## NURSING, MEDICAL IMAGING & ALLIED HEALTH:

### ALLIED HEALTH

- Bachelor of Science, Allied Health Leadership (OL) [clarion.edu/HEALTHLEADERSHIP-BS](http://clarion.edu/HEALTHLEADERSHIP-BS)

### MEDICAL IMAGING: [clarion.edu/MEDIMAGE-BS](http://clarion.edu/MEDIMAGE-BS)

- Bachelor of Science: Concentration in radiologic technology (CL, VE)
- Bachelor of Science: Concentration in ultrasound (CL, VE)
- Bachelor of Science degree completion: For credentialed professionals (OL)

### NURSING: [clarion.edu/NURSING](http://clarion.edu/NURSING)

- Associate of Science in Nursing (VE, SO)
- Bachelor of Science in Nursing (CL)
- RN-BSN degree completion program (OL)
- Master of Science in Nursing: Family Nurse Practitioner (OL)
- Doctor of Nursing Practice (OL)
- Certificate in Nursing: Case Management

### RESPIRATORY CARE: [clarion.edu/RESPCARE](http://clarion.edu/RESPCARE)

- Associate of Science (VE)
- Bachelor of Science (VE)

Additionally, our respiratory care students find exciting job opportunities and career diversity in areas such as ICUs, neonatal and pediatric respiratory care units, operating rooms, polysomnography (the diagnosis of sleep disorders) and emergency rooms.

Clarion University offers a ladder of nursing programs from the associate degree at our Venango and Somerset campuses to the Bachelor of Science in Nursing at the Clarion campus, all the way up to the MSN and DNP programs.

Our nursing, medical imaging and respiratory care programs utilize highly successful clinical immersion models to support lectures and discussions. Simulation laboratories on campus, volunteer experiences in health care agencies from UPMC Northwest hospital to Childrens Hospital of Pittsburgh, and hands-on experiences provide clinical learning to support senior-level clinical preparation.

Medical Imaging offers two concentrations, radiologic technology and ultrasound. Students can study at either the Clarion or Venango campus and have access to dedicated, supportive faculty. Opportunities for specialization, career advancement and a nearly 100% pass rate on the American Registry of Radiologic Technologists board, make Clarion a clear choice.

## **SPEECH PATHOLOGY:** [clarion.edu/SPEECHPATH](http://clarion.edu/SPEECHPATH)

- Bachelor of Science (CL)
- Master of Science (CL)

The Department of Communication Sciences and Disorders offers undergraduate and graduate speech pathology and audiology programs that are nationally recognized and known as premier, go-to programs in Pennsylvania. Nationally accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, our program is ranked by Universities.com as one of the top four Best Speech-Language Pathology Colleges in Pennsylvania in 2019.

Students can apply for admission into our 5-year advanced or our 6-year traditional bachelor's-to-master's programs. Our program prepares students to work in the fields of speech pathology, including education, nursing homes, private practice and hospitals.

## **CRIMINAL JUSTICE & REHABILITATIVE SCIENCES**

### **CRIMINAL JUSTICE:** [clarion.edu/CJ](http://clarion.edu/CJ)

- Associate of Science (CL, VE, OL)
- Bachelor of Science, Criminal Justice Administration (all campuses)
- Bachelor of Arts, Political Science: Concentration in criminal justice (CL) [clarion.edu/POLISCI](http://clarion.edu/POLISCI)

Clarion University offers multiple academic areas for students interested in pursuing a degree in criminal justice or within the rehabilitation and human services fields. Choose from the associate or bachelor's degree in criminal justice at either of our campuses in Clarion or Venango counties, or go completely online.

Classroom experience, internships and exposure to simulated crime scenes in the "Crime House," prepare you to work in law enforcement, probation/parole, court administration and victim services, corrections and rehabilitation services and juvenile justice services.

Our graduates have gained employment in countless agencies including the FBI, Drug Enforcement Administration (DEA), Department of Homeland Security, U.S. Marshals Service, Pennsylvania Department of Corrections, U.S. Secret Service, Pennsylvania State Police and other city- and county-level agencies.

### **REHABILITATIVE SCIENCES:** [clarion.edu/REHAB](http://clarion.edu/REHAB)

- Associate of Science in Rehabilitative Services
- Bachelor of Science: Concentration in addictions (CL)
- Bachelor of Science: Concentration in court & community services (CL, VE)
- Bachelor of Science: Concentration in developmental disabilities (CL)
- Bachelor of Science: Concentration in gerontology (CL)
- Bachelor of Science: Concentration in pre-occupational therapy, physical & psychosocial disabilities (CL)
- Minor in Gerontology (CL)
- Master of Science: Clinical Mental Health Counseling (OL)
- Certificate: Head Injury & Concussion Management
- Certificate: Opioid Treatment Specialist
- Certificate: Human Services Case Management

The Rehabilitation and Human Services program is known across Pennsylvania for preparing highly competent and successful professionals. Offering an associate degree program through a master's level in clinical mental health

counseling, our students work with nationally recognized faculty. With a variety of programs from which to choose, field experiences embedded into the degree, and semester-long supervised internships, our interdisciplinary program prepares students for general human service positions in the areas of aging, developmental disabilities and addictions.

Graduates assume a variety of positions including case managers, residential program managers, activities directors, substance abuse prevention specialists, rehabilitation specialists, counselors and social workers, and they are prepared to enter graduate school.

#### **PSYCHOLOGY:** [clarion.edu/PSYCH](http://clarion.edu/PSYCH)

- Bachelor of Arts (CL)
- Bachelor of Science (CL)
- Bachelor of Science: Integrative Studies, Concentration in community service (CL, OL)
- Minor in Psychology (CL, OL)

Clarion University offers both on-campus and online options for students in the field of psychology. The undergraduate program provides a strong foundation and allows for exploration and preparation for research, internships and graduate school.

Our students have been accepted to prestigious graduate programs at Brandeis University, The Ohio State University, the University of Pittsburgh, Indiana University, Arizona State University, University of Delaware and many more. Additionally, our students attend graduate programs in clinical mental health counseling, school psychology, social work, clinical psychology, forensic psychology, law and medicine.

#### **SPORTS SCIENCES (CL):**

- Bachelor of Science, Integrative Studies: Concentration in athletic coaching [clarion.edu/ATSW](http://clarion.edu/ATSW)
- Bachelor of Science, Nutrition & Fitness [clarion.edu/NUTRITIONFITNESS](http://clarion.edu/NUTRITIONFITNESS)
- Bachelor of Science, Sport Management [clarion.edu/SPORTMANAGEMENT](http://clarion.edu/SPORTMANAGEMENT)
- Minors in Athletic Coaching, Nutrition & Fitness, Sport Management
- Master of Science: Athletic Training

Clarion's Sport Sciences Department offers opportunities for students to work in fields such as strength and conditioning, cardiac rehabilitation, professional sports organizations, sports sales, marketing and consulting, college and high school athletic directors and more. Students continue into master's programs for athletic coaching, occupational therapy and physical therapy. Starting in fall 2020, Clarion University is offering an accelerated B.S. to M.S. Athletic Training degree. With a focus on assessing,

skills training, counseling, exercise physiology and more, Clarion students will be able to work with athletes on best practices in the field.

Students have access to local and regional internships, preparing them for employment ranging from the university Athletics Department to local high school athletic offices and professional sport organizationS such as the Pittsburgh Pirates and N.Y. Yankees. Our students graduate with robust resumes to help match their personal interests to a career in the sports world.
