Movers & Groovers Move-In Day Help Wanted!

RSVP by April 29, 2016 to 218 Becht Hall

STUDENTS:

Would you like to help first-year students move in and get acclimated to Clarion? Are you looking to get a jump start on community service for the Fall Semester? Then help out with MOVERS & GROOVERS 2016!

Residence Life Services is looking for volunteers to assist with new student move-in on Friday, August 26, 2016. All volunteers will receive a T-SHIRT and LUNCH! In addition, volunteers who live on-campus or at Reinhard Villages will have the opportunity to move into their residence halls/apartments early. Please note that if a volunteer is permitted to move in early but fails to show up for his/her designated shift, he/she will incur a charge for moving in early.

Individuals will be assigned to residence halls across campus to assist in directing traffic, unloading cars, providing directions to incoming students and their families, and answering general questions.

You will need to submit the information below for all members of your group who wish to volunteer. You can also volunteer individually by filling out the lower portion of this sheet. Two shifts are available. Please indicate your preference and include all contact information.

Groups are encouraged to co-sponsor the Movers and Groovers T-shirt by submitting an electronic name/logo to be printed on the back. The cost of sponsorship is $50 per group/organization. Having a logo on the back of the shirt is a great way to advertise your club or organization. This is the shirt that all volunteers will be wearing that day, so we encourage you to submit your group’s information as soon as possible!

Please note: Due to the costs associated with providing a shirt and lunch, any individual failing to attend or failing to work their entire shift will be charged $10 to cover those costs. In addition, please make sure all students listed on this form are not signed up to volunteer with more than one organization. By signing and returning this form, you, or your organization, agree to be responsible for all individuals attached to this application. Thank you for your understanding. If you have any questions, please contact the Office of Residence Life Services at 814-393-2352 or reslife@clarion.edu.
