University Policies Relating to Academic Requirements

• A student is obligated by those requirements which are in effect at the time of his/her matriculation, but if he/she changes majors he/she is obligated by the requirements in effect at the time of the change. If a student has been out of school for more than two years and is readmitted, he/she is treated as a new student for requirement purposes.

• A minimum of 120 credits must be presented for graduation, of which at least 30 of the last 45 credits must have been earned in residence.

• No more than 2 credits of Personal Performance (III. B.) may be counted for graduation. One is required under III.B.; a second credit of Personal Performance may be elected under IV. Or Free Electives.

• Upon presentation of form DD 214, the university grants a maximum of 4 credits in Health and Physical Education for active military service of 4 months or more. Credit is normally given for HPE 111 (2 credits) and 2 HPE activity courses of 1 credit each.

• Maximum loads: students with a QPA of 3.0, 21 hours; students in good standing*, 18 hours; students on probation, 15 hours.
  *To be in good academic standing, undergraduate students must maintain a minimum quality point average of 2.00 for both semester and cumulative averages.

• After a student has earned a minimum of 30 semester hours of credit and if he/she is in good academic standing, he/she may schedule a maximum of six courses or 18 credit hours for Credit-No Record. One such course may be taken each semester. Courses in the student’s major may not be taken on a Credit-No Record basis.

• Course credits not to exceed 18 semester hours may be earned by departmental examination at Clarion. Application should be made in the Office of Academic Affairs.

• All candidates for an undergraduate degree must be in good academic standing (i.e., have a cumulative QPA of 2.00).

• Students may earn two undergraduate degrees (B.A., BFA, B.S., BSED), simultaneously or in sequence, by completing the requirements for both degrees with a minimum of 150 hours. In this case, the student will receive two diplomas. Students who have earned their first baccalaureate degree from another institution are responsible for satisfying Clarion University residency requirements.

• Students may earn a second major within the same college of the university and within the same degree category (B.A., B.S., B.F.A.) by completing all requirements of both major programs.
