University Policies Relating to Academic Requirements

- English 111 is required for graduation. Students who qualify can take ENG 115 or HON 129 in place of ENG 111. Students required to complete English 110, Writing I, must successfully complete the course before enrolling in English 111, College Writing. Students are selected to take English 110 based on writing assessment scores when entering the university. If required to take English 110, the course will count under section I. C. Liberal Education Skills.

- A student is obligated by those requirements which are in effect at the time of his/her matriculation, but if he/she changes majors he/she is obligated by the requirements in effect at the time of the change. If a student has been out of school for more than two years and is readmitted, he/she is treated as a new student for requirement purposes.

- A minimum of 120 credits must be presented for graduation, of which at least 45 of the last 64 credits must have been earned in residence.

- No more than 1 credit of Personal Performance (III.B) may be counted for graduation.

- Upon presentation of form DD214, the university grants a maximum of four credits in Health and Physical Education for active military service of 4 months or more. Credit is normally given for HPE 111 (2 credits) and two HPE activity courses of one credit each.

- Maximum loads: Students with a QPA of 3.0 - 21 hours; students in good standing - 18 hours; students on probation - 15 hours.

- To be in good academic standing, undergraduate students must maintain a minimum quality point average of 2.00 for both semester and cumulative averages.

- After a student has earned a minimum of 30 semester hours of credit and if he/she is in good academic standing, he/she may schedule a maximum of six courses or 18 credit hours for Credit-No record. One such course may be taken each semester. Courses in the student’s major may not be taken on a Credit-No record basis.

- Course credits not to exceed 18 semester hours may be earned by departmental examination at Clarion. Application should be made in the Office of Academic Affairs.

- All candidates for an undergraduate degree must be in good academic standing (i.e. have a cumulative QPA of 2.00).

- Students may earn two undergraduate degrees (BA, BS, BSED, BSBA), simultaneously or in sequence, by the completion of 30 approved credit hours beyond those taken for one degree.

- Students may take a double major by satisfying the major requirements of two programs within a single degree. For example, one may take a BA with majors in English and Communication Studies. Ordinarily a double major (two majors within one degree) can be effected in 120 hours but it is not possible to take two majors in different degree programs (e.g. BA in English and BSED in Communication Arts unless the 30 hour requirement for a second degree, referred to in the preceding statement, is satisfied.
