

CLARION UNIVERSITY  
 School of Education, Health and Human Services  
 Department of Communication Sciences and Disorders  
**Student Outcome Data**

**Graduation Rate:** Program completion rates include number of students completing the program on time (as published) as well as students taking longer to complete the program. Students taking longer to complete the program reflect decisions made by students to extend their program based on a variety of factors (i.e. learning needs, personal factors, etc.) \*Please note that program completion was affected by the COVID-19 pandemic due to the pause in clinical experiences.

**M.S. in Speech-Language Pathology (4 semester program)**

Year of Graduation	Total Number of Students Who Graduated	Number completed in Expected Time Frame	Number completed later than expected	Number not completing program	Percentage of Students who Completed on Time	Overall Percentage of Students who Completed Program
2021-2022	39	39	0	0	100%	100%
2020-2021	54	45	9	0	83.33%	100%
2019-2020	51	33	18	0	64.70%	100%
Three-year average					83.73%	100%

**Praxis Test Passing Rate in SLP:** Data is collected from the *Educational Testing Service (ETS)*

Period	Number of Students Taking Exam	Number of Students Passed	Pass Rate (%)
2021-2022	48	37	77.08%
2020-2021	43	39	90.69%
2019-2020	32	32	100%
Three-year average			87.80%

**Employment Data:** Program employment data reflects graduates who have found employment in speech-language pathology within 1 year of graduation.

Academic Year	Number of graduates employed	Number of graduates not employed	Total %
2021-2022	53	1	98.11%
2020-2021	49	2	96.1%
2019-2020	61	0	100%
Three-year average			98.19%
