Cohort - All first time, full-time, baccalaureate degree seeking undergraduates.

Adjusted Cohort - The result of removing any allowable exclusions from a cohort (Ex. death, military, etc.)

Retained % - The number of cohort students still enrolled at the institution divided by the total number in the adjusted cohort.

Persisted % - The total number of graduated cohort students (from the prior year) plus the number of cohort students still enrolled at the institution divided by the total number in the adjusted cohort.

Graduated % - The total number of graduated cohort students divided by the total number of the adjusted cohort within the period of measurement. To be considered a completer the degree must have been conferred.

Graduation Year - Determined annually for degrees conferred from September 1 to August 31.

Number graduated is graduated with bachelor degree only.
