## Tentative Four Year Plan: BA Sociology/Pre-Chiropractic

The below is a tentative schedule and assumes the incoming student with the following placements: Pre-Calculus (Math 171) and College Writing II (ENGL 111). It is highly recommended that you consult a pre-professional faculty advisor to adapt the schedule to your particular circumstances.

Please check with any specific Chiropractic program requirements not covered below. Some possible recommended courses would include the following: Microeconomics or Macroeconomics, Kinesiology, and Medical Terminology.
