Directions to Clarion University

Use exit 64 (Clarion/New Bethlehem exit) from Interstate 80. Follow Route 66 North, approximately 2.8 miles. The seminar is being held in the Gemmell Student Complex. Parking is available in parking lots 14 and 16. Walk up the sidewalk and Gemmell student complex will be on the left. Metered parking is also available on Payne Street, beside the Student Recreation Center (across from the Gemmell Student Complex) as well as on Wilson Avenue (running alongside the Gemmell Student Complex). Additional parking permits will be provided upon registration at the seminar if necessary.

**45th Annual Spring Seminar**

**FLUENCY PLUS: MANAGING FLUENCY DISORDERS IN CLIENTS WITH MULTIPLE DIAGNOSES**

Kathleen Scaler Scott, Ph.D., CCC-SLP  
Board Certified Fluency Specialist and  
Associate Professor of Speech-Language Pathology at Misericordia University

Kathleen Scaler Scott is a practicing speech-language pathologist, Board Certified Fluency Specialist, and Associate Professor of Speech-Language Pathology at Misericordia University. Her research interests are largely in cluttering, atypical disfluency, and clinician training and treatment effectiveness.

She is the co-editor of Cluttering: A Handbook of Research, Intervention, and Education (Psychology Press, 2011), a member of the International Cluttering Association, and is the co-author of Managing Cluttering: A Comprehensive Guidebook of Activities (Pro-Ed, Inc., 2013), and author of the newly released book Fluency Plus: Managing Fluency Disorders in Individuals with Multiple Diagnoses (SLACK, Inc.). Dr. Scaler Scott has spoken nationally and internationally on the topics of fluency and social pragmatic disorders. She was the first Coordinator of the International Cluttering Association, and is the recipient of the 2018 Deso Weiss Award for Excellence in the Field of Cluttering, and the 2018 Professional of the Year award from the National Stuttering Association.

Attend this one-day workshop and learn to create meaningful activities and roles as a Speech-Language Pathologist by:

- Focusing on the person, not the disorder.
- Matching strengths and abilities with personal history.
- Diving deeper into treatment strategies for a variety of fluency disorders and other diagnoses
- Managing fluency disorders in individuals with multiple diagnoses
- Earning 5.5 CMHs equivalent to 0.55 ASHA CEUs  
  - *CMHs must be submitted to ASHA by participant*

After completing this course, participants will be able to:

1. Identify three methods for differential diagnosis of stuttering, cluttering, covert stuttering, and atypical disfluencies.
2. Identify three treatment activities for managing multiple types of fluency disorders concomitantly.
3. Identify three strategies for treating fluency disorders in clients with concomitant diagnoses.
