THE CAMPUS SECURITY ACT: LEGAL REQUIREMENTS

The Campus Security Act requires colleges and universities to publish an annual report by October 1st that contains three years of campus crime statistics and certain campus security policy statements; disclose crime statistics for the campus, pubic areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police and security, local law enforcement and other University officials who have “significant responsibility for student and campus activities; provide “timely warning” notices of those crimes that have occurred and pose an ongoing threat to students and employees; and disclose a public crime log of any crime that occurred on campus within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security departments.

Clarion University Department of Public Safety is responsible for preparing and distributing this report.

DEPARTMENT OF PUBLIC SAFETY

**ARREST AUTHORITY**

In Pennsylvania, the State System of Higher Education Act 188 of 1982, as amended by Act 48 of 2003, establishes and defines the powers and duties of Campus Police Officers. This act granted campus police officers the authority to exercise the same powers that are granted to municipal officers under the Statewide Municipal Police Jurisdiction Act (Title 42, 8953). All Clarion University Police officers are commissioned police officers in the Commonwealth of Pennsylvania. All officers carry firearms and are granted powers of arrest through the Governor of the Commonwealth. The department’s sworn police officers have all received police training and regularly attend in-service training. Uniformed officers patrol the campus 24 hours a day, seven days a week, 365 days a year.
WORKING RELATIONSHIP WITH OTHER AGENCIES

The Clarion University Department of Public Safety is the primary agency handling criminal incidents on campus. The Department is equipped with a telecommunications system to contact and exchange information with surrounding local and state police (as the need arises). Clarion University maintains a working relationship with the Clarion Borough Police Department, the Clarion County Sheriff’s Department, the Pennsylvania State Police and the Clarion County District Attorney’s Office.

MUTUAL AID

The Clarion University Police Department has a written mutual aid agreement with the Clarion Borough Police Department. University officers often interact with other agencies and provide assistance when requested. University officers, when requested, assist the Clarion County Drug Task Force to target drug violators on campus and in the surrounding area.

MONITORING AND RECORDING CRIMINAL ACTIVITY OFF-CAMPUS

The University relies on the close working relationship with local law enforcement agencies to receive information about incidents they receive concerning or involving a member of the campus community. If the University is notified of a situation in which a campus community member is the victim of a crime, the Department may issue a Campus Safety Alert, detailing the incident and providing tips so that other members of the campus community may avoid similar incidents. If the Department of Public Safety is notified of a crime or other serious incident that involves a member of the campus community and occurs in Clarion Borough, the incident will be referred to Student Affairs for disciplinary action.

REPORTING OF CRIMINAL OFFENSES

The Clarion University Department of Public Safety and University Police encourages all members of the campus community and visitors to accurately and promptly report all on-campus crimes and emergencies to the department at extension 2111 or 814-393-2111, or by using the “blue-light” emergency telephones located throughout campus. Crimes can also be reported in person at the Dispatch Center of Thorn 1. The Public Safety department investigates all reported on-campus crimes and initiates prosecutions through the legal systems, when warranted.

Crimes that occur off University property may be reported to either the Clarion Borough Police Department or the Pennsylvania State Police. Both of these agencies can be contacted by dialing 911. The Public Safety Department works in conjunction with the Clarion Borough Police and the Pennsylvania State Police to investigate crimes and other emergencies involving students both on and off campus. Public Safety officers also provide assistance off campus when requested by another police agency.

Students and employees should report any potential criminal offenses to Clarion University Department of Public Safety or a Campus Security Authority for the purpose of making timely warning reports and inclusion in the annual statistical disclosure.

VOLUNTARY CONFIDENTIAL REPORTING

If you are the victim of a crime and do not want to pursue action within the University’s student conduct system or the criminal justice system, please consider making a confidential report. With your permission, the Chief or designee of Clarion University’s Police force can make a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number of incidents involving students, employees and visitors; determine where there is a pattern of crime and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the required Annual Security Report.
Anonymous crime tips can be reported by using the Anonymous Tips Reporting form found on the police web page at www.clarion.edu/policetip.

Professional Counselors are not required to report crimes to be included in the Annual Security Report statistics; unless mandated under scope of license or law. They are encouraged, however, to inform the person being counseled of the procedures to report crimes on a voluntary basis for inclusion in the annual crime statistics.

**CAMPUS SECURITY AUTHORITIES**

As required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act, colleges and universities must annually compile and publish crime, fire and security information about their campuses. Under this law, “Campus Security Authorities” are mandated to report crimes brought to their attention for inclusion in Clarion University’s Annual Security and Fire Safety Report and for the purpose of issuing Timely Warning Notices if deemed necessary. If you or someone you know wishes to report a crime; you may contact any of the following of “Campus Security Authorities”.

**NOTIFICATIONS OF MISSING STUDENTS**

If a member of the university community has reason to believe that a student who resides in on-campus housing is missing her/him should immediately notify University Police/Public Safety at 814-393-2111. University Police will generate a missing persons report once information is provided and initiate an investigation. After investigating the missing person report, should University Police determine that the student is missing and has been missing for more than 24 hours, Clarion University will notify the student’s Missing Person Contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, Clarion University will notify the student’s parent or legal guardian immediately after University Police has determined the person has been missing for more than 24 hours. The local law enforcement agency with jurisdiction will also be
notified no later than 24 hours after the student is determined to be missing. The student’s Missing Person Contact information is collected at the MyClarion area of the www.clarion.edu website. This information is registered as confidential and is only accessible to Clarion University Police in furtherance of an official investigation where a student is determined to have been missing for 24 hours or more.

MISSING STUDENT EMERGENCY CONTACT

The Center for Residence Life Services will provide annual notice to all students in University Housing regarding this policy. Students are given an opportunity at the beginning of the fall semester to designate an individual to be contacted by the University if the student is determined to be missing. The designation remains in effect until changed or revoked by the student.

The online form provided for designation states the circumstances in which the designated emergency contact information will be used, and will include a statement that the University is required by law to also notify the student's custodial parent or guardian if the student is under 18 at the time he or she is discovered to be missing. Students are advised that their contact information will be registered confidentially, will be accessible only to authorized university officials, and will not be disclosed to any third party except to law enforcement personnel in furtherance of a missing person investigation.

EMERGENCY RESPONSE & CAMPUS EVACUATION PROCEDURES

Emergency preparedness is the responsibility of the Office of Emergency Management and done under the direction of the Director of Emergency Management. Members of the team include the Vice President of Finance & Administration, the Vice President of Student Affairs, the Director of Facilities Maintenance, and the Director of University Relations as well as the Director of Public Safety.

The Office of Emergency Management works to develop an Emergency Operations Plan (EOP) and a Campus Evacuation Plan to address response to emergency incidents/situations related to all types of hazards (natural, man-made, utilities, and technological) that may arise. The campus EOP is National Incident Management Systems (NIMS) compliant and incorporates the principles of the Incident Command System (ICS) as required by State and Federal law. Both the EOP and Campus Evacuation Plans provide responders with guidelines for documentation, sheltering -in-place and other pertinent information for managing emergencies.

All Clarion Department of Public Safety Officers are trained in ICS as well as all members of the Critical Incident Team (CIT) and Emergency Management Team. If an incident causing an immediate threat to the campus occurs, the first responders to the scene are the Clarion University Police. If the Director of Public Safety determines the need for mutual aid assistance, the Clarion Borough Police, Pennsylvania State Police, Clarion Emergency Medical Services, Clarion Sheriffs Department and Clarion Fire Department will be requested to respond.

Emergency response and evacuation procedures will be tested on an annual basis. To view the procedures Clarion University will follow in the event of an emergency click the following link www.clarion.edu/oem.

FIREARMS/WEAPONS POLICY

Weapons, firearms and dangerous devices are instruments capable of causing harm and injury to the campus population. Accordingly, it shall be prohibited for anyone to possess or control weapons, firearms or dangerous devices at Clarion University of Pennsylvania, except as provided for in the following paragraph. This policy complies with Clarion University of Pennsylvania President’s authority under Act 188 to adopt policies governing the use of institutional facilities and property, and to do and perform those things necessary and required for the orderly operation of the institution.

**ZERO TOLERANCE POLICY FOR ALCOHOL AND ILLEGAL DRUGS**

The University will not tolerate the use, possession, and/or distribution of alcohol or illegal drugs. These activities present a danger to the University community and detract from the educational mission of the institution. Students may be denied admittance into University facilities if it is believed they are under the influence of, or in possession of, alcohol or illegal drugs. Negative behavior that results from the use of alcohol and/or other drugs will not be tolerated in the University community. All instances of drug and alcohol usage will be formally adjudicated by the office of Student Affairs and, wherever possible, police authorities. The university reserves the right to provide alcohol amnesty to the person reporting the act of sexual violence and/or to the reported survivor of sexual violence in efforts to increase the likelihood of reporting such incidents.

**DRUG AND ALCOHOL POLICY**

No persons regardless of age are permitted to possess, transport, or consume alcoholic beverages on campus with the exception of certain presidential legally approved non-student activities.

It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession, sale, use, manufacture, or distribution of any controlled substance (drugs) is illegal under both state and federal law and prohibited by university policy as denoted in the Code of Conduct contained within the Student Rights, Regulations, and Procedures Online handbook which is available at www.clarion.edu/studentrights. Limited numbers of hard copies are also available at the Office of Judicial and Mediation Services.

Clarion University Police strictly enforces all drug law and liquor law violations. Violators of the law are subject to criminal prosecution under state and/or federal laws as well as under the student conduct system as outlined in the Student Rights, Regulations, and Procedures Online handbook.

Clarion University has developed a program to prevent the illicit use of drugs and abuse of alcohol by students and employees. The program services related to drug use and abuse include dissemination of information materials, educational programs through Wellness Programs, counseling services, referrals, individualized meetings, and by way of disciplinary actions.

**DRUG FREE LEGISLATION**

In addition to this publication and in accordance with the Drug-Free Schools and Campuses Act and Drug-Free Workplace Act, the University makes available and distributes, on an annual basis, a Student Rights, Regulations, and Procedures Online handbook brochure which contains specific information concerning the use and abuse of alcohol and illegal drugs, and programs available both on and off campus. The Student Rights, Regulations, and Procedures Online handbook contains a compliance manual section which details information regarding drug use and sale as well as information related to alcohol.
DRUG AND ALCOHOL INTERVENTION SERVICES

Clarion University provides alcohol and other drug prevention and intervention services to its students and employees through the Office of Health Promotions and Programs located in the Keeling Health Center. Some of the services provided include alcohol education/intervention workshops. The Office of Health Promotions and Programs supports a Clarion University-Clarion Community Coalition on the prevention of alcohol abuse and violence task force. The staff offers presentations to university groups, classes, treatment referral service, student field experiences, and literature distribution.

Clarion University, in conjunction with all Pennsylvania State System of Higher Education institutions provides Brief Alcohol Screening and Interactions (BASICS) for all known first-time offenders of the Clarion University Alcohol Policy. BASICS is a two-session preventative alcohol program offered to Clarion University students who want to further explore their alcohol use.

CRIME PREVENTION AND SECURITY AWARENESS PROGRAMS

The Office of Emergency Management is dedicated to the safety of employees and students and offers training in A.L.I.C.E. (Active Shooter), bomb threat and severe weather emergencies. This training is held periodically through out the academic year to introduce students and employees to campus security procedures and practices. Information regarding all emergency plans is located on the Office of Emergency Management’s website and all employees and students are encouraged to personally prepare themselves for a campus emergency by attending training events and familiarizing themselves with the information on the website.

The Student Rights, Regulations, and Procedures Online handbook is available online for student use and public viewing/inspection at www.clarion.edu/studentrights. A brochure version is sent to all new students and new employees and information is conveyed electronically to the campus community on the Wednesday prior to the start of fall and spring classes. The Student Rights, Regulations, and Procedures Online handbook contains information regarding University policies, procedures, and information on personal safety, fire safety, and other policies.

Each student is responsible for familiarizing him/herself with the information contained in this document. Students must carry their University identification card at all times and must present it to a University Official upon request in accordance with the Student Rights, Regulations, and Procedures Online handbook.

Safety, security, self-defense, theft awareness, sexual assault awareness and prevention including domestic violence, dating violence and stalking, sexual harassment training, security awareness, vandalism reduction, alcohol and other drug awareness and education, and overall crime prevention are some of the programs implemented by University Police, the Center for Residence Life Services, Wellness Programs, Judicial and Mediation Services, and the Office of Social Equity on an annual basis. Two university police officers are certified as Rape Aggression Defense (RAD) Instructors. RAD is a nationally recognized self-defense course for women that teaches practical crime prevention skills. Additional efforts are utilized during summer orientation sessions, Discovery Weekend Programs, and through meetings held by Residence Life staff.

Each Community Assistant provides a minimum of two mandatory meetings each school year to verbally emphasize applicable residence hall policies and procedures as well as safety and security procedures. Other meetings are held as needed to disseminate information or follow up on concerns. Community Assistants are also required to complete programs for students in their building/floor/wing.

Student Affairs maintains contact with recognized fraternity and sorority organizations through the Office of Leadership and Involvement’s Fraternity and Sorority Affairs. University Police does not provide law enforcement service to off-campus residences of recognized fraternity or sorority organizations. All off-campus events are required to register with the University’s Leadership and Involvement office if alcohol will be present. Criminal activity at such off-campus locations is addressed by either Clarion Borough Police or Pennsylvania State Police, depending on the jurisdiction of the activity. Clarion University Police has a close working relationship with both entities and offers assistance when requested.

The department posts specific incidents in the Daily Crime log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

TIMELY WARNING NOTICES AND EMERGENCY NOTIFICATIONS

In accordance with the Clery Act, Clarion University will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on campus. The University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Such authorities, include, but are not limited to, the Clarion University Department of Public Safety, the office of the President, the office of the Vice President of Finance and Administration and University Relations.
The University will send a Timely Warning Notice to the campus community, notifying of any crimes that pose a serious and continuing threat to the community in an attempt to aid in the prevention of similar crimes on campus or in Clarion University owned or controlled property off campus. Timely Warning Notices are usually distributed for the following Uniformed Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) classifications: arson, criminal homicide, and robbery. Cases of aggravated assault and sex offenses are considered on a case-by-case basis, depending on the facts of the case and the information known by the Department of Public Safety. Cases involving sexual assault usually are reported long after the incident has occurred, and there is no ability to distribute a “timely” warning notice to the community. Sex offenses will be considered on a case by case basis depending on when and where the incident occurred, when it was reported, and the amount of information known by the Department of Public Safety. The Chief of Police, or designee, will review all reports to determine if there is any ongoing or immediate threat to the community and if the distribution of a Timely Warning Notice is warranted. Timely Warning Notices may also be posted for other crime classifications, as deemed necessary. The name of any victim of a crime will be withheld in all public notices and/or communication.

Public Safety, will issue a campus wide timely warning notice or emergency notification through the Office of University Relations. Public Safety will provide University Relations with the content of the timely warning and determine the appropriate segment or segments of the campus community to receive them. University Relations will send the notifications to the community as instructed. This notification will consist of information being disseminated via the Eagle Alerts System; which includes email messages, emergency text messages and inner-office voice messages. Students and employees can sign up at http://www.clarion.edu/alert. Students may also include family members to be notified when an alert is issued during their registration for this service. Active crime alerts are found on the Clarion University Police webpage at http://www.clarion.edu/publicsafety.

Any person with information about a crime or other situation that may warrant a timely warning should report it immediately to Public Safety at 814-393-2111 or 2111 from a campus phone or in person at Public Safety, Thorn 1.

**TESTING OF THE EMERGENCY NOTIFICATION SYSTEM**

Each semester, Clarion University tests its emergency notification system – Eagle Alerts. The process is collaboration between Finance and Administration, Marketing and Communication and Computing Services. The Eagle Alert system is designed to provide time-sensitive information to university students, faculty and staff in the event of life threatening events. The system will also be used to let participants know if the campus will be closed for any reason, or if classes are delayed or cancelled. The information you enter into this system will not be shared with any outside vendors, nor will it be retained by the university beyond the opt-out date. Register for eagle alerts at http://www.clarion.edu/alert.

**CAMPUS FACILITIES AND ON-CAMPUS STUDENT HOUSING**

**SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES**

Each semester the Campus Safety Inspector, within the Department of Public Safety, and various members of the campus community participate in a Safety Walk of the campus grounds to conduct regular inspections of the facilities and grounds to note and correct deficiencies that may exist inclusive of landscaping, grounds-keeping and outdoor lighting. Police Officers, on routine patrols, report any safety hazards that are noticed and submit work orders for the necessary corrections to be made by the Facilities Management Department.

**SECURITY OF AND ACCESS TO CAMPUS FACILITIES**

Clarion University is a public educational institution. The academic and administrative buildings are typically open during normal business hours and into the evening hours for night classes and activities. Most facilities have individual hours which may vary at different times of the year. Access to some campus buildings is controlled by a card access...
system; which has various levels of access to authorized individuals. There are various areas of the campus that are posted, in a manner prescribed by law, to serve notice not to intrude, under penalty of law. These areas include, but are not limited to hazardous and utility areas, residence halls and academic buildings that are closed after normal operating hours. Administrative and academic buildings are typically locked between 11 p.m. and 7 a.m., unless there is a need to keep them open for extended hours. Unauthorized persons are not permitted in the buildings during these hours. In most buildings on campus, a building authorization form must be completed and signed by faculty, department head and dean. To gain admittance to a building that is closed, proper identification must be present to Public Safety after the proper authorization has been verified by dispatch.

SECURITY AND ACCESS TO RESIDENTIAL FACILITIES

Front doors are locked 24 hours daily in traditional and suite style housing. Givan Hall main front entry door is open to the public to allow access to the service desk. Givan Hall doors leading to residential housing are locked 24 hours per day. Students enter residential buildings via the students ID Card. Resident students and their guests are required to use main doors to enter and exit their residential facility and not use first floor windows. Access to the residence halls is restricted to residents and their approved guests, and other approved members of the University community. Residents gain entrance by swiping their Clarion University Eagle ID card in the card access readers at the main entrance. The Givan service desk is staffed afternoon/evening/late night hours during the fall term and spring term. All residential facilities are equipped with an automatic fire alarm system that is monitored by Public Safety. Notification 24 hours per day of any safety and security measures that have changed will be updated annually and changes are ordered when students report a lost key. Each professional staff member who lives in supervises a key box and a sub master and master key system for her/his area of campus and a system are in place for accessing the master key under special circumstances only.

STAFFING IN THE RESIDENCE HALLS

The residence halls and suites are staffed with professional, student and custodial staff members. Staff members undergo a screening and interview process prior to official commencement of duties assigned. All professional staff designated as Assistant Directors or Residence Life Coordinators live on campus as well as all the student staff. There are two Assistant Directors and one Residence Life Coordinator. Community Assistants are the student staff members. There is one full time 24-hour desk staff employee who does not live in the residence halls and the remainder of the staffing is from work study students.

Student staff receives two weeks of intensive training in August and three days of intensive training in January with other staff development trainings occurring throughout the course of the semester. Weekly staff meetings are also held and all new student staff complete New Staff Support which assists in the ongoing training of new student staff. Training topics include but are not limited to policies, procedures, referral systems, emergency systems, and fire/safety training as well as training regarding active shooters and other emergency preparedness.

Custodial personnel are clearly identified in each building with staff ID cards. Other maintenance personnel and outside contractors are required to wear ID badges or uniforms that authorize them to work within the residence halls.

TYPES OF ON-CAMPUS HOUSING

Students residing in on-campus housing have options between co-educational traditional halls, single sex traditional halls, and co-educational suite style housing. Visitation Policies and guest policies are listed in the Rights, Regulations, and Procedures Online Handbook and the Residence Hall handbook which are available at either www.clarion.edu/placesslive or http://www.clarion.edu/judicial. Co-education housing in traditional halls allow men and women to live on the same floor of the residence hall but on different wings. A Community Assistant, student staff member, is assigned to each wing. Co-education housing is also available in suite style housing which utilizes single sex suites. These suites may be next to a suite of the opposite sex. Most rooms in traditional halls are standard double
rooms; however, there are a number of single occupancy rooms. Common single gender assigned baths are located on each wing or single gender floor in traditional housing. Suite style housing has an internal bathroom. Please contact the Center for Residence Life Services at 814-393-2352 with questions.

All non-residents of a building must be escorted at all times by a resident host.

Housing While the University is on Recess

Limited housing is available to students during breaks throughout the fall and spring semester. NCAA Athletic programs competing or practicing additionally have limited housing available during break periods. All policies and prohibitions apply during break periods.

Fraternity and Sorority Organizations

While Clarion University does not recommend, inspect, or otherwise approve off-campus housing, the university expects the operation and activities of general fraternities and sororities, and their members, to comply with all applicable federal, state and local laws, as well as all university, governing council and inter/national organization policy while on chapter premises, during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event or residence that an observer would associate with a chapter.

Sexual Offense Programs

Clarion University, through Orientation, Discovery Weekend, student activities, Counseling Services, residence hall programming and academic departments, produces a wide array of programs and services which promote the awareness of rape, acquaintance rape, domestic violence, dating violence and stalking. Public Safety provides crime prevention and self defense instruction through the RAD (Rape Aggression Defense) program throughout the academic year.

An education brochure entitled “Have You or Someone You Care About Survived an Incident of Sexual Violence” is a campus resource that is provided in print and digital forms. This brochure is available online. The resource provides information about sexual misconduct policies, relationship violence, educational information, safety tips, victim resources and information about how to respond and report sexual violence.

If you are the victim of a sexual assault you are encouraged to report to the Public Safety office, Thorn 1, or call 814-393-2111. Because all allegations of sexual assault have the potential to involve criminal conduct, the university strongly encourages all victims to first report directly to Public Safety. If the assault occurred off campus, dial 911 and the appropriate police agency will respond. Victims may report or be asked by the university to report a sexual assault. The victim may elect not to report being a victim of sexual assault.
You should seek medical attention immediately because you could be injured, internally or externally. A medical examination could also provide important evidence of assault that is vital for the prosecution of the offender. It is possible that you could become pregnant or contract a sexually transmitted disease. PASSAGES (814-226-7273) can provide trained support staff to assist you. Don't bathe until you have had a medical exam; you literally could be washing away valuable evidence. Save the clothing you were wearing; place in a paper bag to preserve for evidence as well.

NOTICE OF NON DISCRIMINATION AND SEXUAL HARASSMENT

Clarion University is committed to cultivating a learning, teaching and working environment that is free of discrimination on any basis, which includes discrimination of the basis of sex in accordance with Title IX of the Education Amendments Act of 1972, which prohibits discrimination on the basis of sex in educational programs and activities at institutions that receive federal financial assistance. Title IX prohibits sexual offenses in all collegiate aspects and requires a prompt and equitable resolution of complaints. Sexual harassment, which includes acts of sexual violence (including, but not limited to rape, sexual assault, sexual harassment and sexual exploitation as well as domestic violence, dating violence and stalking) is a form of sexual discrimination prohibited by Title IX. In the context of Clarion University of Pennsylvania’s Sexual Harassment Policy and Procedures, sexual assault, or violence occurs when there are physical sex acts perpetrated against the will of a student or employee when that student or employee is incapable of giving consent. Acts of rape, sexual assault, sexual battery, and sexual coercion all constitute sexual violence. Allegations of sexual harassment involving employees or students will be investigated pursuant to the process outlined in the University’s Sexual Harassment Policy and Procedures found at sexual_harassment_policy and Students Rights, Regulation and Procedures found at www.clarion.edu/studentrights.pdf.

The University offers many resources for addressing complaints of sex discrimination. Inquiries, concerns or complaints of faculty, staff and students regarding sex discrimination should be directed to the attention of University’s Title IX coordinator by phone 814-393-2109. The Office of Social Equity (Carrier 207) works closely with the Offices of Public Safety (campus police) and the Judicial and Mediation Services in addressing complaints regarding sexual assault, and sexual violence. Please visit our website for the institution’s sexual harassment policy, including a copy of grievance procedures or Title IX and the Clery Act.

Clarion University, upon written request, will disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report of the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Throughout the entire on-campus student conduct process, both the complainant and respondent will have access to the same rights including the opportunity to have an advocate present during the process and to be informed of the outcome without condition. The complainant will be afforded certain rights while the university hearing process is ongoing as defined in the Sexual Offenses Policy. Some of the rights include, but are not limited to, changing academic and/or living situations, if those changes are requested by the victim and are reasonably available, protection against discussion of past sexual history, and to be free from intimidation and harassment. All sexual offenses are considered major violations of the Student Code of Conduct. A student found responsible by the student conduct process is subject to disciplinary probation, suspension or dismissal.

REPORTING OPTIONS

- FILING A REPORT WITH THE DEPARTMENT OF PUBLIC SAFETY

If the victim of a sexual assault elects to contact the Department of Public Safety to file a report, an officer trained to investigate sexual assault will work with the victim to gather information. The victim always
retains the right to decide whether or not to participate in any criminal prosecution. The officer will ensure that the survivor gets the counseling and other assistance they need.

- **CONTACTING ANOTHER LAW ENFORCEMENT AGENCY**

Victims may also contact local law enforcement agencies to report a sexual assault or other crime. Members of the Department of Public Safety and other University officials will assist the victim in notifying the appropriate agency in the applicable jurisdiction.

- **FILING AN INTERNAL COMPLAINT WITHIN THE UNIVERSITY**

If you have been sexually assaulted, you have several options to address your situation. You may simply wish to speak with a counselor or member of the Student Affairs staff privately. To file a formal written complaint, you should go to www.clarion.edu/judicial to submit an incident report or contact the Office of Judicial and Mediation Services directly.

The University’s judicial procedures and policies are fully detailed in the “Guide to Clarion University Judicial Policy Manual” found at www.clarion.edu/studentrights.pdf. These procedures are sensitive to the rights of all concerned in the matter. The accused and accuser are each entitled to have a person accompany them to the hearing and all related proceedings. Attorney(s) will not be allowed to address the University Judicial Board, but may serve in an advisory capacity. Both the accused and the accuser shall be informed of the outcome of the proceedings involving alleged sex offenses.

Clarion University’s response system is designed to afford a complainant (the person who is bring the charge) and a respondent (the person who is answering the charge) a fair, prompt and appropriate resolution. The process is designed to help persons who need support as they address these incidents, and incorporates both informal resolutions and formal disciplinary procedures.

The resolution of a formal sexual assault complaint is handled by the appropriate University judicial system. The full text of the protocol for handling informal and formal complaints is available from the Dean of Student Development. The full context by which the alleged sexual incident occurred must be considered in determining whether the alleged conduct constitutes sexual harassment or assault. Procedures for resolving complaints regarding sexual assault or harassment are handled through the Office of Judicial Mediation Services or the Department of Human Resources. In any case, both the accuser and the accused are entitled to the same opportunity to have others present during the disciplinary processing.

Clarion University has a wide range of latitude when determining sanctions involving sexual assault complaints proceedings. Those sanctions may range from probation to expulsion from the university.

Complainants may file a confidential report with the Office of Judicial Mediation Services or University Police.

**INTERIM MEASURES**

If a Clarion University student who is a survivor of sexual assault or relationship violence requests a change in her or his living arrangements, academic schedule, working arrangements, and/or transportation arrangements, the Office of Student Affairs and/or Office of Academic Affairs will assist the student. In addition, the university may issue “no contact” letters and provide assistance for the victim to obtain a Protection from Abuse order.

**SERVICES FOR SEXUAL ASSAULT VICTIMS AT THE UNIVERSITY**

The victim of a sexual assault may have another person accompany him/her through the process of filing a report. The Coordinator for Judicial Mediation Services will advise the victim on the student conduct process. The Office of Social
Equity, also the Title IX Coordinator, will offer guidance concerning allegations of sexual harassment.

**OFF CAMPUS VICTIM ASSISTANCE**

The following off-campus organizations offer assistance to victims of sexual offenses. The University will assist the victim in contacting these support organizations, should he/she request such assistance.

**SEX OFFENDER REGISTRY**

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of sex offenders enrolled at, or employed by, institutions of higher education. A list of all registered sex offenders in Pennsylvania is available at (Megan’s Law website).

**REPORTING ANNUAL DISCLOSURE OF CRIME STATISTICS**

Campus crime, arrest and referral statistics are compiled from statistics reported to the Public Safety office and to Campus Security Authorities, (including but not limited directors, deans, department heads, designated housing personnel, Residence Life and Dining Services staff, advisors to students/student organizations, athletic coaches, trainers, and local law enforcement agencies). University Counseling Services staff is encouraged to inform their clients of the procedures to report crime to the Public Safety Department on a voluntary or confidential basis, should they feel it is in the best interest of the client.

In accordance with applicable State and Federal Regulations, the University publishes and distributes crime statistics to all current students, faculty and staff on an annual basis. The crime statistics are also available upon request to all applicants for enrollment or employment. View the crime statistics report online at [http://www.clarion.edu/crimestats](http://www.clarion.edu/crimestats).
Crime statistics and arrest information for offense occurring on campus, as required by state criminal history record retention laws, are reported monthly to the Pennsylvania State Police for use in the Uniform Crime Report.

**CRIME STATISTICS**

Statistical data for this report is compiled by the Public Safety Department. Information about crime is obtained from Public Safety’s crime statistics, University employees, campus judicial records, Clarion Borough Police and Pennsylvania State Police. Individuals who wish to report crimes for inclusion in the Annual Security Report may contact the Department of Public Safety at 814-393-2111. In seeking to maintain a safe, secure educational setting, the Public Safety department encourages the reporting of crimes and other emergencies. Individuals who report crimes are not compelled to seek criminal prosecution of suspects. University policy requires all employees, except professional and pastoral counselors, to report certain serious crimes to Public Safety for inclusion in the annual report. The identity of the person reporting the crime to the employee does not have to be disclosed to Public Safety. Information about selected serious crimes can be found in the statistical report below. This publication is available, upon request, from the Department of Public Safety or can be found at [http://www.clarion.edu/crimestats](http://www.clarion.edu/crimestats).
Crimes reported to the Clarion University Public Safety Department, Campus Officials or other Law Enforcement Agencies that occurred at the Clarion Campus. These reports of crime are compiled in accordance with the provisions of the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

Definitions and Caveats
RESIDENCE HALLS includes offenses occurring inside University-Owned residence halls. This data has a subset of on-campus crime.

NON-CAMPUS PROPERTY includes off campus fraternity or sorority houses, as well as any off campus housing that has a contract with the University to provide housing. The university has previously treated Reinhard Villages as non campus because it determined the property was not reasonably contiguous to campus. Guided by a recent interpretation of on campus for another PASSHE university, as well as changes in the university’s procedures regarding this property, the university has reclassified this property as on campus for reporting purposes. Statistics for Reinhard Villages are included in Non Campus Property for 2011 and 2012 and in On Campus and On Campus Residence Halls for 2013.

PUBLIC PROPERTY is considered the roads and sidewalks adjacent to, but not part of, the University’s property. Statistics for Liquor Law and Drug Law Referrals reflect incidents where arrests were not made for those violations but were instead handled through the University’s disciplinary system.

The Crime statistics for the calendar year 2013, as above, only includes data that was collected by the University Police. Clarion Borough Police and Pennsylvania State Police did not report any crimes for activity in their jurisdictions.
Domestic Violence, Dating Violence and Stalking are Crimes that have been added to the Clery Statistics as a requirement of the Violence against Women Act. 2013 is the first year the stats were included.

GEOGRAPHIC LOCATION REQUIRED

The following is a statement of the geographic location for which the University is required to report crime statistics and issue timely warnings under the Clery Act.

The University is required to report crime statistics for Clery-designated crimes and to issue timely warnings for those crimes that represent a severe and continuing threat in the following geographic locations: on campus, public property and non-campus buildings and property.

On-Campus

Any building or property owned or controlled by an institution within the same reasonably contiguous
geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residents halls; and any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes.

Definition for Clarion University: campus buildings and property on the Main Campus. Campus student housing would be included as on-campus. Beginning with the 2013 reporting period, Reinhard Villages will be included in On-Campus and On-Campus Residence Halls and not in Non-Campus property as was done previously.

Public Property

All property, including thoroughfares, streets and sidewalks that are within the campus, or immediately adjacent to and accessible from the campus is considered public property.

Definition for Clarion University: streets, alleys and sidewalks that are adjacent to campus or that bisect campus, would be included as public property.

The university has previously treated Reinhard Village as non campus because it determined the property was not reasonably contiguous to campus. Guided by a recent interpretation of on campus for another PASSHE university, as well as changes in the university’s procedures regarding this property, the university has reclassified this property as on campus for reporting purposes.

Reinhard Villages statistics were classified as non-campus property through (and including) 2012. Reinhard Village statistics will be included in On-Campus and On-Campus Residence Housing for 2013 and forward.

GEOGRAPHIC LOCATION NOT REQUIRED

The following is a statement of the geographic locations for which the University is NOT required to report crime statistics or issue timely warnings.

However, the University recognizes that in certain cases timely warnings, even if not required by the Clery Act, may benefit the campus community. The following criteria must be met for the University to issue a timely warning for an off-campus crime that does not require a timely warning under the Clery Act.

1. The crime is a murder, rape, or other serious or violent assault; or the local municipality requests that the University issued a timely warning.
2. The crime occurred in a geographic area frequented by Clarion University students

PROCEDURES IN CASE OF FIRE OR A FIRE ALARM

- If a fire alarm is heard or seen, immediately begin evacuation of the building.
- Close all windows and doors behind you.
- If a fire or smoke is discovered, sound the building fire alarm.
- Notify University Police at 814-393-2111 or dial 911.
- Close the window to your room.
- Proceed quickly to the nearest exit, closing room and stairwell doors as you leave (do not lock doors). Closing doors helps to confine the fire by reducing oxygen flow.
- DO NOT USE ELEVATORS.
- Alert others as you leave.
- Activate the fire alarm as you leave the building.
- If you encounter smoke, stay near the floor and below the smoke.
- Exit the building and assemble in the area established by your Residence Staff. Do not leave the area as you must be accounted for. If you do not know where your designated area is located, contact your GA.
- If unable to leave your room due to heat, smoke or fire, call University Police at 2111 (campus phones) or 814-393-2111; or call 911 to give your location so firefighters may find you. If possible, hang a brightly colored towel or article of clothing out your window to signal for assistance.
- Do not return to an evacuated building unless told to do so by an authorized university official.
**GENERAL FIRE SAFETY**

Refrigerators, microwaves, hot pots, hot-air popcorn poppers, and coffee makers with automatic shut-off features are allowed in dorm rooms. All other cooking appliances are prohibited. There may be additions to the restrictions placed on what students may bring into the residence halls as deemed necessary by the Residence Life Services office.

Be aware of the possible primary and secondary emergency exit routes, fire alarm pull stations, and emergency procedures of your place of residence. Those with physical disabilities should notify Residence Life, in advance, to plan for an evacuation. If you become temporarily disabled due to an injury or illness, Residence Life should also be informed.

Become familiar with the fire exits nearest your room and the evacuation plans posted on each floor of your building. Generally speaking, you should use the closest stairwell to your room; but you should also be aware of a secondary exit in the event your primary exit becomes unusable.

**FIRE DRILLS**

In compliance with state regulations, the Department of Public Safety, in conjunction with Student Life/Housing, conducts fire drills (evacuations) a minimum of four times annually. Each semester, Public Safety also conducts one fire drill in academic and administrative buildings. Drills shall be held at random and are conducted during all hours of the day to avoid distinction between drills and actual fires. The University requires all occupants to evacuate the buildings during the fire drills. Individuals who ignore fire alarms and required evacuations may face disciplinary action or criminal charges. Fire drill documentation is maintained by the Safety Office.

**PROCEDURE FOR REPORTING A FIRE**

_Students, faculty and staff are instructed to call 911 to report a fire emergency._

Clarion University is required to disclose statistical data on all fires that occur in on-campus student housing facilities. The fire should be reported to:

| Public Safety Office Dispatch Center | 814-393-2111 |
| Safety Inspector | 814-393-2009 |

If you find evidence that a fire may have occurred, after the fact (e.g. evidence that something burned), please notify Public Safety at 814-393-2111 as soon as possible. Do not attempt to remove or clean up any debris until an officer has assessed the situation.

**FIRE DETECTION AND PROTECTION**

All residence halls and suites are equipped with fire alarm systems, including smoke detectors, manual pull stations and automatic sprinkler systems.

**Automatic Sprinkler System Information**

- _The sprinkler systems installed in the residence halls are “wet-pipe” sprinkler systems. This means that there is enough water throughout the pipes in the system right up to each sprinkler head._
- _Sprinkler heads are heat sensing devices. They are set to activate once the area around the sprinkler reaches a predetermined temperature. Sprinkler heads do not sense smoke._
- _Each sprinkler head operates individually. In other words, the activation of one sprinkler head will not cause the entire system to operate._
- _Never hang on sprinkler pipes or hang anything on a sprinkler head. Tampering with sprinkler pipes and sprinkler heads can cause significant flooding and water damage._
• Do not cover or otherwise obstruct sprinkler heads, smoke detectors and or other fire detection and suppression equipment.
• Never tamper with any fire protection equipment or block any fire protection devices or other fire protection.
• Do not open windows during the winter months. Some areas are not heated well enough to prevent water from freezing in the pipes. This can cause leaks and flooding from broken pipes.

The automatic sprinkler systems and fire detection systems installed in the residence halls are there for your protection. Please do not tamper with them or use them for any other purpose. Your cooperation is needed to help insure that these systems. Tampering with fire protection/detection equipment is considered to be a crime and could be subjected to disciplinary action. Your cooperation is appreciated.

USE OF FIRE EXTINGUISHERS

Properly trained and competent residence hall staff may attempt to put out fire using fire extinguishers. Fire extinguishers are not meant to fight large or spreading fires.

Apply the following guidelines when using a fire extinguisher:

• Only trained personnel should use a fire extinguisher.
• Activate a fire alarm prior to using a fire extinguisher.
• Always position yourself with an exit or means of escape at your back before using a fire extinguisher to put out a fire.
• If the fire is producing large amounts of smoke that you may inhale fighting it, do not try to extinguish it.

EDUCATION AND TRAINING

Residence Hall Faculty and Staff participate in (live-burn) fire extinguisher training and classroom fire safety training at a minimum of once a year.

Topics addressed during this training include:

• Fire prevention in the residence halls
• What to do in the event of a fire
• How to report a fire or other emergency
• How residence hall fire safety systems operate.

Additional fire safety training and education programs for residence hall students are coordinated by Community Assistants. Students, faculty and staff may request fire training at any time by calling 814-393-2009.

FIRE LOG

A fire log is maintained in the Public Safety office and is available for public inspection. The log includes:

• Nature of the fire
• Date / time fire occurred
• Date / time fire reported
• General location of the fire

PLANS FOR FUTURE IMPROVEMENTS IN FIRE SAFETY

Clarion University continues to monitor trends related to residence hall fire incidents and alarms to provide a fire safe living environment for all students. New programs and policies are developed as needed to help insure the safety of all students, faculty and staff.
