Have You Taken The Survey?

Complete the *LibQual+* survey and you could win a cash prize or a \$5 Starbucks gift card. Only 411 surveys have been completed so far and we would like to have at least 1,000!

The link to the survey can be found on the library webpage at www.clarion.edu/395. Click the link that says, "Take the LibQual+ Survey."

Complete the survey now...we are especially interested in your comments (collected near the end of the survey). If you are taking classes from a distance location, are we meeting your needs? Do you use any of our services like InterLibrary Loan or only our databases? Are you happy with all of our resources and services? Let us know!

You are not a library user? We want *you* to complete the survey because your feedback is important to us too! Faculty, staff, students...take the survey now!

Spreading A Little Sunshine

The *Sunshine Committee* at the CU Libraries tries to bring a little light and happiness to our world at work by acknowledging library employee birthdays, organizing get-togethers, and comforting others during times of illness or grief from loss of a loved one.

While most of us celebrate the Holidays with family, friends, and full dining room tables, others are not so fortunate. The Sunshine Committee would like you to consider sharing the bounty of the season by bringing non-perishable food products to the Carlson Library's Food Bank collection boxes.

Sunshine Committee Members – Mary Buchanan (pictured above, left), Betsy Lander (standing at right), and Ginger McGiffin (kneeling) – gathered, sorted, and delivered a trunk load of groceries to the local food bank in time for Thanksgiving. We would like to do it again for Christmas!

Will you help?

Something To Think About:

The Pilgrims made seven times
more graves than huts.
No Americans have been
more impoverished than these who,
nevertheless, set aside a day
of thanksgiving.
