

Mathematics Scholarships

Mathematics Department Freshmen Renewable Scholarship Information and Forms

Each Fall, a renewable \$500 scholarship is awarded to an incoming freshman. To be eligible, an applicant must:

- be a declared mathematics or mathematics education major
- score at least 600 on the mathematics portion of the SATs, with a total of at least 1150
- be ranked in the top fifth of his/her class
- send a typed letter of application, including interests, activities, and plans for the future
- have two recommendation forms sent, at least one of which from a mathematics teacher, commenting on potential for success, leadership skills, and work ethic.
- Scholarship forms and recommendation forms can be downloaded in PDF format and printed.

To maintain the scholarship, the recipient must

- remain a declared mathematics or mathematics education major
- maintain at least a 3.30 QPA in mathematics
- maintain at least a 3.00 QPA overall

Helen and Lawrence Smith Scholarships

Established by Mrs. Smith in memory of her husband. Applicants must be full-time students at the junior or senior level majoring in library science or mathematics, must have completed at least 64 credits, and have a QPA of 3.0 or higher. The scholarships are available for a second year, provided students maintain the academic standards required. Contact the foundation office for further information at 814-393-2572.

William and Elizabeth Hart Scholarship

This scholarship established to honor former chemistry professor Dr. William Hart. One or more scholarships are awarded and can be used to pay for tuition, room, board, and some miscellaneous fees, including books. Applicants must major in mathematics, physics, chemistry, geography/earth science, or biology and have completed 45 credits. They must have a QPA of 3.0 overall and 3.3 in mathematics and science course work. Selection shall be made by competitive examination, testing the student's ability in mathematics and English. Application deadline is late February. Contact the Scholarship Committee chair at 814-393-2592 for additional information.

Tom A. Carnahan and Mel A. Mitchell Secondary Education/ Mathematics Scholarship

Established to benefit Clarion students enrolled in the secondary education/mathematics degree program. The award will be made to full-time students who have been admitted to the Teacher's

Certification Program and who have achieved a minimum 3.0 QPA in completed mathematics courses. The Office of the Dean of Education will be responsible for mailing applications to all eligible students. In addition to submitting an application, students are required to provide two letters of recommendation. Students are eligible to apply for the scholarships for a second year.

Marlin and Cleva Hartman Scholarship

Established by Marlin Hartman, Class of 1959, and Cleva Haight Hartman, Class of 1959, for an incoming freshman that is a son or daughter of a United States veteran. Financial need is also considered. First preference is for a Mathematics or Mathematics Education major. Second preference is for an Elementary Education major. Strength of academic credential is also influential. Submit DD214 along with letter requesting to be considered to the Scholarship Administrator in the Clarion University Admissions Office. Scholarship awarded by March 1.

John F. Kuhn Mathematics Scholarship

Established by Dr. & Mrs. Stephen Gendler, with the support of the entire Mathematics Department, to honor the memory of Provost Kuhn by providing scholarships to attract students from under-represented classes to study mathematics at Clarion University. Candidates must have applied for admission to Clarion University with the intent to be a full-time undergraduate student. They must be a member of an under-represented class and planning to major in mathematics or mathematics education. QPA, class rank, SAT or ACT scores, and recommendations from mathematics teachers will be measured by the admission file.

Fred L. and June McCall Burns & Family Scholarship

This sophomore year scholarship established by Dr. Max H. Burns in honor of his parents Fred and June McCall Burns. Current student must be seeking a degree in Music, Drama or Mathematics or in the Education fields of Music, Drama or Mathematics, and possess excellent grades at Clarion. Contact the Scholarship Administrator in the Admissions Office for additional information.

The Ruth Bleakney Montgomery Science/Mathematics Scholarship

This endowed scholarship, in memory of Ruth Bleakney Montgomery, is given annually to science and mathematics majors. Preference is given to students from Armstrong County; students from Clarion and Jefferson counties are also eligible. Sophomores, juniors, and seniors are eligible, with preference given to sophomores. Contact the dean's office, College of Arts and Science at 814-393-2328, by April 1, for further information.
