.

b. Contributions shall be established by plan based on the following demographic tiers: single, two-party, and family.

c. The STATE SYSTEM will continue to offer a health care management program (wellness program) to all eligible FACULTY MEMBERS in consultation with the Health Care Cost Containment Committee as provided in Appendix M. No changes shall be made to the wellness program's participation requirements during the term of this Agreement, to the extent practicable based upon the vendor's capabilities. In the event that it is not possible to maintain the same participation requirements due to vendor capabilities, any substantive changes to the program requirements shall require APSCUF approval.

d. Active eligible full-time FACULTY MEMBERS and covered spouses/domestic partners must complete the requirements of the health care management program (wellness program) when available by the cut off dates in order to contribute at the participation level in 3.a above.

e. For those eligible full-time FACULTY MEMBERS and covered

spouses/domestic partners who do not participate in the health care management program (wellness program) when available, contributions will be as follows:

(1) As of July 1, 2010, an additional ten percent (10%) which shall bring the total premium contribution for non-participants to twenty-five percent (25%) of the STATE SYSTEM'S expected costs developed by the plan administrator (for the type of contract for the chosen health and prescription drug plan for the fiscal year). As of January 1, 2017, an additional ten percent (10%) which shall bring the total premium contribution for non-participants to twenty-eight percent (28%) of the STATE SYSTEM'S expected costs developed by the plan administrator (for the type of contract for the chosen health and prescription drug plan for fiscal year).

(2) As of July 1, 2017, the lesser of: 1) an additional ten percent (10%) which shall bring the total premium contribution for non-participants to twenty-eight percent (28%) of the STATE SYSTEM'S expected costs developed by the plan administrator (for the type of contract for the chosen health and prescription drug plan for the fiscal year) or, 2) an additional contribution amount equal to 30% of the STATE SYSTEM'S expected costs developed by the plan administrator of a single contract. This amount shall be adjusted annually in accordance with the premium reconciliation plan set forth in paragraph A.3.g. of this Article.

f. FACULTY MEMBERS enrolled in an HMO shall not experience the increases for non-participants as set forth in e. above. FACULTY MEMBERS moving from the HMOs to the PPO (for example, as a result of elimination of the HMOs under Subsection 2.b., above) shall be subject to the State System's standard process for those who newly enroll in the PPO (either new employees or those moving from an HMO to a PPO). They will initially be enrolled at the lower contribution rates (set forth in Subsection 3.a., above), and will have until the end of the wellness program participation period to complete the program requirements in order to qualify for the lowest contribution rate effective with the beginning of the next plan year.

g. The parties have agreed in principle to develop a faculty premium contribution reconciliation program to ensure that contributions are calculated based on actual plan expenses paid by PASSHE. The terms of this agreement will be finalized once the pending health care contract is awarded, establishing the funding mechanism that will be utilized.

4. Part-Time Employee Health Care Choices and Plan Design

a. Eligible part-time FACULTY MEMBERS shall be provided an annual opportunity to make health plan enrollment changes.

b. The STATE SYSTEM shall provide eligible part-time FACULTY MEMBERS, who are expected to be in an active pay status at least fifty percent (50%) of the time every pay period of the academic year or full year, as

appropriate, for each FACULTY MEMBER'S position, with coverage under the HMO, or PPO plan (plan design as referenced subsection A.2.d. of this Article). Effective January 1, 2017, the PPO Plan design will be modified as described in Appendix 1.

c. The indemnity plan for active FACULTY MEMBERS was terminated effective July 1, 2015.

5. Part-Time Employee Premium Contribution

a. All participating active eligible part-time FACULTY MEMBERS shall contribute on a pre-tax basis, through bi-weekly payroll deductions, at a flat rate of fifty-seven and one-half percent (57.5 %) of the STATE SYSTEM'S expected costs developed by the plan administrator for the type of contract for the chosen health and prescription drug plan for the fiscal year. This amount shall be adjusted annually in accordance with the premium reconciliation plan set forth in paragraph A.3.g. of this Article.

b. The STATE SYSTEM will continue to offer a health care management program (wellness program) to all eligible part-time FACULTY MEMBERS in consultation with the Health Care Cost Containment Committee as provided in Appendix M. No changes shall be made to the wellness program's participation requirements during the term of this Agreement, to the extent practicable based upon the vendor's capabilities. In the event that it is not possible to maintain the same participation requirements due to vendor capabilities, any substantive changes to the program requirements shall require APSCUF approval.

c. Active eligible part-time FACULTY MEMBERS and covered spouses/domestic partners must complete the requirements of the health care management program (wellness program) when available by the cut off dates in order to contribute at the participation level in 5.a above.

d. For those eligible part-time FACULTY MEMBERS and covered spouses/domestic partners who do not participate in the health care management program (wellness program) when available contributions will increase as follows:

(1) As of July 1, 2010, an additional five percent (5%) which shall bring the total premium contribution for non-participants to sixty-two and one-half percent (62.5%) of the STATE SYSTEM'S expected costs developed by the plan administrator (for the type of contract for the chosen health and prescription drug plan for the fiscal year). This amount shall be adjusted annually in accordance with the premium reconciliation plan set forth in paragraph A.3.g. of this Article.

(2) As of July 1, 2017, the lesser of: 1) an additional five percent (5%) which shall bring the total premium contribution for non-participants to sixty-two and one-half percent (62.5%) of the STATE SYSTEM'S expected costs developed by the plan administrator (for the type of contract for the chosen health and prescription drug plan for the

fiscal year), or 2) an additional contribution amount equal to 30% of the STATE SYSTEM'S expected costs developed by the plan administrator of a single contract.

e. FACULTY MEMBERS enrolled in an HMO shall not experience the increases for non-participants as set forth in d. above.

6. The employee contribution for health and prescription drug benefits for non-represented employees of the STATE SYSTEM (except those in the PEBTF) shall be no less than the same contribution percentage in effect for active FACULTY MEMBERS.

7. The STATE SYSTEM shall provide hearing benefits for all active eligible FACULTY MEMBERS and their covered dependents who are enrolled in a State System health plan (the Highmark PPO and the HMO plans). Effective January 1, 2017 the maximum hearing benefit shall be \$1,250 per ear every 36 months.

8. a. Eligible FACULTY MEMBERS who are granted leave without pay due to sickness or parental leave will continue to receive health and prescription drug benefits under the SSHEGHP for up to six (6) months. Regular FACULTY MEMBERS who are granted family care leave may continue to receive health and prescription drug benefits for up to twelve (12) weeks. Health and prescription drug benefits will continue provided that required employee contributions are paid while on leave. If the FACULTY MEMBER does not pay their share of the premium, their coverage will be cancelled and they will be permitted to continue coverage under COBRA provisions or on a direct pay basis.

b. Eligible regular full-time FACULTY MEMBERS who are granted educational leave without pay will be permitted to continue coverage in the active employee health and prescription drug plan for the duration of the leave. The STATE SYSTEM will bill those FACULTY MEMBERS for the amount of their share of the premiums pursuant to Section A.3. of this Article.

c. Eligible FACULTY MEMBERS who are granted leave without pay for any reason other than for sickness, parental, family care leave, or educational leave for longer than one (1) full pay period, or who are on leave without pay due to sickness or parental leave longer than six (6) months, or family care leave longer than twelve (12) weeks will be permitted to continue coverage under COBRA provisions or on a direct pay basis.

d. The STATE SYSTEM/FACULTY MEMBER contributions shall continue as stated in subsections 3. and 5. above for eligible FACULTY MEMBERS for the period of time for which they are entitled to benefits under this Section.

9. Prescription Drug Card

The STATE SYSTEM shall provide prescription drug coverage for all of the SSHEGHP plans through a prescription drug card. The prescription drug coverage shall include:

- a. A three-tier open formulary with retail co-payments of \$5 for generic, \$18 for brand formulary, and \$36 for brand non-formulary drugs for up to a thirty (30) day supply. Effective January 1, 2017, these retail co-payments shall be increased to \$10 for generic, \$30 for brand formulary, and \$50 for brand non-formulary drugs for up to a thirty (30) day supply.
- b. Co-payments for mail order prescriptions of two times the retail co-payments set forth in subsection 9.a. above for up to a ninety (90) day supply.
- c. There shall be no deductible for prescription coverage.
- d. If a physician prescribes a brand name drug and indicates no substitution, then the FACULTY MEMBER will not pay the difference between that drug and the generic drug. However, if the FACULTY MEMBER chooses a brand name drug when his/her physician has indicated that substitution of a generic drug is acceptable, the FACULTY MEMBER must pay the difference in cost between the brand name drug and the generic drug.
- e. Effective July 1, 2017, the STATE SYSTEM will implement prescription drug clinical management programs (Managed RX Coverage Program (MRxC), including step edits, and expansion of Managed Prior Authorization Program) to encourage cost-effective utilization.
- f. Effective July 1, 2017, the STATE SYSTEM will establish a mandatory Specialty Pharmacy Vendor program. FACULTY MEMBERS and their enrolled dependents who need to obtain specialty medications must purchase those medications from the designated Specialty Pharmacy Vendor to receive the in-network benefit.

10. Annuitant Health Care Coverage

a. Eligibility

(1) The STATE SYSTEM shall allow each FACULTY MEMBER who was eligible as an active FACULTY MEMBER under the SSHEGHP to elect coverage upon retirement in an approved plan under the Annuitant Health Care Program (AHCP).

(2) Dependency coverage shall be available for qualified dependents of the annuitant. Eligible dependents will include spouses, domestic partners and dependent children. Annuitants shall be responsible for any applicable tax consequences of covering dependents.

b. Annuitant Health Care Choices

(1) Effective July 1, 2004, AHCP benefits for new pre-Medicare eligible retirees shall be those in effect for active employees, and may change from time-to-time as active employee benefits change.

(2) Eligible FACULTY MEMBERS who retire after December 31, 2016 and on or before June 30, 2017, and are not eligible for Medicare, or their enrolled spouses and/or dependent(s) are not eligible for Medicare, will be enrolled in the AHCP PPO plan for pre-Medicare annuitants with the same PPO plan design in effect for active FACULTY MEMBERS on December 31, 2016.

(3) Effective July 1, 2017 AHCP benefits for all future pre-Medicare eligible retirees shall be those in effect for active employees, and will change as active employee benefits change.

(4) A FACULTY MEMBER who retires prior to July 1, 2009, and is enrolled in the indemnity plan at the time of retirement, may continue that enrollment as an annuitant. However, the indemnity plan will not be available to pre-Medicare retirees who retire after June 30, 2009. Eligible FACULTY MEMBERS who retire after June 30, 2009, and who enroll in the AHCP and are not eligible for Medicare, will have the choice of enrollment in the PPO or other approved plan under the AHCP.

c. Annuitant Premium Contributions

(1) The STATE SYSTEM shall continue to pay the full cost of AHCP benefits for those eligible FACULTY MEMBERS who retired prior to July 1, 2005.

(2) Eligible employees who retire after June 30, 2005, and before July 1, 2008, and who enroll in the AHCP and are not eligible for Medicare, shall contribute to the cost of coverage at the same dollar amount for their choice of plan that was in effect the day of their retirement. Upon becoming eligible for Medicare, they shall cease the foregoing contribution and instead pay the same percentage of the STATE SYSTEM's cost for the Medicare supplement as active employees are paying for their PPO plan (plan design as referenced in subsection A.2.c. of this Article) benefits.

(3) Eligible FACULTY MEMBERS who retire after June 30, 2008, and who enroll in the AHCP shall contribute to the cost of the AHCP at the same dollar amount for the type of contract and choice of plan as that in effect on the day of the FACULTY MEMBER'S retirement. Throughout the annuitant's lifetime while enrolled in the AHCP, the dollar amount paid by the annuitant shall be adjusted whenever the percentage of contribution paid by active FACULTY MEMBERS for the same type of contract and choice of plan is adjusted. The new percentage shall be applied to the rate for the type of contract and choice of plan that was in effect on the day of the FACULTY MEMBER'S retirement to determine the new annuitant contribution. The wellness program and non-participant contribution increases set forth in sections 3.e and 5.c above shall not apply to annuitants.

(4) If an annuitant who retires after June 30, 2005 and before July 1, 2008, opts to change health plans, he/she shall contribute to the new plan in the same dollar amount that was in effect for that plan as of the date of his/her retirement.

(5) If an annuitant who retires after June 30, 2008, opts to change health plans, he/she shall contribute to the new plan in the same dollar amount that was being contributed to that type of contract and choice of plan by active FACULTY MEMBERS on the day of the FACULTY MEMBER'S retirement, adjusted for any changes occurring since that time in the percentage of contributions paid by active FACULTY MEMBERS.

d. Any FACULTY MEMBER who retires prior to July 1, 2009, and receives health benefits in accordance with subsection f. below under the present indemnity plan shall have major medical coverage in retirement equal to the major medical coverage that he/she had on the day prior to his/her retirement.

e. FACULTY MEMBERS who retire and are covered under the AHCP will be required to enroll in Medicare Part B when they become Medicare eligible in order to continue comprehensive medical coverage. The STATE SYSTEM shall continue to provide the Blue Shield Signature 65 Supplement or equivalent.

f. Annuitants who retire under the provisions of paragraphs (1), (2), or (3) below will be eligible to elect coverage under the STATE SYSTEM Annuitant Health Care Program (AHCP) as provided in this Section. For purposes of this Section, "credited service" for all FACULTY MEMBERS who begin employment in the fall semester 1997 and after, shall only include actual service with the STATE SYSTEM or COMMONWEALTH and shall not include other types of service purchasable for retirement credit.

(1) Retirement at or after superannuation age with at least ten (10) years of credited service in the State and/or Public School Employees' Retirement Systems, except that a FACULTY MEMBER who leaves STATE SYSTEM employment through resignation or discharge prior to superannuation age, vests retirement benefits and does not retire until at or after superannuation age must have had on the date of resignation or discharge, twenty-five (25) years of credited service in the State and/or Public School Employees' Retirement Systems.

A FACULTY MEMBER, who is retrenched prior to superannuation age, vests his/her retirement benefits and subsequently retires at or after superannuation age during the furlough period must have ten (10) or more years of credited service in the State and/or Public School Employees' Retirement Systems. For purposes of this subsection, superannuation under the Alternative Retirement Plan (see Article 20.C.) shall be sixty (60) years of age with at least ten (10) years of COMMONWEALTH, STATE SYSTEM and/or public school service. For purposes of this subsection, for all FACULTY MEMBERS who begin employment in the fall semester 1997 and after, the service requirement shall be fifteen (15) years; rather

than ten (10) years.

For all FACULTY MEMBERS who begin employment after July 1, 2004, the years of credited service required for eligibility shall increase to twenty (20) years of credited service.

(2) Disability Retirement, which requires at least five (5) years of credited service in the State or Public School Employees' Retirement Systems. For purposes of this subsection, retirement under the Alternative Retirement Plan (see Article 20.C.) shall be considered disability retirement if the retiree meets the same disability retirement standards used by the State Employees' Retirement System in accordance with the procedures provided for in Appendix E.

(3) Other retirement, including retirement under the Alternative Retirement Plan (see Article 20.C.) with at least twenty-five (25) years of credited service in the State and/or Public School Employees' Retirement Systems, and who have elected coverage under the AHCP.

For purposes of this subsection, Alternative Retirement Plan (see Article 20.C.) members who begin employment before the end of the 1996-97 academic year may receive retirement credits equal to the retirement credit which they would be entitled to purchase under the rules of the State Employees' Retirement System (SERS) for military service, for service in other public colleges and universities, and for other permissible service credit purchases. Such retirement credit must be certified as eligible by SERS as creditable under its rules. This provision shall be effective only for those FACULTY MEMBERS who retire on or after July 1, 1990 and who began employment before the end of the 1996-97 academic year.

11. It is understood and agreed that the references to the types of health plans in this Article shall not restrict the Employer's right after consultation with APSCUF to replace the current insurers/administrators with other insurers/administrators, provided equivalent coverage, benefits and employer/FACULTY MEMBER contributions are maintained.

B. Health Care Cost Containment Committee

1. The Health Care Cost Containment Committee which was established as of July 1, 2004, shall continue as modified herein. Effective July 1, 2007, the Health Care Cost Containment Committee shall be composed of twelve (12) members with six (6) management representatives and six (6) union representatives four (4) of whom shall represent and be appointed by APSCUF, one (1) who shall represent and be appointed by OPEIU Healthcare Pennsylvania, Local 112, and one (1) who shall represent and be appointed by SPFPA.

2. The Health Care Cost Containment Committee shall meet periodically to discuss health care cost containment strategies. The Committee may also make recommendations for modifications to the health care plans. The Committee shall make recommendations to the STATE SYSTEM and APSCUF for modifications of the health care plans for active FACULTY MEMBERS. All recommendations must have been approved by Committee

members by majority vote of both management members and majority vote of union members.

3. Health and prescription drug rate information used to determine premiums and employee contributions shall be shared with all members of the Committee.

C. In the event that comprehensive healthcare legislation is passed, the parties agree to refer such legislation to the Health Care Cost Containment Committee to make a recommendation regarding appropriate changes for the existing active and annuitant health care program.

D. Life Insurance

1. The STATE SYSTEM/UNIVERSITIES shall assume the entire costs of life insurance coverage as described in this Section. The eligibility of FACULTY MEMBERS for life insurance will be as set forth in the currently existing life insurance plan. The amount of life insurance will be based on the FACULTY MEMBER'S annual pay rate in effect on the preceding January 1, rounded to the nearest \$1,000, but not to exceed \$50,000.

2. The STATE SYSTEM/UNIVERSITIES shall continue to provide each FACULTY MEMBER who is covered under the currently existing life insurance plan with fully paid accidental death benefits for work-related accidental deaths in addition to the life insurance coverage provided in subsection 1. above. The amount of coverage is \$20,000.

3. FACULTY MEMBERS eligible for life insurance pursuant to this Article, who are granted sick leave without pay or parental leave without pay will continue to receive one hundred percent (100%) State System paid coverage under the current life insurance plan for up to six (6) months. FACULTY MEMBERS, who are on sick leave or parental leave without pay for longer than six (6) months, may remain in the program for an additional six (6)-month period by paying the entire premium. FACULTY MEMBERS, who are granted family care leave, will continue to receive one hundred percent (100%) State System paid coverage under the current life insurance plan for up to twelve (12) weeks. Regular full-time faculty members who are granted educational leaves without pay will continue to receive one hundred percent (100%) State System paid coverage under the current life insurance plan.

E. Holidays

1. The following days shall be recognized as holidays for FACULTY MEMBERS whose basic responsibilities lie primarily outside the classroom:

- | | | | |

Monday shall be recognized as a holiday for all holidays occurring on a Sunday, and Friday for all holidays occurring on a Saturday. President's Day, Columbus Day, and

Veterans' Day are recognized as minor holidays and shall be scheduled by the President or his/her designee at each University. At the request of local APSCUF, the President or his/her designee(s) shall meet and discuss concerning the matter of rescheduling minor holidays.

A FACULTY MEMBER whose basic responsibilities lie primarily outside the classroom shall receive compensatory leave equal to the number of hours worked on the holiday if the FACULTY MEMBER is required by the University to work on the day the holiday is observed by the University. In the event that the FACULTY MEMBER is not afforded a reasonable opportunity to schedule the compensatory leave during the contract year in which he/she earns the compensatory leave, he/she shall be paid a lump sum payment equal to one day's pay at the FACULTY MEMBER'S appropriate per diem rate.

F. Personal Leave Days

Summer work shall be excluded when determining whether a FACULTY MEMBER is on a nine (9), ten (10) or twelve (12) month contract. Regular part-time FACULTY MEMBERS shall accrue personal leave on a prorated basis according to the percentage of the standard workload assigned for the academic year. Temporary part-time FACULTY MEMBERS are not eligible for personal leave.

2. For FACULTY MEMBERS entitled to two (2) or three (3) personal leave days, one personal leave day shall be earned the first half of each calendar year (January 1 to June 30), and the remaining personal leave day(s) shall be earned the second half of each calendar year (July 1 to December 31). 4. Personal leave shall be scheduled and granted for periods of time requested by the FACULTY MEMBER subject to management's responsibility to maintain efficient operations. Requests for personal leave by an ACADEMIC FACULTY MEMBER shall be submitted in writing by the ACADEMIC FACULTY MEMBER and shall be answered by management within seven (7) days. Such requests for personal leave by an ACADEMIC FACULTY MEMBER must be accompanied by evidence that the classes of the ACADEMIC FACULTY MEMBER are covered by a qualified colleague of the ACADEMIC FACULTY MEMBER and, in addition, such leave shall not result in

overload costs to the STATE SYSTEM/UNIVERSITIES. If the nature of the work makes it necessary to limit the number of FACULTY MEMBERS on personal leave at the same time, the FACULTY MEMBER with the greatest seniority as it relates to total years of continuous service at the University shall be given his/her choice of personal leave in the event of any conflict in selection.

Article 23

WORKLOAD AND WORKLOAD EQUIVALENTS

A. ACADEMIC FACULTY

1. Teaching FACULTY

a. Workload Hours

For all ACADEMIC FACULTY MEMBERS, the full workload for the academic year shall not exceed twenty-four (24) workload hours (with twelve (12) workload hours as standard for a term). In no event shall more than fifteen (15) workload hours be assigned in any one (1) academic term unless overload as provided for in this Agreement is paid. Laboratories, studios, clinics, and field and activity courses shall be equated on the basis of three (3) contact hours being equal to two (2) workload hours for that period of time which is actually spent in such work. Where such types of courses also include lecture hours, each hour of scheduled lecture is to be considered a workload hour.

However, each contact hour in laboratories in chemistry, biology, physics, allied health science and earth science shall be assigned one (1) workload hour.

b. Preparations

No more than three (3) preparations per academic term shall be assigned unless such additional preparations are compensated in accordance with the formula contained in Article 25, Section B. Preparations shall be defined and assigned in accordance with the definition of preparation contained in Article 25, Section B. However, where an overload course(s) is assigned in accordance with subsection 1.a. above, the additional courses(s) assigned may carry an additional preparation(s).

c. Office Hours

Full-time teaching FACULTY MEMBERS as defined in this Article shall maintain a minimum of five (5) office hours per week on no fewer than three (3) different days at such times and locations as will accommodate the needs of the students. Teaching FACULTY MEMBERS not defined as full-time, shall maintain a prorated number of office hours each week, at a minimum of twenty-five (25) minutes for each workload hour taught, at such days, times and locations as will accommodate the needs of the students. The schedule of office hours for each FACULTY MEMBER shall be posted in such manner so as to be easily observed by the students.

d. Graduate Teaching

A FACULTY MEMBER who teaches graduate courses shall have the following considered a maximum full workload in any academic term beyond

which overload shall be paid:

- (1) Nine (9) workload hours if only graduate courses are taught; or
- (2) Twelve (12) workload hours for any combination of graduate and undergraduate courses involving less than nine (9) workload hours of graduate courses.

Supervision of one (1) Master's thesis shall be equated with one-third (1/3) of a workload hour. Supervision of one (1) Doctoral dissertation shall be equated with one (1) graduate workload hour.

e. Internships/Cooperative Education

(1) A University supervisor of student interns or cooperative education students shall supervise a maximum of seventy-two (72) students during a year.

(2) When an ACADEMIC FACULTY MEMBER carries a mixed load of teaching and supervision of student interns/cooperative education students, the ACADEMIC FACULTY MEMBER'S workload shall be calculated on the basis of each student intern/cooperative education student being equivalent to one-third (1/3) of a workload hour.

(3) No workload hour equivalent shall be granted unless the internship program/cooperative education program has been approved by the Curriculum Committee and the President.

f. Supervisors of Student Teachers

(1) A University supervisor of student teachers shall supervise up to a maximum of forty (40) student teachers during a two (2) semester academic year, and be responsible for practicum, where applicable. The maximum shall not exceed twenty (20) student teachers during any one (1) semester of the academic year. In making an actual assignment, the President or his/her designee shall, in consultation with the student teacher supervisors, take into consideration the number of schools involved and the distances required to be traveled from one school to another by the student teacher supervisor.

A student teacher supervisor's actual schedule of days to be worked during the academic year shall be determined by the President or his/her designee. It is contemplated that such days shall not necessarily be limited by the University calendar, but rather, the President or his/her designee shall take into consideration the needs of student teachers being supervised and of the school district(s) involved.

(2) Workload for student teacher supervisors when carrying a mixed load of teaching and supervision of student teachers shall be calculated on

the basis that each student teacher assigned shall be equivalent to .600000 workload hour.

(3) FACULTY MEMBERS assigned full-time to supervision of student teachers shall be available for office consultations for five (5) hours per week. The place of the office consultation may be the school where the student is assigned, provided that this arrangement is approved by the appropriate Dean prior to each academic semester assignment.

(4) A student teacher supervisor shall be provided with a vehicle when available in accordance with STATE SYSTEM/UNIVERSITIES regulations. When a STATE SYSTEM/University vehicle is not available, he/she must use his/her own vehicle, and he/she shall be reimbursed pursuant to Article 32, TRAVEL EXPENSES.

(5) A student teacher supervisor who is customarily and regularly required by the STATE SYSTEM/University to travel fifteen (15) miles or more from his/her regular campus or work site, and whose work assignment requires that he/she remain away therefrom during his/her normal lunch period, shall be reimbursed for actual out-of-pocket lunch expenses not to exceed, including sales tax, two dollars and thirty-five cents (\$2.35).

2. Library FACULTY

a. Subject to the provisions hereof, all members of the professional library staff shall enjoy full FACULTY status with all the rights, privileges and responsibilities pertaining thereto. For administrative purposes, the professional librarians shall constitute a department.

b. Library FACULTY in the performance of their duties shall be scheduled for no more than thirty-five (35) hours per week, and Library FACULTY also shall be expected, as are other FACULTY MEMBERS, to assume committee assignments and other campus responsibilities.

c. A Library FACULTY MEMBER'S schedule shall be based on library needs as determined by the President or his/her designee in consultation with members of the Library FACULTY.

d. APSCUF shall conduct an election among all of the members of the Library FACULTY to designate a chairperson who shall act in a representational role for the department. The chairperson shall reflect the view of the members of the Library FACULTY in their consultations with the President or his/her designee on matters of appointment of FACULTY, renewal and non-renewal of FACULTY, FACULTY development and evaluation, promotion, tenure and Library FACULTY MEMBER'S schedules.

The library Department Chairperson shall receive a stipend in accordance with the following schedule:

DEPARTMENT SIZE	STIPEND

21-25	\$1,400.00
26 or more	\$1,600.00

Effective fall semester of 2017, the library Department Chairperson shall receive a stipend in accordance with the following schedule:

26 or more	\$2,000.00

This chairperson shall not be subject to provisions of Article 6, Sections B.1.a., C., and D.

3. Laboratory School FACULTY

a. Laboratory school FACULTY shall have FACULTY status and rank in the same manner as any other FACULTY MEMBER.

b. Laboratory school FACULTY'S workload and academic year assignments shall be made by the President or his/her designee in consultation with the laboratory school FACULTY and shall be consistent with the needs of the students in the laboratory school and the requirements of the school district(s) involved. Laboratory school FACULTY shall be expected, as are other FACULTY MEMBERS, to assume committee assignments and other campus responsibilities.

c. Laboratory school FACULTY shall have a lunch period of at least one-half (1/2) hour, which shall be free of all other duties.

d. By mutual consent, evidenced by a written document duly executed by the parties to this Agreement, the provisions of this Section may be modified or changed at local meet and discuss.

4. ACADEMIC FACULTY MEMBERS whose basic responsibilities lie outside of the classroom setting shall have their weekly workload equated to the workload hour provisions of Section A.1.a. of this Article. Any teaching performed by these FACULTY MEMBERS shall be prorated on that basis and they shall be paid overload in accordance with Article 25, OVERLOAD, or their nonclassroom responsibilities shall be proportionately reduced.

B. ADMINISTRATIVE FACULTY

1. ADMINISTRATIVE FACULTY who are on academic-year contracts shall not have to be present on campus during periods when the UNIVERSITIES are not in session unless they have specific assigned professional responsibilities. The assignment of such responsibilities shall be based on the needs of the University as determined by the President or his/her designee in consultation with the ADMINISTRATIVE FACULTY MEMBERS.

2. The President shall make appropriate workload reduction for those ADMINISTRATIVE FACULTY MEMBERS who are assigned to teach a course in accordance with Article 7, PERFORMANCE OF BARGAINING UNIT WORK. ADMINISTRATIVE FACULTY MEMBERS may also be assigned overload pursuant to Section C. of this Article and Article 25, OVERLOAD, Section A., for teaching courses outside of their regularly scheduled work day.

3. ADMINISTRATIVE FACULTY MEMBERS in this unit shall not be subject to any workload or overtime compensation provisions contained in this Agreement, except as provided in the last sentence of Section B.2. above.

C. Mixed Workloads

The workload for FACULTY who perform mixed work assignments shall be calculated on a proportional basis, using the appropriate workload definitions for the type of work performed. Any workload equivalents granted in this Agreement will be equated to workload hours for load purposes.

D. Coaching and Athletic Administration

1. The minimum workload equivalents to be granted for coaching intercollegiate sports and athletic administration are listed below as total workload hours for the academic year. These workload hours may be assigned in any proportions during the academic year.

	Minimum Workload Hours For Academic Year

Director of Intramurals	6
Director of Equal Opportunity in Sports	6
Trainer	
Licensed Head Athletic Trainer	12

junior varsity status and whose teams engage in competition with similar teams at other institutions.

3. As of fall 1985, the existing workload equivalents of the Athletic Director and the Assistant/Associate Director(s) of Athletics at the various UNIVERSITIES shall be considered minimums, but the President or his/her designee at each University shall have the right to increase these workload equivalents pursuant to Section I of this Article.

4. Should the President or his/her designee decide, based on comparability of sport, and/or based on the existence of an inequitable opportunity for participation in the intercollegiate sport program, as defined by the Title IX Implementing Regulations, that there is a need for an assistant coach in any intercollegiate sport sponsored by the University, he/she shall assign an Assistant Coach to the sport and the Assistant Coach shall receive a workload equivalent of at least three (3) workload hours, which may be assigned in any proportions during the academic year.

E. Directing Music Activities

In developing a plan for granting workload equivalents for directing music activities, a distinction is to be made between a music school in which a given activity is part of the regular instructional program in the music curriculum, and a non-music school in which the activity is actually extracurricular or outside the curriculum.

1. If the activity is recognized as part of the regular curriculum, the director shall be granted workload equivalents under the plan adopted for determining teaching workloads for classroom or laboratory instruction.

2. If a music activity is actually extracurricular, the following workload equivalents shall be granted:

	Minimum Yearly Allowance	Minimum Per Contact Hour For Average Weekly Assignment
Band - Concert or Marching	25%	6 1/4%
Assistant Band Director	12 1/2%	3 1/8%
Orchestra	25%	6 1/4%

Director (Advisor) of Student Newspaper	25%	6 1/4%
Advisor to Other Student Publications	12 1/2%	3 1/8%

G. With respect to Sections E.2. and F. above, the President or his/her designee shall determine the amount of time to be spent on the activity by the FACULTY MEMBER each week, and the FACULTY MEMBER shall have the right to choose between the workload equivalent alternatives.

H. Instead of offering a workload equivalent to the FACULTY MEMBER for any of the above, the President or his/her designee shall have the right, in consultation with the FACULTY MEMBER and APSCUF, to assign the work on an overload basis.

I. The President or his/her designee shall have the right to increase, in writing, the workload equivalents listed in Sections D., E., and F. of this Article. These increases shall be presented for informational purposes at local meet and discuss.

J. Workload equivalents not identified in the Collective Bargaining Agreement may be granted, in writing, by the President of the University or his/her designee and shall be presented for informational purposes at local meet and discuss. Such workload equivalents will be equated to workload hours for load purposes. The acceptance of such assignments shall be voluntary.

K. Calendar

If a calendar system other than the two (2) academic term systems of fifteen (15) teaching weeks each is established by appropriate means during the term of this Agreement, a mathematical equivalent shall be established for the above workload requirement.

L. 1. The State President and the Vice-President of APSCUF shall each receive up to a 100% workload reduction. APSCUF shall reimburse the STATE SYSTEM/UNIVERSITIES for all salary, benefits and related costs arising from this arrangement.

2. The local President of APSCUF shall receive a minimum of a 25% workload equivalency per semester. Existing workload equivalencies in excess of 25% shall not be reduced under this contract.

M. The parties shall Meet and Discuss during the term of this Agreement at the state level aspects of this Article that are of mutual interest.

Article 24

SUMMER EMPLOYMENT

A. Summer contracts shall be offered no later than May 1. A summer contract may be either a firm contract or a contingency contract at the discretion of the President.

If a firm contract is offered by May 1 and accepted by the FACULTY MEMBER by May 15, it shall be mutually binding.

If a contingency contract is offered by May 1 and accepted by the FACULTY MEMBER by May 15, the following conditions shall apply:

1. The University may cancel the contract at any time before the second class meeting if the number of students is insufficient to cover the direct and indirect costs to the University.

2. The FACULTY MEMBER may cancel the contract if the FACULTY MEMBER provides notice to the University three (3) weeks before the course is scheduled to begin.

B. Subject to the approval of the President or his/her designee, summer assignments shall be made by the chairpersons of the departments, giving prior consideration to members of the department who have the qualifications and experience to do the work planned.

C. The amount of compensation for teaching summer school courses shall be paid based upon the following:

1. Effective with the 2014 summer sessions, compensation for summer employment shall be paid at the rate of 55% of one-twenty-fourth (1/24) of the regular full-time salary for each workload hour, based upon the salary schedule in effect during the preceding academic year (see Appendices F, G and H), excluding any chairperson stipend, applied to the FACULTY MEMBER'S current rank and step. If FACULTY MEMBERS advance in rank and step, summer compensation shall be adjusted accordingly.

2. Workload hours for summer employment shall be calculated in the same manner as during the academic year. For example, each contact hour in chemistry, biology, physics, allied health science, and earth science assigned one (1) workload hour during the academic year shall also be assigned one (1) workload hour during the summer, if the course is taught during the summer.

D. The parties shall agree to a schedule for the payment of summer employment at State Meet and Discuss no later than March 1. The payment schedule so agreed to shall remain in effect unless changed by mutual consent at State Meet and Discuss.

The prior approval of the FACULTY MEMBER and the department chairperson must be obtained for a fourth preparation if the total load exceeds the stipulated maximum and for any preparations in excess of four (4).

C. A FACULTY MEMBER shall be entitled to both preparation overload compensation and workload hour overload compensation during the same academic year, if both his/her workload hours and preparations have exceeded the maximums identified in this Agreement. If the FACULTY MEMBER'S preparation overload and workload hour overload are both earned from the same course in the same academic semester, the FACULTY MEMBER will receive his/her workload hour overload compensation for the academic year or his/her preparation hour overload compensation for the academic year, whichever is greater.

D. Student Teacher Supervisor Overload

1. Overload for student teacher supervisors shall be paid at the rate of one-fortieth (1/40) of the academic year's salary for each student teacher assigned to the supervisor in excess of forty (40) in an academic year or twenty (20) in any term of an academic year.

1. The STATE SYSTEM/UNIVERSITIES agree to deduct in bi-weekly installments the regular annual dues of APSCUF from the pay of those FACULTY who individually request in writing that such deductions be made. The amount(s) to be deducted shall be certified in writing by APSCUF to the STATE SYSTEM/UNIVERSITIES and the aggregate deductions from all FACULTY MEMBERS shall be remitted monthly to APSCUF, together with an itemized statement containing the names of the FACULTY MEMBERS from whom the deductions have been made and the amount so deducted from each one. The aforesaid remittance shall be made by the last day of the month following the month in which such deductions have been made. Each FACULTY MEMBER'S written authorization shall be irrevocable for the term of this Agreement but may be revoked at the expiration thereof, as provided in Section A. above.

2. The STATE SYSTEM/UNIVERSITIES and APSCUF hereby agree that all non-members of APSCUF shall be subject to a fair share fee as provided for in Act 84 of 1988

(S.B. 291) and any amendments thereto.

3. The STATE SYSTEM/UNIVERSITIES further agree to deduct a fair share fee bi-weekly from all FACULTY MEMBER(S) in the bargaining unit who are not members of APSCUF.

Authorization from non-members to deduct fair share fees shall not be required. The amounts to be deducted shall be certified to the STATE SYSTEM/UNIVERSITIES by APSCUF, and the aggregate deductions of all employees shall be remitted together with an itemized statement to APSCUF by the last day of the month following the month in which such deductions have been made.

4. The STATE SYSTEM/UNIVERSITIES shall provide APSCUF, on a quarterly basis, a list of all employees in the bargaining unit represented by APSCUF. This list shall contain the employee's name, social security number, address, University and whether the employee is a member or non-member.

5. APSCUF shall indemnify and hold the STATE SYSTEM/UNIVERSITIES harmless against any and all claims, suits, orders, or judgments brought or issued against the STATE SYSTEM/UNIVERSITIES as a result of the action taken or not taken by the STATE SYSTEM/UNIVERSITIES under the provisions of this Article.

Article 29

RETRENCHMENT

A. 1. a. Notice of the possibility of retrenchment due to changes in finances will be sent electronically by the respective PASSHE University to the local APSCUF Chapter President with a copy to the State APSCUF President no later than August 1 for any retrenchment(s) that may occur effective at the end of the subsequent academic year.

b. Notice of the possibility of retrenchment due to program curtailment, elimination of courses, or the elimination of duties or services provided by FACULTY whose basic responsibilities lie outside the classroom will be sent electronically by the respective PASSHE University to the local APSCUF Chapter President with a copy to the State APSCUF President no later than April 1 for any retrenchment(s) that may occur effective at the end of the subsequent academic year.

2. The STATE SYSTEM/UNIVERSITIES shall meet and discuss with APSCUF or its designee regarding changes in finances, program curtailment, elimination of courses, or the elimination of duties or services provided by FACULTY whose basic responsibilities lie outside the classroom, which may lead to retrenchment, and thereby impact wages, hours and terms and conditions of employment, as required by Section 702 of Act 195. In connection with such duty to meet and discuss, accurate information, statistics or financial data related to any such proposed change shall be made available to both State and Local APSCUF as well as to the affected University and the STATE SYSTEM, so that all parties are prepared to engage in a discussion of the relevant issues. This shall not be construed to require the STATE SYSTEM/UNIVERSITIES to compile such material in the form requested which is not already compiled in that form, unless

mutually agreeable.

3. Retrenchment shall not be used to evade the disciplinary provisions of this Agreement.

B. Retrenchment because of changes in finances, program curtailment, elimination of courses or the elimination of duties or services provided by FACULTY whose basic responsibilities lie outside the classroom shall be applied as hereinafter set forth.

1. If and when retrenchment is to occur, the STATE SYSTEM/UNIVERSITIES shall, to the extent practicable, make plans to permit the process of attrition to be utilized to effect the required reduction of FACULTY.

2. When in the opinion of the STATE SYSTEM/UNIVERSITIES retrenchment becomes necessary and it cannot be accomplished totally by attrition, APSCUF and the affected FACULTY MEMBERS shall be notified prior to implementation, in accordance with the schedule set forth in Section F. of this Article, and retrenchment shall be made as circumstances require, provided that the following order shall be utilized to the extent feasible in the department where retrenchment is occurring.

- a. temporary, part-time
- b. temporary, full-time
- c. regular, part-time
- d. regular, full-time

C. 1. With respect to the application of Section B.2. above, retrenchment shall be made in inverse order of length of service from the most recent date of employment at the University ("seniority"), within a department, provided the remaining ACADEMIC FACULTY MEMBERS have the necessary qualifications to teach the remaining courses or perform the remaining duties. ACADEMIC FACULTY MEMBERS shall be responsible for keeping their Academic Dean informed of all their qualifications.

2. With respect to the application of Section B.2. above, retrenchment shall be made within the affected administrative unit in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS have the necessary qualifications to perform the remaining duties. ADMINISTRATIVE FACULTY MEMBERS shall be responsible for keeping their appropriate management supervisor informed of all their qualifications.

D. 1. Before retrenching an ACADEMIC FACULTY MEMBER, the University shall make a reasonable effort to place him/her in another position within the APSCUF bargaining units. When an ACADEMIC FACULTY MEMBER has been a member of more than one (1) department and he/she is retrenched from his/her current department, he/she shall have the right to return to a previous department as follows:

- a. If he/she left the previous department less than five (5) years prior to his/her retrenchment from his/her current department, he/she shall have the right to return, if qualified; and

b. If he/she left five (5) or more years prior to his/her retrenchment, he/she shall have a right to return, if qualified, but only with the approval of the department or the President.

2. Before retrenching an ADMINISTRATIVE FACULTY MEMBER, the University shall make a reasonable effort to place him/her in another position within the APSCUF bargaining units. When an ADMINISTRATIVE FACULTY MEMBER has occupied a position in more than one administrative unit, he/she shall have the right to return to a previous administrative unit and displace an ADMINISTRATIVE FACULTY MEMBER with less seniority.

3. A FACULTY MEMBER who has received a letter of retrenchment shall have the opportunity to apply for vacancies with the same hiring rights as stated in the preferential hiring rights and preferred rehiring provisions of Sections G. and J. of this Article.

E. The FACULTY MEMBERS in the department, program or administrative unit where retrenchment notices have been issued shall be given the opportunity to reach voluntary agreement among themselves as to the order of retrenchment, if the FACULTY MEMBERS who remain in the department, program or administrative unit have the qualifications to teach the remaining courses or perform the remaining duties. Where such voluntary agreements are made, the date of the original notice of retrenchment to the FACULTY MEMBERS in the department, program or administrative unit shall be considered the date of notice to the FACULTY MEMBER who has voluntarily agreed to be retrenched. The opportunity to reach voluntary agreement shall end sixty (60) days after notice is given. Those who are retrenched by voluntary agreement in accordance with the foregoing shall have the same rights as if involuntarily retrenched.

F. 1. The FACULTY MEMBERS to be retrenched shall be given notice in accordance with the following:

a. First-year probationary non-tenured FACULTY MEMBER – sent by certified mail or hand delivered on or before March 1;

b. Second-year probationary non-tenured FACULTY MEMBER – sent by certified mail or hand delivered on or before December 15;

c. Probationary non-tenured FACULTY MEMBERS beyond the second year – sent by certified mail or hand delivered on or before December 1;

d. Tenured FACULTY MEMBERS – sent by certified mail or hand delivered on or before October 30.

A retrenchment shall not be considered a non-renewal and a FACULTY MEMBER so retrenched shall not be permitted to grieve that action as if it were a non-renewal. If a FACULTY MEMBER had been scheduled for a sabbatical leave, he/she shall not be deprived of his/her sabbatical leave because he/she is subject to being retrenched.

2. A retrenched FACULTY MEMBER shall be entitled to such unemployment compensation benefits as authorized by law.

- G. 1. A FACULTY MEMBER retrenched from his/her University shall within a period of time equal to his/her length of service at that University, or three (3) years from his/her date of retrenchment ("furlough period"), whichever is less, be given preference with respect to a FACULTY vacancy which is covered by this Collective Bargaining Agreement for which he/she applies at another University, if deemed qualified by the receiving department. His/her name then shall be forwarded to the President of the receiving University who shall consider whether or not he/she is qualified. If the President of the receiving University determines such FACULTY MEMBER to be qualified, he/she shall be appointed. The FACULTY MEMBER shall be considered for appointment by the President of the receiving University before, and independent of, all other applicants; provided, however, that where there are FACULTY MEMBERS on a preferred rehiring list at the receiving University, the rehiring rights of those FACULTY MEMBERS shall take priority over the preferential hiring rights of retrenched FACULTY MEMBERS from another University. Notice concerning vacancies at a particular University shall be posted at that University and a copy of such notice shall be sent by electronic mail to APSCUF headquarters in Harrisburg, to the Office of the Chancellor, and to each retrenched FACULTY MEMBER. Retrenched FACULTY MEMBERS must indicate their interest in any such vacancy for which they feel they are qualified by sending a letter of application, together with other appropriate documentation, to the President of the University where the vacancy exists within thirty (30) calendar days after the date the notice of the vacancy is posted (referred to in this subsection as the "Notice Period"); provided that, if there are fewer than ten (10) days between the date when the FACULTY MEMBER first receives his or her notice of retrenchment in the academic year, pursuant to Section F.1. of this Article, and the end of the Notice Period, the Notice Period shall be extended for ten (10) additional days for any faculty member receiving a retrenchment notice within the extended notice period. Under no circumstances shall the Notice Period extend beyond 40 days from the original date of the posting. If more than one (1) retrenched FACULTY MEMBER applies to fill a vacancy at another University during this Notice Period, they shall be given the preferential consideration specified above, in order of seniority; provided, however, that the process of considering all such retrenchee applicants shall not exceed thirty (30) calendar days from the end of the Notice Period. Letters of application which are received after the end of the Notice Period shall receive no preferential rights with respect to the vacancy but shall be considered along with and in the same fashion as all other applicants for the vacancy.

Preferential hiring rights at another University do not extend to: (a) temporary part-time faculty vacancies that are less than fifty percent (50%) (6 workload hours per semester) of a regular full-time equivalent (FTE); (b) summer employment; or (c) winter session. A retrenched FACULTY MEMBER shall have preferred rehiring rights to such positions at the University from which the FACULTY MEMBER was retrenched.

A retrenched FACULTY MEMBER appointed at another University in accordance with the foregoing shall be appointed at any step of his or her rank at the time of retrenchment or at any step of the rank immediately below; however, retrenched FACULTY MEMBERS appointed to positions funded with grant monies may be

appointed at the rank stated in the notice of vacancy at whatever step the President deems appropriate.

2. When a retrenched FACULTY MEMBER applies for consideration for a vacancy at another University in accordance with Section G.1. above, the normal search and screen process shall not apply to retrenched applicants.

H. Any retrenched FACULTY MEMBER who receives an appointment at another University shall have seniority at that other University beginning with the date of that appointment. Retrenched FACULTY preferentially hired on or after July 1, 1985 shall have seniority over all other new hires with the same date of appointment. If appointed within his/her furlough period, he/she shall retain accumulated sick leave and sabbatical leave credits and he/she shall not be considered a new employee for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement. If at the time of retrenchment, he/she had been a participant in the State Employees' Retirement Plan and thereafter withdrew his/her contributions, he/she shall have the right to repurchase his/her past service in accordance with the State Employees' Retirement Board regulations.

I. 1. A retrenched FACULTY MEMBER who receives an appointment at another University within his/her furlough period shall, if he/she did not have tenure at the University from which he/she was retrenched, be required to comply fully with the provisions of Article 15, TENURE, at the receiving University as a new FACULTY MEMBER. If he/she had tenure at the University from which he/she was retrenched, then he/she will be granted tenure at the receiving University.

2. A retrenched tenured FACULTY MEMBER who receives an appointment at another University within his/her furlough period will be evaluated, irrespective of his/her evaluation cycle at the University from which retrenched, in his/her third year of employment at the receiving University and thereafter will be evaluated pursuant to Article 12, PERFORMANCE REVIEW AND EVALUATION.

Example: Retrenched FACULTY MEMBER who has been granted tenure by the University from which retrenched is appointed with tenure at the receiving University effective fall 2015. This FACULTY MEMBER will be evaluated in accordance with Article 12 during academic year 2017-2018. The next fifth year evaluation will be conducted in academic year 2022-2023.

J. A FACULTY MEMBER who receives a notice of retrenchment from a University shall be placed on a preferred rehiring list. Each University shall have a separate rehiring list. The least senior FACULTY MEMBER shall be the first name placed on such list. He/she shall be retained on the preferred rehiring list for a period equal to his/her furlough period. Upon separation from the University, the STATE SYSTEM shall provide reimbursement of COBRA premiums paid by a retrenched FACULTY MEMBER for the Faculty Health & Welfare Plan and the State System Group Health Plan, less the applicable active employee premium contribution, for a period of six (6) months or until permanent employment begins, whichever comes first. In addition, the STATE SYSTEM shall continue group life insurance coverage for a retrenched FACULTY MEMBER for a period of six (6) months or until permanent employment begins, whichever comes first, if the group life insurance vendor agrees to make this coverage available for retrenched FACULTY MEMBERS at group rates; if the group life insurance

vendor does not agree to this extension of coverage, the STATE SYSTEM shall not be required to provide this additional benefit to retrenched FACULTY MEMBERS. At the University where retrenchment is occurring, no new FACULTY MEMBER will be hired to fill a vacancy for which a retrenched FACULTY MEMBER on the preferred rehiring list is qualified, as determined by the President of the University in his/her sole discretion, unless the vacancy first is offered in writing to all such qualified FACULTY MEMBERS on that list, for recall in reverse order of placement. Such offer (which shall be made by registered mail to the last known address of the FACULTY MEMBER and to APSCUF) to qualified FACULTY MEMBERS shall remain open for a period of fifteen (15) calendar days. During the period that a FACULTY MEMBER is on a preferred rehiring list, he/she shall keep the University from which he/she was retrenched and the Chancellor informed of any permanent or temporary change in his/her address. In the event a FACULTY MEMBER rejects in writing an offered position in accordance with the foregoing, or in the event he/she does not respond in writing within said fifteen (15) calendar day period, his/her name shall be passed over, but he/she shall remain on the preferred rehiring list. If a FACULTY MEMBER either rejects in writing two (2) offered full-time positions of one (1) year or more or fails to respond in writing within the above stated time limits to two (2) offered full-time positions of one (1) year or more, his/her name shall be removed from the preferred rehiring list and all preference rights under this Article shall cease. Part-time FACULTY MEMBERS shall have recall rights only with respect to part-time positions but shall be considered for full-time positions in accordance with Article 11, APPOINTMENT OF FACULTY.

K. In the event a FACULTY MEMBER is recalled in accordance with the provisions of Section J. above, he/she shall receive the same rank and step which he/she had when he/she was retrenched. In addition, he/she shall retain all sick leave accumulations, credits for tenure or tenure status and credits for sabbatical leave, and shall be entitled to repurchase past service credits for retirement in accordance with COMMONWEALTH regulations. Furthermore, he/she shall not be considered a new employee for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement.

L. If a program at one (1) University is moved to another University, whether or not a similar program existed at that other University, FACULTY MEMBERS who receive appointments at the other University with respect to that program will be considered as having been transferred and not retrenched. As such, the FACULTY MEMBERS affected shall be entitled to all rights and privileges of transferred employees, including transportation and moving expenses, subject to STATE SYSTEM/UNIVERSITIES rules and regulations pertaining thereto. Such transferred employees shall not be reduced in rank or step.

M. The University shall, on or before November 1 of each year, provide the local APSCUF President and state level APSCUF with a seniority list for each University. In addition, a copy of such list shall be sent to the department chairperson for posting in each department. All such lists shall reflect each FACULTY MEMBER'S most recent date of appointment at the University (first day on the payroll) and within his/her current department.

Positions on such list shall be considered final unless a question is raised with respect thereto by an individual FACULTY MEMBER within a period of sixty (60) days from the date of delivery of the list to APSCUF. The seniority list shall be compiled according to the seniority agreement between the STATE SYSTEM and APSCUF.

- N. 1. Nothing contained within this Article shall be construed as requiring a University to retain more **ACADEMIC FACULTY MEMBERS** in a department or program or more **ADMINISTRATIVE FACULTY MEMBERS** in an administrative department or unit than the President deems to be needed in that department or unit.
2. Nothing contained in this Article shall prohibit **ADMINISTRATIVE FACULTY MEMBERS** from assuming full-time teaching positions in accordance with Article 7, **PERFORMANCE OF BARGAINING UNIT WORK**, of this Agreement.
- O. All preference rights under this Article shall cease upon acceptance by a **FACULTY MEMBER** of a regular full-time position under the provisions of Sections D. or G. or J. of this Article.
- P. The parties shall meet and discuss during the term of the Agreement aspects of this Article that are of mutual interest.
- Q. The parties agree that any grievances relating to retrenchment issues will be handled in an expeditious fashion in the steps of the grievance procedure. The parties also agree that if APSCUF requests that any such grievances be submitted to arbitration, the parties will make a good faith effort to schedule the arbitration hearings during the academic year in which the notices of retrenchment are issued.
- R. If an arbitrator should find that the meet and discuss requirements of this Article have been violated by management, the arbitrator's remedy shall be limited to ordering additional meet and discuss between the parties, and the arbitrator may not insert himself/herself into that process. If an arbitrator should find that a **FACULTY MEMBER** was improperly retrenched, the arbitrator's remedy shall be limited to determining whether or not reinstatement is appropriate and whether or not full or partial back pay, seniority and fringe benefits should be awarded.

Article 30

HEALTH AND WELFARE

- A. A jointly-administered Health and Welfare Fund has been established under the provisions of an Agreement and Declaration of Trust executed by and between APSCUF and the **STATE SYSTEM/UNIVERSITIES**. This Health and Welfare Fund shall conform to all existing and future federal and Commonwealth statutes and regulations controlling such Health and Welfare Funds. Said Agreement and Declaration of Trust provides and shall continue to provide equal representation on the Board of Trustees by and between APSCUF and the **STATE SYSTEM/UNIVERSITIES**.
- B. The Board of Trustees of the Health and Welfare Fund shall determine at their discretion and in accordance with the terms of this Agreement and the terms of the Agreement and Declaration of Trust, health and welfare benefits which may be extended by the Health and Welfare Fund to **FACULTY MEMBERS**, their spouse/domestic partner, and their dependents.
- C. 1. For the term of this agreement, the **STATE SYSTEM** shall pay an annual amount to the Health and Welfare Fund of \$1,125.74 for each full-time **FACULTY MEMBER** in an active pay status. The **STATE SYSTEM** shall remit its contributions, together with an

itemized statement, to the Health and Welfare Fund on a biweekly basis during the 20 pay periods in which the faculty salaries are paid.

2. The biweekly contribution rate shall be \$56.287 for each full-time FACULTY MEMBER in active pay status. The rate for part-time FACULTY MEMBERS shall be proportionate to the percent of the regular workload assigned to the FACULTY MEMBER. For example, the rate for a FACULTY MEMBER employed half-time shall be one-half of the rate for a full-time FACULTY MEMBER.

3. Beginning with the first full pay period for the academic year, the STATE SYSTEM shall determine the number of full-time FACULTY MEMBERS in active pay status during that pay period and contribute \$56.287 for each full-time FACULTY MEMBER. The STATE SYSTEM also shall make contributions for all faculty wage hours reported for the pay period at the rate of \$.750 per hour.

4. The STATE SYSTEM shall remit biweekly contributions to the Health and Welfare Fund within fourteen (14) days of the last day of the pay period for which contributions were calculated.

5. For purposes of this Agreement, FACULTY MEMBERS in “active pay status” shall include the following:

- a. FACULTY MEMBERS who receive a full or partial paycheck for the pay period.
- b. FACULTY MEMBERS who are on leave without pay with benefits.
- c. FACULTY MEMBERS who are on leave without pay without benefits for a period of one full pay period or less.

6. The procedures provided for in number 1 through 5 above shall be utilized to calculate and remit contributions on behalf of FACULTY MEMBERS eligible under Section D. below.

- D.
1. Contributions on behalf of part-time FACULTY MEMBERS shall be made on a proportionate basis with the calculations based on the workload provisions of Article 23, WORKLOAD AND WORKLOAD EQUIVALENTS.
 2. Full contributions will be made for all FACULTY MEMBERS on full or partial educational leaves without pay.
 3. Full contributions will be made for all FACULTY MEMBERS on leaves without pay due to sickness, parental or family care leave that are also eligible for benefits under the SSHEGHP pursuant to Article 21 A.8.
 4. Full contributions will be made for all retrenched FACULTY MEMBERS who are eligible for benefits pursuant to Article 29 J.

5. Full contributions will be made for all terminated FACULTY MEMBERS who are eligible for any type of benefit from the STATE SYSTEM pursuant to Article 15 G.

E. 1. Contributions made by the Employer to the Health and Welfare Fund as indicated in Sections C. and D. above shall not be used for any purpose other than to provide health and welfare benefits in accordance with the terms of this Collective Bargaining Agreement and the Agreement and Declaration of Trust and to pay the operating and administrative expenses of the Fund.

2. All benefits extended by this Health and Welfare Fund must be designed to be excludable from the "regular rate" definition of the Fair Labor Standards Act.

3. No dispute over a claim for any benefits extended by this Health and Welfare Fund shall be grievable or in any fashion subject to any grievance and arbitration procedure established in any collective bargaining agreement between the STATE SYSTEM/UNIVERSITIES and APSCUF.

F. It is expressly agreed and understood that the STATE SYSTEM/UNIVERSITIES do not accept, nor are they in any manner to be charged with hereby, any responsibility connected with the determination of benefits for, nor with any liability to, any FACULTY MEMBER claiming under any of the benefits extended by the Health and Welfare Fund. It is expressly agreed that the liability of the STATE SYSTEM/UNIVERSITIES in any and every event with respect to benefits extended by the Health and Welfare Fund shall be limited to the contributions indicated under Sections C. and D. above.

1. There shall be a curriculum committee at each University, which shall be selected as determined by the FACULTY, but which may include at least one (1) administrator if designated by the President. Each campus shall establish processes and procedures for recommending curricular action (including but not limited to guidelines on program review, program and course initiation, class size, and similar recommendations), which shall be developed and approved at local meet and discuss. Said processes and procedures will be reviewed by State Meet and Discuss to insure each university is in compliance with this provision. Current curriculum committee agreements/curricular procedures or policies shall remain in effect unless renegotiated consistent with this Section. Nothing in this Section shall be interpreted as invalidating or limiting any existing or future local curriculum committee agreement, with regard to matters not specifically addressed herein. Local APSCUF Chapters and Universities retain the authority to establish by local agreement the procedures and authority of the curriculum committee, so long as the agreement does not violate a specific provision of this Section.

2. Recommendations of the curriculum committee shall be transmitted to the President or his/her designee for approval or disapproval. The President or his/her designee shall respond within 30 days. The President's or designee's disapproval of a curriculum committee recommendation will be accompanied by a written explanation to the curriculum committee chair of the reasons for the President's or designee's disapproval. F. Past Practice

Rules, regulations, policies or practices relating to wages, hours and terms and conditions of employment now existing and not in conflict with this Agreement shall remain in effect unless modified, amended or eliminated in the same manner as they had been adopted. The provisions of this section of this Article shall be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only with respect to whether the procedure used to modify, amend or eliminate the rules, regulations, policies or practices was the same as was used to establish the rules, regulations, policies or practices.

G. Academic Advising and Student Scheduling

1. The parties recognize that academic advising is a role of the faculty, and that no change in the involvement of faculty in academic advising is intended by this statement.

2. The parties also recognize that it is appropriate for the UNIVERSITIES to assign to other personnel (who may not be a member of the bargaining unit) the following tasks in cooperation with the faculty advisor of record and the department chairperson:

A FACULTY MEMBER who is authorized by the STATE SYSTEM/UNIVERSITIES to travel on official business shall be paid for expenses actually incurred in accordance with the STATE SYSTEM'S Travel and Subsistence Allowance Regulations. Allowances under these Regulations shall not be reduced during the term of this Agreement, except that the mileage allowance shall be the General Services Administration rate. If the General Services Administration of the Federal Government increases or decreases the mileage allowance for employees under its jurisdiction, the mileage allowance for FACULTY MEMBERS will be increased or decreased on the effective date of the General Services Administration change. If a FACULTY MEMBER wishes to use his/her own vehicle, and is authorized to travel, he/she shall be reimbursed pursuant to these Regulations.

Every reasonable effort will be made to process travel expenses promptly.

Travel expenses incurred by FACULTY MEMBERS when traveling or attending "Meet and Discuss" or other APSCUF related matters shall not be reimbursed by the STATE SYSTEM/UNIVERSITIES.

Article 33

AGREEMENT AGAINST STRIKES AND LOCK-OUTS

A. During the term of this Agreement there shall be no strike, as that term is defined in the Public Employee Relations Act, by any FACULTY MEMBER. It is also understood that no officer, representative or official of APSCUF shall in any fashion authorize, assist or encourage any such strike during the term of this Agreement.

B. Neither the STATE SYSTEM nor the UNIVERSITIES shall lock-out any FACULTY MEMBER(S) during the term of this Agreement.

C. Should a strike occur during the term of this Agreement, APSCUF shall, within twenty-four (24) hours of the start of such strike or at the request of the STATE SYSTEM/UNIVERSITIES:

1. Publicly disavow the strike action by the FACULTY MEMBERS in all available communications media;

2. Advise the STATE SYSTEM/UNIVERSITIES in writing that such FACULTY MEMBERS' action has not been authorized or sanctioned by APSCUF;

3. Advise FACULTY MEMBERS at the UNIVERSITIES where the strike is taking place that it has not sanctioned and has disapproved of the strike action; and APSCUF shall instruct the FACULTY MEMBERS to return to work immediately.

D. The STATE SYSTEM/UNIVERSITIES reserve the right in their sole discretion to discipline, suspend or discharge any FACULTY MEMBER(S) who violate the provisions of Section A. of this Article.

E. Compliance with the foregoing provisions of this Article shall be deemed full compliance with APSCUF's obligations under this Article. APSCUF shall have no other obligations or liabilities to the STATE SYSTEM/UNIVERSITIES under this Article.

Article 34

INTER-UNIVERSITY TRANSFERS

A. Among other purposes, it is the intent of this Article to assist in alleviating potential staffing problems at the UNIVERSITIES by providing for the voluntary transfer of FACULTY MEMBERS among the UNIVERSITIES. It is specifically understood that the provisions of this Article are intended to deal solely with inter-University transfers and that they do not convey any other powers to the STATE SYSTEM/UNIVERSITIES that it does not already have. The terms of this Article shall not apply to a FACULTY MEMBER who has been retrenched from his/her University. When a FACULTY MEMBER has been retrenched, the provisions of Article 29, RETRENCHMENT, shall apply.

B. 1. When the Chancellor becomes aware of the possible need for transfers, he/she shall take appropriate steps to determine the availability of vacant FACULTY positions within the STATE SYSTEM that might be filled through the transfer of FACULTY MEMBERS and shall notify all UNIVERSITIES within the STATE SYSTEM of the existence of such vacancies and of the qualifications required of candidates for the positions.

2. The Presidents of the UNIVERSITIES shall take steps, in accordance with Sections B.3., B.4. and C. below, to provide the Chancellor with the names and qualifications of FACULTY MEMBERS who could be considered for transfer if the

President of a University determines that there may be a need to alleviate staffing problems.

3. The President of a University from which transfers are contemplated shall, after notifying the Chancellor in accordance with Section B.2. above, request the department, program or administrative unit from which transfers are contemplated to provide written recommendations to the President regarding the effect of transfers on the quality and extent of existing programs. These recommendations shall be provided to the President within fourteen (14) calendar days of the request.

4. The President, taking into account the recommendations made in accordance with Section B.3. above, shall then determine, as provided in Section C. below, the number of FACULTY MEMBERS who could be transferred from a department, program or administrative unit and shall forward the names and qualifications to the Chancellor with the request that they be considered for transfer to other UNIVERSITIES.

5. Upon receipt of the names and qualifications as provided in Section B.4. above, the Chancellor shall make a reasonable effort to transfer the FACULTY MEMBER(S) to an available position at another University in accordance with Section C. below.

C. 1. With respect to the application of Sections B.3. and B.4. above, to ACADEMIC FACULTY, consideration for transfers shall be by program or department, in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided that the remaining ACADEMIC FACULTY MEMBER(S) in the department or program have the necessary qualifications in the opinion of the President to teach the remaining courses or perform the remaining duties. It is understood by the parties that such University-wide seniority is to be applied within the affected program or department in order to determine which FACULTY MEMBER(S) within the program or department is (are) to be considered for transfer.

2. With respect to the application of Sections B.3. and B.4. above, to ADMINISTRATIVE FACULTY, consideration for transfer shall be by program, department or affected administrative unit in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS in the department, program or administrative unit have the necessary qualifications in the opinion of the President to perform the remaining duties. It is understood by the parties that such University-wide seniority is to be applied within the program, department or administrative unit in order to determine which ADMINISTRATIVE FACULTY MEMBER(S) within the program, department or administrative unit is (are) to be considered for transfer.

3. The transfer of the FACULTY MEMBER(S) shall be made by department, program or administrative unit in order of length of service from the most recent date of employment at the University ("seniority"), so long as the FACULTY MEMBER with the greatest seniority who is available for transfer has the necessary qualifications to perform the duties of the available position at the receiving University. The decision as to whether the FACULTY MEMBER(S) being considered for transfer has (have) the necessary qualifications to perform the duties of the available position at the receiving University shall be made by the President of the receiving University. If the most senior

of those FACULTY MEMBERS being considered for transfer from the department, program or administrative unit does not have the necessary qualifications to perform the duties of the available position, the next most senior FACULTY MEMBER being considered for transfer who has the necessary qualifications will be transferred.

D. The President of the receiving University may make the appointment at any step within the rank held by the transferred FACULTY MEMBER which the President deems appropriate.

E. The following procedure shall be utilized in the transfer process for FACULTY MEMBERS:

1. When a FACULTY MEMBER is transferred, the regular full-time FACULTY MEMBERS of the receiving University department shall have the right to determine by a simple majority vote the acceptability of the FACULTY MEMBER being transferred. Such vote shall be taken in accordance with the accepted voting practice or procedure of the affected department unless it is in conflict with this Agreement, in which case the procedure shall be revised to conform with this Agreement.

2. The initial vote on acceptability by the receiving department shall be held before the end of the semester immediately prior to the semester in which the transfer is to be effective. This vote shall be held and the results determined in sufficient time to allow the President of the receiving University to notify the FACULTY MEMBER being considered for transfer of the results of that vote at least forty-five (45) days before the end of the semester in which the vote is taken. The FACULTY MEMBER being considered for transfer shall notify the Presidents of both the current University and the receiving University of his/her acceptance or rejection of the transfer within ten (10) days of the receipt of the results of the vote or at least thirty-five (35) days before the end of the semester in which the vote is taken, whichever comes first. A reasonable effort shall be made to insure that the FACULTY MEMBER is given the full ten (10) days in which to make his/her decision to accept or reject transfer. Failure by the FACULTY MEMBER to notify the Presidents of the Universities involved of his/her decision on acceptance or rejection by the end of the ten (10) day period shall be considered a rejection of transfer. The time limits of this subsection may in individual cases be modified by mutual agreement, in writing, of the parties to this Agreement. The acceptance of a transfer by a FACULTY MEMBER shall be final and binding and shall preclude any right of return to the former University by that transferred FACULTY MEMBER.

3. The department of the receiving University shall have the following options in considering and voting on the acceptance of the FACULTY MEMBER proposed for transfer into the department:

a. The department can approve the transfer of the FACULTY MEMBER into its department. Upon such approval and acceptance of the transfer by the FACULTY MEMBER under consideration, the transferred FACULTY MEMBER shall be received into the department and University. If the FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University and he/she shall receive University-wide seniority credit at the receiving University of three (3) years or, where the President and the

receiving department agree, additional University-wide seniority may be granted, up to the full amount accrued at the former University. A probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure but shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University. Sabbatical leaves shall be granted, and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement; or

b. The department may provisionally approve the transfer of the FACULTY MEMBER into its department. Transfers, which have been given provisional approval by the department, shall be for an interim period of one academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to fully accept the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving University shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving University after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year: A tenured FACULTY MEMBER shall receive University-wide seniority credit of three (3) years at the receiving University or, where the President and the receiving department agree, additional University-wide seniority may be granted up to the full amount accrued at the former University; and, a probationary non-tenured FACULTY MEMBER shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University; or

c. The department may reject the transfer of the FACULTY MEMBER into its department. Although the department has voted to reject the FACULTY MEMBER being considered for transfer, the President of the receiving University may at his/her discretion, and where he/she believes that the FACULTY

MEMBER being considered for transfer meets the credential requirements of the available position, convert the rejection to a provisional approval. Where the President converts the rejection to a provisional approval, the transfer shall be for an interim period of one (1) academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to accept fully the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving University shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving University after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year, a tenured FACULTY MEMBER shall receive University-wide seniority credit of three (3) years at the receiving University or, where the President and the receiving department agree, additional University-wide seniority may be granted, up to the full amount accrued at the former University; and, a probationary non-tenured FACULTY MEMBER shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University.

F. When FACULTY MEMBERS are transferred in accordance with the above provisions, the Chancellor shall require the FACULTY MEMBER to change his/her residence from one place in Pennsylvania to another place, and the FACULTY MEMBER shall receive the expenses of moving his/her household goods to his/her new residence in accordance with applicable STATE SYSTEM rules and regulations.

Where the FACULTY MEMBER meets the above requirements for payment of moving expenses, it is understood that the move by the FACULTY MEMBER shall be made within six (6) months, and the request for payment of moving expenses will be made no later than six (6) months from the date of acceptance of the transfer. Moving expenses shall be paid by the University from which the transfer occurs.

G. Where a FACULTY MEMBER transfers from a University within the STATE SYSTEM to a different University within the STATE SYSTEM for personal reasons or reasons other than those set forth in Section B.2. above, only Sections D. and E. of this Article will apply.

H. An individual FACULTY MEMBER who is transferred for the purposes set forth in Section B.2. above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in Sections A. through F. above. A FACULTY MEMBER who is transferred for personal reasons or reasons other than those set forth in Section B.2. above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in Sections D. and E. above.

I. Upon the request of either of the parties to this Agreement, the parties shall meet and discuss aspects of this Article that are of mutual interest.

Article 35

LEGISLATIVE ACTION

A. In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, the passage of the STATE SYSTEM budget or the granting of other appropriations, the provision shall become effective only if such legislative action is taken. The parties, however, mutually agree that each will make such appropriate but separate recommendations to the Legislature which each deems necessary to give force and effect to the provisions of this Agreement. It is agreed by the parties that the provisions of this Section shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

B. The STATE SYSTEM and APSCUF shall each separately and in good faith attempt to have introduced and support legislation which each party independently deems is necessary to implement a provision of this Agreement. Where the parties mutually agree upon the need for implementing legislation and the form and language of that legislation, they will lend full support to the introduction and passage of such mutually agreed upon legislation. It is agreed by the parties that the provisions of this Section shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

C. In the event that legislation, which both parties mutually agree is necessary, is not passed with respect to a specific subject matter, the parties hereto shall have the right to re-negotiate regarding the subject matter.

Article 36

SEPARABILITY

In the event that any provision of this Agreement is found to be inconsistent with statutes or ordinances, the provisions of such statutes or ordinances shall prevail and, if any provision herein is determined to be invalid and unenforceable by a court or other authority having jurisdiction, such provision shall be considered void, but all other valid provisions hereof shall remain in full force and effect.

Article 37

TOTALITY OF AGREEMENT

The parties acknowledge that this Agreement represents the results of collective negotiations between said parties conducted under and in accordance with the provisions of Act 195 and constitutes the entire Agreement between the parties for the term of said Agreement or any extensions thereof. Each party waives his/her right to bargain collectively with the other with reference to any other subject, matter, issue or thing, whether specifically covered here or wholly omitted herefrom, whether or not said subject was mentioned or discussed during the negotiations preceding the execution of this Agreement.

Article 38

SUCCESSORS

This Agreement shall be binding upon the parties hereto, and their heirs, executors, administrators, successors and assigns of each, in accordance with applicable labor law. The STATE SYSTEM shall notify APSCUF in writing at least thirty (30) days in advance of any sale, lease, transfer or assignment of any of the UNIVERSITIES to political subdivisions or bodies, corporations or persons.

1. In the event that the STATE SYSTEM/UNIVERSITIES provides substantial support under Section C.4. above, the STATE SYSTEM/UNIVERSITIES and FACULTY MEMBER(S) involved shall enter into an agreement, which shall set out ownership rights in any product developed. Such document shall provide at a minimum that the FACULTY MEMBER(S) involved shall receive no less than sixty percent (60%) of the net income until the agreed substantial support of the project is repaid to the STATE SYSTEM/UNIVERSITIES and no less than seventy percent (70%) of the net income thereafter. The parties agree that a model of the agreement referenced in this subsection will be agreed upon by the parties at State Meet and Discuss. This model shall include definitions of net income and direct and indirect costs to be used in calculating project support.

Article 40

BRANCH CAMPUSES AND OTHER TEACHING LOCATIONS

A. Branch Campuses

1. The University may appoint FACULTY MEMBERS whose entire workload will consist of assignments at a branch campus if this condition of employment is included in the FACULTY MEMBER'S letter of appointment.
2. The University may appoint a FACULTY MEMBER to teach a portion of his/her workload at both the main campus and a branch campus if this condition of employment is included in the FACULTY MEMBER'S letter of appointment. The Employer must designate either the main campus or branch campus as the primary work location for the purpose of determining travel expenses in accordance with Section 5. below.
3. Except as provided elsewhere in this Section, FACULTY MEMBERS employed at the main campus may teach at a branch campus only on a voluntary basis.
4. Except as provided elsewhere in this Section, FACULTY MEMBERS employed at a branch campus may teach at the main campus or at another branch campus only on a voluntary basis.
5. FACULTY MEMBERS will be reimbursed for travel and other expenses pursuant to Article 32, TRAVEL EXPENSES, of this Agreement.

B. Any Other Teaching Locations

1. When the STATE SYSTEM/UNIVERSITIES consider offering a course(s) and/or program(s) at other teaching locations including those leased or owned, it shall notify the affected department(s). The STATE SYSTEM/UNIVERSITIES may staff the course(s) or program(s) with volunteers and/or with FACULTY hired with the expectation of teaching at other locations stated in their letter of appointment. A faculty member who is hired to teach at other locations as stated in his/her letter of appointment shall not be eligible for the incentive payments under 3. below. Additionally, the Employer must designate a primary work location for the purpose of determining eligibility for travel

expenses in accordance with 4. below. Alternatively, the STATE SYSTEM/UNIVERSITIES may seek written agreement from the affected department(s) to provide FACULTY MEMBERS to staff the course(s) or program(s). The department(s) may develop a rotation system to staff the course(s), which shall be approved by the department(s).

2. If a department(s) that has made such a written commitment to staff courses is unable to provide a FACULTY MEMBER to another teaching location, the University shall attempt to appoint a temporary FACULTY MEMBER to teach the course. In the event a temporary FACULTY MEMBER cannot be appointed, the University may assign another FACULTY MEMBER to teach the course.

3. In addition to their regular compensation under this Agreement, FACULTY MEMBERS who volunteer to teach at other teaching locations or are assigned in accordance with 2. above may elect one of the following incentives, except that no incentive shall be paid for teaching locations within fifteen (15) miles of the FACULTY MEMBER'S home or the University, whichever is closer:

<u>Total Cumulative Miles Traveled</u>	<u>Cash Incentive</u>	<u>Professional Development Incentive</u>
500 miles or less	0	0

1,501 – 3000 miles	\$750	\$1,000
Over 3,000 miles	\$1,125	\$1,500

a. The cash incentive is not subject to employee or employer retirement contributions nor to retirement earnings. No additional costs shall be incurred by UNIVERSITIES offering courses should this option be selected by FACULTY MEMBERS other than mandated employer benefit contributions.

b. FACULTY MEMBERS accepting teaching assignments at other teaching locations may also be granted campus-based scheduling preferences.

c. Professional development funds in this Section are funds which are credited to an account on behalf of the FACULTY MEMBER rendering services at other teaching locations and shall be non-lapsing funds. These funds may be used to support professional development activities including, but not limited to, research, equipment, scholarships, tuition reimbursement, travel, seminar/conference/workshop registration fees or other professional development activities. A FACULTY MEMBER may draw from his/her professional development account by written notification to the President or his/her designee. The FACULTY MEMBER should include documentation verifying the activity for which the funds have been requested.

d. The cash incentive shall be paid or the professional development incentive shall be credited to the FACULTY MEMBER'S account at the end of the semester upon submission of appropriate documentation verifying the total cumulative miles traveled for the semester.

- e. Where multiple FACULTY MEMBERS are jointly teaching a course at any other teaching location, the incentive to each FACULTY MEMBER shall be the FACULTY MEMBER'S pro rata share of the incentive determined by dividing the total incentive that would be provided based on the cumulative miles traveled by the FACULTY MEMBERS based upon their respective share of the workload for the course.
4. FACULTY MEMBERS will be reimbursed for travel and other expenses pursuant to Article 32, TRAVEL EXPENSES, of this Agreement.

Article 41

DISTANCE EDUCATION

A. Preamble

1. The purpose of distance education is to increase access and the availability of the curriculum offerings of the STATE SYSTEM/UNIVERSITIES. The purpose of the parties in adopting this Article is to expand the curriculum offerings of the STATE SYSTEM/UNIVERSITIES, and to promote access to these offerings.
2. The parties agree that except where student needs dictate otherwise, the method of classroom instruction with the FACULTY MEMBER and the students in the same room is the preferred means of providing a quality educational experience. Distance education is not intended to diminish that experience.
3. During the term of this Agreement, the STATE SYSTEM agrees not to retrench a FACULTY MEMBER teaching in a department where distance education is being used, when retrenchment is a direct result of distance education. This sub-section applies only to the University at which the retrenched FACULTY MEMBER is employed.
4. Distance education is a part of the approved curriculum and evaluated pursuant to Section F.

B. Definitions

1. Distance Education
 - a. Distance Education is an educational process in which the instruction occurs with the instructor and student in different locations. Effective Fall, 2014, failure of a University to provide such technical support and instructional design professional(s) shall result in continuation and/or restoration of development and redevelopment fees for FACULTY MEMBERS teaching online/web-based courses and ITV/compressed video courses taught at that University in accordance with Section H.6. and 7., below. In Universities that provide such technical support and instructional design professional(s), disputes concerning the sufficiency or adequacy of the support provided shall be presented, in the first instance, for resolution at local meet and discuss. If the issue is not resolved at local meet and discuss, a grievance may be initiated under Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

2. The University shall assure the means for students at remote sites to interact with FACULTY MEMBER(S) (e.g. site visits, voice mail, e-mail, and other technological methods of communication).

3. The University shall insure that textbooks and other course materials are available to students at remote sites. Additionally, arrangements shall be made for library access, either through technology or physical access, as appropriate.

E. Course Approval

1. In approving distance education courses, the following criteria shall be applicable: (a) course approval through the traditional academic process; (b) a qualified instructor; (c) use of suitable technology as a substitute for the traditional classroom; (d) suitable opportunity for interaction between instructor and student; (e) suitable evaluation of student achievement by the instructor; and (f) integrity of the evaluation methods used.

2. In accordance with Article 31.E., new credit bearing courses, which may be offered through distance education, must be approved through the normal course approval procedure at the University.

3. Existing credit bearing courses, which may be offered through distance education, shall be reviewed by the department and University curriculum committee, which shall each provide its recommendation to the President or his/her designee. Each University shall develop an expedited procedure to complete this review within thirty (30) days. Such procedure shall be reviewed with APSCUF at local meet and discuss prior to implementation.

F. Intellectual Property

Ownership of Intellectual Property created through distance education shall be governed by the provisions of Article 39, INTELLECTUAL PROPERTY.

3. Course Development Compensation

a. In addition to the compensation required above, a distance education course development payment of \$800.00 per credit shall be paid the first time an online/web-based course is developed and initially taught beginning with the Fall 2007 semester. Course development compensation is to be paid the first time a FACULTY MEMBER teaches a distance education course. Notwithstanding Section C(1), the FACULTY MEMBER may be required to teach the distance education course up to three (3) additional times during the next four (4) year period.

b. Similarly, a distance education course development payment of \$400.00 per credit shall be paid the first time an ITV/compressed video course is developed and initially taught beginning with the Fall 2007 semester. Course

If a FACULTY MEMBER has been paid the preparation payment for a specific course within the previous three (3) years, July 1, 2004 – June 30, 2007, he/she would be eligible for a course development payment for the same course only after completing the three (3) year eligibility requirement as defined under the July 1, 2003 – June 30, 2007 faculty agreement Article 42, Section I.6. Thereafter, Section H.6.a.or b. of this Article is applicable.

d. FACULTY MEMBERS who are hired on or after July 1, 2007, solely for the purpose of teaching via distance education, or for the purpose of teaching courses in a program(s) delivered via distance education, shall not be eligible for the course development payment.

e. Effective for online/web-based courses and ITV/compressed video courses taught in Fall, 2014 and thereafter, no course development compensation shall be paid, except as provided for in Section D.1. of this Article.

4. Course Re-development Compensation

a. A distance education course re-development payment shall be paid every five (5) years if a given online/web-based course has been taught at least four (4) times during that period by the FACULTY MEMBER and the FACULTY MEMBER is able to document appropriate professional development experiences. Article 42

INVESTIGATION OF COMPLAINTS AGAINST FACULTY MEMBERS

The STATE SYSTEM and APSCUF recognize that it may be necessary to investigate complaints against FACULTY MEMBERS prior to making a disciplinary decision. When appropriate, attempts should be made to resolve complaints informally. In those cases in which complaints are not resolved informally, the principles below shall apply:

- A. If the University determines to conduct an investigation of a complaint, either verbal or written, it shall be initiated and concluded within a reasonable amount of time. Absent unusual circumstances, the decision to conduct a formal investigation shall be made within twenty (20) days of receipt of the complaint.
- B. The FACULTY MEMBER accused of wrongdoing must receive a copy of the written complaint prior to the commencement of an investigatory interview or pre-disciplinary conference. In the event a written complaint is not submitted, the individual assigned to conduct the investigation shall prepare a written summary and provide a copy of the summary to the FACULTY MEMBER prior to commencing an investigatory interview or pre-disciplinary conference. The FACULTY MEMBER may provide APSCUF a copy of the written complaint or summary if he/she so desires. If the FACULTY MEMBER has obtained APSCUF representation and the FACULTY MEMBER has no objection, a copy of the complaint or the written summary shall be provided to APSCUF. Upon receipt of the complaint by the FACULTY MEMBER and/or APSCUF, it shall be treated as confidential by all parties and may only be shared with those persons necessary to prepare a response to the complaint.
- C. Upon request, a FACULTY MEMBER shall be entitled to an APSCUF representative during any meeting in which allegations are to be made, which the FACULTY MEMBER reasonably believes could lead to discipline.
- D. If the complainant is a student in the FACULTY MEMBER'S class, the investigation may be deferred and the complainant's name need not be disclosed until after submission of the final grade.
- E. If an investigation is expanded beyond its original scope, the FACULTY MEMBER shall be advised immediately. APSCUF shall also be advised if the FACULTY MEMBER has obtained APSCUF representation and has no objection.
- F. The FACULTY MEMBER accused of wrongdoing shall be advised that he/she is prohibited from taking retaliatory action against the complainant or any other person and that such action may result in a separate disciplinary action.

G. This Article shall supplement and by no means shall diminish the rights of any FACULTY MEMBER, APSCUF, or the STATE SYSTEM/UNIVERSITIES under any law, including the Pennsylvania Public Employee Relations Act.

Article 43

FACULTY PROFESSIONAL DEVELOPMENT PROGRAM

A. The STATE SYSTEM will provide the Professional Development Council with funding for the enhancement of professional development of FACULTY MEMBERS.

Article 44

REGULAR PART-TIME FACULTY

A. Regular part-time faculty (RPT) are defined as regular part-time positions with non-tenure-track status.

B. RPT FACULTY positions may be filled in two ways:

1. by conducting a search using faculty search procedures; or

2. a department may recommend a temporary FACULTY MEMBER for RPT status. The recommendation shall include a description of the area in which the FACULTY MEMBER is qualified to teach (area of qualification) and for which he/she is being recommended for RPT status, as well as the proposed RPT

workload. The recommendation as to the area of qualification shall be approved by local APSCUF prior to action by the President.

C. If the President accepts a department's recommendation, or an RPT is hired after a search, the President shall designate a workload, giving consideration to the department's recommendation, which shall not exceed six (6) workload hours per semester.

D. Once approved, a RPT FACULTY MEMBER may be rehired continuously in the designated area of qualification without going through the hiring procedures as set forth in Article 11, APPOINTMENT OF FACULTY. The President or his/her designee may increase the designated workload up to but not exceeding six (6) workload hours per semester.

E. The workload of a RPT FACULTY MEMBER may be increased on a temporary basis, but in no event shall the RPT FACULTY MEMBER be assigned to work in excess of six (6) workload hours per semester beyond two (2) consecutive years.

F. Should a RPT FACULTY MEMBER decline assignments within his/her designated workload and area of qualification on a basis other than inability to work due to approved leave, the RPT FACULTY MEMBER'S continued RPT status may be terminated by the President or his/her designee.

G. RPT FACULTY MEMBERS shall have the same rights and responsibilities for teaching and advising pro-rated in proportion to their workload.

H. 1. During the first five (5) years of service, a RPT FACULTY MEMBER shall be subject to renewal or non-renewal on an annual basis. In addition, each RPT FACULTY MEMBER shall be evaluated annually pursuant to Article 12. The major emphasis of the performance review shall be effective teaching and service. All RPT FACULTY MEMBERS shall be encouraged to engage in scholarly growth. Each performance review shall contain a recommendation regarding renewal or non-renewal.

2. After five (5) consecutive years of service as a RPT FACULTY MEMBER, the RPT FACULTY MEMBER shall be reappointed for a term of three (3) years subject to Sections I, J, and K below.

3. Notice of non-renewal shall be provided, in writing, by the President or his/her designee no later than April 15. Non-renewals shall be effective at the end of the academic year in which the non-renewal notice is given.

4. Reasons for the non-renewal will be supplied, if requested by the RPT FACULTY MEMBER.

5. A RPT FACULTY MEMBER may grieve a notice of his/her non-renewal only with respect to failure to observe the procedures set forth above.

I. 1. After five (5) consecutive years of service as a RPT FACULTY MEMBER, performance evaluations shall be completed every third year pursuant

to Article 12. The major emphasis of the performance review shall be on effective teaching and service. All RPT FACULTY MEMBERS shall be encouraged to engage in scholarly growth.

2. The performance review will be conducted using the procedure contained in Article 12.B and C except as modified by 1. above.

3. Each performance review will contain a recommendation concerning renewal or non-renewal.

4. Notice of non-renewal shall be provided, in writing, by the President or his/her designee no later than April 15. Non-renewals shall be effective at the end of the academic year in which the non-renewal notice is given.

5. A RPT FACULTY MEMBER may grieve a notice of his/her non-renewal only with respect to failure to observe the procedures set forth above.

J. 1. In the event the need for services of the RPT FACULTY MEMBER does not exist in a given semester, as determined by the Dean after consultation with the department, the RPT FACULTY MEMBER will not be employed in that semester. The RPT FACULTY MEMBER shall be notified of non-employment in a given semester as soon as possible. The provisions of Article 29, RETRENCHMENT, shall not be applicable in such cases.

2. In the event the need for services of the RPT FACULTY MEMBER is reduced in a given semester, as determined by the Dean after consultation with the department, the RPT FACULTY MEMBER will be notified as soon as possible but no later than the start of classes in that semester. The provisions of Article 29, RETRENCHMENT, shall not be applicable in such cases.

3. The RPT FACULTY MEMBER retains the right to be employed in the next semester in which the need for services exists.

4. If the need for services does not exist for four (4) consecutive semesters, the RPT designation for the individual FACULTY MEMBER may be terminated after consultation with the department.

K. 1. A RPT FACULTY MEMBER who has completed five (5) consecutive years of service as a RPT FACULTY MEMBER may be terminated or suspended at any time. The President or his/her designee shall give written notice to the affected RPT FACULTY MEMBER specifying the reasons therefore. A copy of the written notice shall be sent to the local APSCUF President.

2. The RPT FACULTY MEMBER shall have the right to grieve only to the extent that the RPT FACULTY MEMBER asserts that the termination or suspension is discriminatory or arbitrary and capricious.

3. A RPT FACULTY MEMBER shall have the right to due process as set forth in the provisions of Article 42, INVESTIGATIONS OF COMPLAINTS AGAINST FACULTY MEMBERS.

L. RPT FACULTY MEMBERS shall have the opportunity to be integrated into the academic life and operations of the department to the extent possible. However, RPT FACULTY MEMBERS may not participate in faculty personnel matters except where specifically provided for in the collective bargaining agreement.

M. 1. RPT FACULTY MEMBERS shall be eligible for an increment upon the completion of each twenty-four (24) credit hour workload assignment or two (2) consecutive academic years, not including summer school. RPT FACULTY MEMBERS hired prior to July 1, 2007, will continue to receive increments based upon the schedule utilized at their university, if more frequent than provided in this provision.

2. The increment shall be effective in the semester following completion of the service set forth in M.1.

N. All RPT FACULTY MEMBERS who are tenured as of July 1, 2007 shall retain their tenure and all RPT FACULTY MEMBERS who are in tenure-track status as of July 1, 2007 shall remain eligible for tenure in accordance with the provisions of Article 15. In addition, any RPT FACULTY MEMBERS who would have been eligible for tenure based upon letters of appointment issued prior to July 1, 2007, shall be considered for tenure.

O. All local agreements regarding RPT FACULTY MEMBERS are null and void.

Article 45

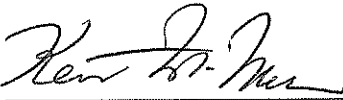

TERM OF AGREEMENT

A. This Agreement shall be effective as of July 1, 2015 and shall remain in full force and effect to and including June 30, 2018. This Agreement shall automatically be renewed from year to year thereafter unless either party shall notify the other party in writing of their intent to renegotiate all or parts of this contract by such time as would permit the parties to comply with the collective bargaining schedule established in the Public Employee Relations Act.

B. Prior agreements and/or understandings that were established on or after July 1, 1989, shall expire at the end of the tenth year of the agreements and/or understandings, unless the agreements and/or understandings have been reviewed and reaffirmed at local meet and discuss, or negotiated in the case of summer school, promotion policies and procedures, and continuing education. Only the Chancellor/University President and the State/local APSCUF President have the authority to establish/reaffirm agreements and/or understandings. Before any local agreement or understanding becomes null and void, it will be referred to State Meet and Discuss for resolution. If not resolved at State Meet and Discuss, the agreement or understanding shall expire as described above. (This procedure does not apply to past practices and local/state agreements settling grievances.)

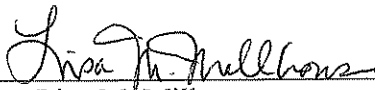

In Witness Whereof, the parties to this Agreement intending to be legally bound by its provisions have signed and executed this Agreement on December 20, 2016.

**ASSOCIATION OF PENNSYLVANIA STATE COLLEGE AND UNIVERSITY
FACULTIES
and
STATE SYSTEM OF HIGHER EDUCATION**

SENIORITY POLICY

- I. A uniform seniority reporting system to be applied at each university should be easy to understand and to administer and consistent with the Collective Bargaining Agreement.
- II. A positive accrual system be used in reporting seniority. Specifically, each time a seniority list is prepared, additional seniority credit must be added to the previous listings.
- III. Semesters of service be the smallest unit of seniority credit. A faculty member will accrue one unit of credit for each semester completed according to the terms of Item IV. Each faculty member will earn a maximum of two units of credit per year. Summer sessions will not count for additional seniority credit.
- IV. The following method be used to determine whether a faculty member accrues seniority credit for a partial semester of service:
 - A. Completion of less than five full pay periods--no credit.
 - B. Completion of five or more full pay periods--1 credit.
- V. The tie-breaker system is to be employed as follows:
 - A. For faculty with different original appointment dates but the same length of service, the individual with the earliest appointment date would have the most seniority and be ranked ahead of others with the same length of service.
 - B. All regular, full-time faculty members hired after May 31, 1984 will have a six (6) digit seniority number which will be the number used as the third tie-breaker when two faculty members have the same seniority credit and the same date of appointment. The seniority number will be derived as follows:
 1. The first two (2) digits of any faculty member's seniority number will reflect the last two (2) digits of the calendar year of his/her initial date of appointment on the University's payroll.
 2. The last four (4) digits of any faculty member's seniority number will be determined by a computer-generated random number. The lowest four (4) digit number will be the most senior faculty member appointed that year, and the highest four (4) digit number will be the least senior faculty member appointed for that year.
 3. The computer will be programmed to reject any duplicate numbers and substitute a new random number.

4. The local APSCUF president will designate a member of the faculty and the University President shall designate a member of his/her administration to observe the computer-generation of the random numbers for the last four (4) digits of the faculty members' seniority numbers.

C. When it is necessary to insert a person into an existing department, an insertion drawing will be held.

VI. The format found in Appendix A be used for reporting seniority on each campus.

VII. Guidelines for preparing seniority lists are described in Appendix B.

VIII. The rules for determining seniority are described in Appendix C.

APPENDIX B

Guidelines for Preparing Seniority Lists

I. Retroactive Applications

A. The most recent date of appointment presently listed in the campus seniority list for each faculty member will remain unless it has been formally contested prior to January 1, 1983.

Explanation: Adoption of this Guideline will settle finally this date for all faculty currently employed.

B. All seniority credit for full-time temporary and regular service accrued from the most recent date of appointment prior to the 1971 fall semester shall count. (Note: Educational leaves without pay granted prior to August 1, 1970, shall accrue seniority credit.)

Explanation: Adoption of this Guideline will cut through the tangle of temporary and regular service appointments made prior to the implementation of the Collective Bargaining Agreement (CBA).

C. Beginning with the 1971 fall semester, only regular, full-time service from the most recent date of appointment will count for accrual of full-time seniority credit.

Explanation: This Guideline is based on terms of the CBA which went into effect in the 1971 fall semester and does not conflict with the provisions for tenure found in Article 15, Section B. of the CBA.

D. Any local APSCUF/Management agreement made prior to July 1, 1981, recognizing departmental seniority as opposed to college/university-wide seniority for retrenchment purposes shall be recognized when verified by appropriate documentation. Beginning July 1, 1981, the provisions of the applicable CBA shall apply.

Explanation: This Guideline resolves the problem created by such good-faith agreements even though they may have modified the terms of the CBA prior to July 1, 1981. It recognizes the good-faith in these arrangements and avoids the trauma and hardship that would result from reversing these actions.

E. Any local APSCUF/Management agreement made prior to September 1, 1983, granting a full-time, regular faculty member a partial leave of absence without pay to minimize retrenchment of faculty at the college/university will not result in a reduction in the seniority credit for the faculty member taking the leave. These agreements must be verified by appropriate documentation. Effective September 1, 1983, the provisions of the CBA shall apply.

Explanation: This Guideline protects faculty who took such leaves to help colleagues from the loss of seniority credit and the possible penalty that might result from this reduction in service credit.

II. Prospective Application

Effective with the 1983-84 academic year, the original date of appointment and the accrual of seniority credit will begin with the first day on the payroll in regular, full-time status during the academic year.

Explanation: This Guideline establishes a uniform starting date for all future faculty throughout the State System of Higher Education.

APPENDIX C

Rules for Determining Seniority

A. Leave Without Pay

1. Seniority normally does not accrue during a period of leave without pay (LWOP), except as specifically provided in this Policy.

2. A regular, full-time faculty member who has taken a partial LWOP prior to fall 1985 shall receive pro-rated seniority credit, if the faculty member was in regular full-time status prior to the leave and completed five or more pay periods during the semester. The pro-rated seniority credit for that semester will be equated to the proportion of the normal workload which the faculty member worked. For example, a faculty member who worked a one-half (1/2) workload and took a one-half (1/2) LWOP would earn one-half (1/2) credit for that semester.

3. Beginning in the fall of 1985, a full seniority credit will be granted for up to eight (8) semesters for any semester that a regular, full-time faculty member is on a full or partial LWOP granted by the President of his/her University.

4. After a regular, full-time faculty member uses his/her allotment of eight (8) seniority credits for eight (8) different semesters of full or partial LWOP as described above, the faculty member will receive a partial seniority credit for any subsequent semester he/she is on a partial LWOP granted by the President of his/her University. Such partial seniority credit shall be calculated pursuant to paragraph 2 of this Section.

5. Beginning in the fall of 1993, any faculty member employed at any State System of Higher Education University, who accepts a leave without pay from his/her institution and then accepts employment as a manager at any of the universities in the State System of Higher Education or the Office of the Chancellor, will accrue one-half (1/2) seniority credit per semester during the time period as a manager.

B. Educational Leave Without Pay--Seniority does accrue for ELWOP granted prior to August 1, 1970 and subsequent to fall 1985 pursuant to Section A above.

C. Military Leave--Seniority does accrue during periods of military leave.

Exception: Faculty members who are/have been separated from military service by "discharge under other than honorable condition," "bad conduct discharge" or "dishonorable discharge" shall not be entitled to seniority credit for such military service.

D. Suspension--Seniority does not accrue for suspensions.

E. Part-time Service--Seniority does not accrue for part-time service.

F. Work-Related Disability Leave--Seniority does accrue during periods of approved work-related disability leave.

- G. Sabbatical Leave--Seniority does accrue as if the faculty member is in regular full-time daily attendance.
- H. Child Rearing Leave--Seniority does not accrue during periods of child rearing leave, except as provided in Section A above.
- I. Leave Due to Pregnancy--Seniority does accrue for a faculty member during the period she is unable to work and uses accrued sick leave for medical reasons as certified by a physician.
- J. Parental Leave Without Pay--Seniority does not accrue during periods of parental leave without pay, except as provided in Section A above.
- K. APSCUF Service--Seniority does not accrue for service as an elected or appointed official or representatives of APSCUF.

Exception: Seniority does accrue for service as State President of APSCUF.

L. Managers Returning to Former Departments

1. Seniority does accrue for all prior time spent in the bargaining unit for a manager who returns to the bargaining unit within three (3) years of his/her appointment to a management position.

2. Seniority does not accrue for the time spent as a manager.

3. A faculty member who has served three (3) or more years as a manager shall begin his/her service in the bargaining unit with no seniority credit. This manager will also receive a date of appointment corresponding to his/her first day on the payroll as a faculty member subsequent to his/her service as a manager and will also receive an appropriate seniority number for that year.

4. Seniority does accrue for service as an acting manager.

M. Resignation--Seniority terminates upon resignation.

N. Retirement--Seniority terminates upon retirement.

O. Discharge--Seniority terminates upon discharge.

P. Inter-University Transfer--Tenured Faculty Members--A faculty member shall receive seniority (length of service) credit at the receiving University of three (3) years or, where the President and the receiving department agree, additional seniority (length of service) credit may be granted up to the full amount accrued at the former University.

Q. Inter-University Transfer--Non-Tenured Faculty Members--A probationary non-tenured faculty member shall receive no seniority (length of service) credit unless the President and the receiving department agree, in which case seniority credit may be granted up to the full amount accrued at the former University.

APPENDIX D

Footnote

If a faculty member did not accrue a seniority credit for any semester since that faculty member's date of appointment, that faculty member will receive a footnote which will:

1. Indicate the reason for non-accrual of the service credit(s); and
2. List the semester(s) and academic year(s) in question.

APPENDIX E

DISABILITY RETIREMENT DETERMINATION PROCEDURE FOR ALTERNATIVE RETIREMENT PLAN (SEE ARTICLE 20.C) PARTICIPANTS

This procedure is adopted to implement the disability retirement determination standard created by Article 17, Section E.3.b., and Article 21, Section A.10.f.(2) of the Collective Bargaining Agreement.

1. To determine if an Alternative Retirement Plan participant qualifies for the benefits granted under the above-referenced Articles, all relevant evidence shall be submitted to a physician selected by mutual agreement of the parties. The physician's determination shall be based on the standards utilized by the State Employees' Retirement System (SERS) in determining eligibility for disability retirement. The physician's determination shall be issued to the employee, the State System, and State APSCUF.
2. In the event an employee is dissatisfied with the physician's determination under paragraph 1 above, the employee or APSCUF may appeal that determination to final and binding arbitration to be conducted before and decided by one of the arbitrators selected by mutual agreement of the parties under this procedure and not by an arbitrator selected under Article 5. The arbitrator shall apply the standards used by the SERS in determining eligibility for disability retirement.
3. The physician and arbitrators chosen at the time of making this Agreement have been chosen because of their experience in making determinations under SERS standards. Should it be necessary to select additional physicians or arbitrators during the term of this contract, the parties agree that they shall attempt to select people with similar qualifications.
4. The arbitrator's fees and expenses shall be shared equally by APSCUF/FACULTY MEMBER and the STATE SYSTEM/UNIVERSITIES, but each party shall bear its own cost of preparing and presenting its case to the arbitrator.
5. Disputes arising under this side letter shall be not be subject to the Grievance and Arbitration provisions of Article 5 of the collective bargaining agreement.

(1) The group's benefit period is based on a Calendar Year

(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government, TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expenses. Effective with plan years beginning on or after January 1, 2017 the TMOOP cannot exceed \$7,150 for individual and \$14,300 for two or more persons.

(3) Coverage for eligible members to age 21. Services will be paid according to the benefit category (e.g. speech therapy). Treatment for autism spectrum disorders does not reduce visit/day limits.

(4) Services are limited to those listed on the Highmark Preventive Schedule and Women's Health Preventive Schedule. Gender, age and frequency limits may apply.

(5) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.

(6) Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for prerecertification. If not, you are responsible for contacting MM&P. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.

(7) Virtual Retail & Behavioral Health Virtual Visits – the purpose of this benefit is to allow a member to have a virtual visit through the use of secure telecommunications technology. The secure telecommunications technology must provide both audio and video streams. Virtual visits can be conducted for initial, follow-up, or maintenance care. The member's responsibility is the copayment that would normally apply for an in-person primary care, retail or behavioral visit.

(8) Virtual Specialist Office Visit – the purpose of this benefit is to allow a member to have a virtual follow-up visit with a specialist that may be located a significant distance away. The member's responsibility is the copayment that would normally apply for an in-person specialist visit and a fee from the "originating site". The PCP's office or clinic that provides access to the video conferencing equipment may also charge a fee. The originating fee will be applied to the deductible and/or coinsurance as determined by the member's specific benefit plan design.

JULY 1, 2015 – JUNE 30, 2018

GRIEVANCE ARBITRATION PILOT PROGRAM

A. Arbitration Panel

1. Panel Size. The Parties will agree upon a panel of up to ten (10) arbitrators, who will actively hear and decide arbitration cases, prior to this agreement becoming effective.
2. Effective Date. The panel shall become effective on January 1, 2012, or such later date on which agreement is reached on the make-up of the panel, and be effective until December 31 of that year.
3. Continuation of Panel. The panel as originally constituted shall continue in effect from calendar year to calendar year unless:
 - a) An arbitrator resigns from the panel;
 - b) An arbitrator dies;
 - c) An arbitrator is removed by agreement of the parties; or
 - d) One party gives notice to the other party that a panel member is unacceptable for renewal no later than November 1 of any year. Removal shall be effective as of January 1 of the year after which notice is given.

A vacancy in a position on the panel shall be filled by agreement of the parties within 30 days after the vacancy occurs. If the parties have failed to agree on a replacement within 30 days, the panel chair shall appoint a replacement, who shall be (1) a member of the National Academy of Arbitrators and (2) have an office in Pennsylvania, New York, New Jersey, Maryland, Ohio, Delaware or the District of Columbia. If the vacancy is in the position of panel chair, the replacement arbitrator shall be designated by the Director of the Pennsylvania Bureau of Mediation using the above criteria.

4. Order of Panel. Arbitrators selected for the panel shall be placed on a list numbered one to ten in alphabetical order. One arbitrator shall be designated as panel chair by agreement of the parties. The chair shall have authority to decide any controversy regarding assignment of grievances to individual arbitrators, and his/her decision shall be absolutely final and binding and shall not be challenged before another arbitrator or appealable to any court.
5. Discontinuation of Panel System. Either party has the right to discontinue the Pilot Program at any time, by submitting written notice of discontinuance to the other party. In such event, all cases which are scheduled at the time of the notice of discontinuance will proceed as scheduled under this Agreement. All

grievances moved to arbitration after the date of the notice of discontinuance will be governed by the process set forth at Article 5 of the 2011 Collective Bargaining Agreement (“CBA”).

6. Assignment of Arbitrators. When APSCUF gives notice to PASSHE that a grievance is approved to arbitration, the grievance shall be assigned to the arbitrator on the list immediately below the last arbitrator to whom a grievance was last assigned. If more than one grievance is noticed to PASSHE for arbitration on a given day, the grievances shall be assigned to arbitrators in chronological order of the grievance filing dates.
7. Scheduling of Hearings. Grievances shall be scheduled for arbitration promptly thereafter by conference call with the arbitrator. If an arbitrator is unable to offer dates within four months for a discharge, non-renewal or tenure denial grievance in which back pay liability is accruing or will accrue if not decided promptly, the case will be assigned to the next arbitrator in the list who can offer dates within four months. An arbitrator shall have authority to fix dates for hearing without the agreement of the parties should he/she, in his/her discretion, determine that such action is necessary.
8. Arbitrator Fees. Parties will normally split the Arbitrator’s fees. However, the party that requests and secures a cancellation will bear the entire cancellation fee, if the Arbitrator charges such a fee. The Arbitrator will resolve any disputes over the assessment of fees.
9. Fees for Panel Chair. The panel chair shall be compensated for services at an hourly rate agreed to with the parties. Parties will normally split the chair’s fees.
10. Cancellation or Postponement. Arbitrations may be cancelled or postponed by mutual agreement of the parties or for good cause. Neither party has the right to unilaterally cancel or postpone an arbitration. In the event of a dispute over cancellation or postponement, the parties will schedule a conference call with the Arbitrator assigned to the case as soon as possible, and the Arbitrator will resolve the dispute.

B. Arbitration Hearings

1. Location. The parties, in consultation with the Arbitrator, will agree upon the location of the hearing at the time that the grievance is assigned to a hearing date. If a dispute arises, the Arbitrator shall determine the hearing location.
2. Extended Hearings. If an arbitration is extended beyond one day of hearing, the parties will secure additional dates from the Arbitrator in order to complete the arbitration as soon as possible.

3. Information Requests. Information requests will be in writing. The Arbitrator will resolve any disputes concerning the production of information in response to a written request.

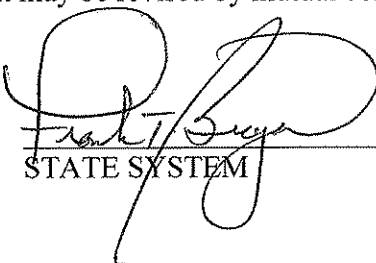

C. Labor Arbitration Rules

In regard to issues not addressed in this Agreement, the parties hereby adopt the procedures utilized for labor arbitrations conducted under the auspices of the American Arbitration Association (Voluntary Labor Arbitration Rules).

D. Acknowledgement

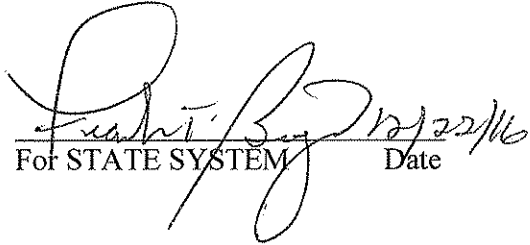

1. Mutual Desire for Efficient Process. The parties acknowledge that the Pilot Program outlined in this Agreement has been developed with the intention to provide a fair and expeditious process for the resolution of grievances and to encourage an environment of labor-management cooperation.
2. Deviation from Express Terms. The parties acknowledge that any or all of the provisions of this Agreement may be revised by mutual consent.

Dear Ms. DuVall-Quinn:

The parties, the Association of Pennsylvania State College and University Faculties (APSCUF) and the Pennsylvania State System of Higher Education (PASSHE) agree to the following as a full and complete resolution of the above referenced grievances:

"MAJORITY VOTE" or "MAJORITY SECRET BALLOT VOTE" – Shall be determined as follows: The number of regular faculty or regular full-time faculty in the department shall be the denominator. The numerator shall represent the number of regular or regular full-time faculty voting in the

Universities of the Pennsylvania State System of Higher Education

affirmative or in favor of the person. The fraction will be converted to a percent. "Majority" shall mean the number of votes cast in the affirmative and in excess of 50% (in favor of a person). Thus, if the number of regular faculty in the department is 10, at least 6 people must vote in favor of the person for there to be a majority ($6/10=60\%$). If the number of regular faculty in the department is 7, at least 4 must vote in favor ($4/7=57\%$).

Given this understanding, the above referenced grievances are withdrawn.

Please signify your concurrence with the above stated terms by signing below and returning a copy to this office.
