[1] Any credits earned outside of the Department of Information and Library Science are regarded as transfer
credits. Transfer credits may be applied to either core or elective requirements. Waiver applies to any
required course and does not reduce the overall credit requirements for the degree. Transfer or waiver of
courses requires prior approval of the student's academic advisor, the department chair and the dean of the
College of Business Administration and Information Sciences. "Request to Complete Transfer Courses"
forms are available in the department office.
