NOTES: These are suggestions for how you can map your course work. Please ALWAYS check with your academic advisor and/or the chair of English and Modern Languages about course availability. Note that you will be taking courses online and face-to-face in order to meet program requirements. Taking 15 credits each semester ensures that you will graduate in four years. Many students earning a BA in English also choose to enroll in a minor. Courses in an undergraduate minor also helps to meet Gen Ed requirements.
