Program Learning Outcomes:

Upon Successful completion of the Bachelor’s Degree in Criminal Justice Administration, students will be able to:

1. Identify and apply major discipline-specific leadership concepts, techniques, and practices to their chosen criminal justice occupations.
2. Delineate, explain, and assess current issues impacting the various branches of the American Criminal Justice System, particularly those deemed critical by local, state, and federal governments.
3. Demonstrate the ability to critically locate, analyze, and address occupational-related concerns that impact today’s criminal justice practitioner.
4. Develop a holistic understanding of research methodologies that can be used to evaluate criminal justice programs, policies, and statutory decisions.
