Academic Policy:

ASSOCIATE AFTER BACHELORS

A. Purpose:
This policy is to describe the requirements for completing an associate degree after having already earned a baccalaureate degree at Clarion University of Pennsylvania.

B. Policy:
If a student has earned a baccalaureate degree at Clarion University and wishes to then pursue an associate degree at Clarion University, a minimum of 15 additional credits through Clarion University must be successfully completed and all requirements of the associate degree must be met.

C. Procedures: N/A
