

# CLARION UNIVERSITY

## Quick Admit Registration Form

(For part-time undergraduate students only.)

**Quick Admit:** The quick admit policy limits undergraduate students to a total of 12 credits. If a student wishes to take more than 12 credits, he or she must seek formal admission to the University through the Admissions Office. This does not apply to any post-baccalaureate students who received their degree through Clarion University. Students who are returning to Clarion University after a period of absence and who were previously accepted under a regular application, should follow the readmit process available at <http://www.clarion.edu/readmit>. Graduate students should contact Graduate Admissions at 814-393-2337.

This is a non-degree program and as a result, students are not eligible to receive financial aid. If you are interested in pursuing an associates or bachelor's degree program at Clarion University, please complete the regular admissions process at [www.clarion.edu/apply](http://www.clarion.edu/apply). Students seeking a degree may receive financial aid.
