

## **COOP 302: Co-op/Political Science**

Political Science COOP 302 is based upon job assignments which are related to the student's major and/or career objectives. Faculty coordinators advise students, review learning objectives, and evaluate term reports. Cooperative education procedures are sufficiently flexible to provide for student and employer needs. The program is designed to enhance self-realization and direction by integrating classroom study with planned and supervised experiences in education, professional, business, and cultural learning situations outside the formal classroom environment. The joint efforts of faculty, participating employers, and students are directed toward the achievement of an educational experience where classroom studies and appropriate work experience combine to reinforce each other.

Prerequisite: Junior standing, minimum QPA 2.5. or approval of the Dean of Arts and Sciences.
