

Tentative Four Year Plan: BA Psychology/Pre-Optometry

The below is a tentative schedule and assumes the incoming student with the following placements; Pre-Calculus (Math 171) and College Writing II (ENGL 111). It is highly recommended that you consult a pre-professional faculty advisor to adapt the schedule to your particular circumstances.

Please check with specific Optometry programs for pre-requisites not included below. Some possible recommended courses may include: Microeconomics or Macroeconomics, and Medical Terminology

Tentative Four Year Plan: BA Psychology/Pre-Optometry		
Class	Fall Term	Spring Term
Freshman	BIOL 155: Principles of Biology I BIOL 165: Principles of Biology I Laboratory ENG 110 or 111: Writing PSY 211: General Psychology SPAN 151/FR 151: Spanish I/French I INQ 1XX Freshman Inquiry Seminar Credits: 16	BIOL 156: Principles of Biology II BIOL 166: Principles of Biology II Laboratory MATH 171: Pre-calculus ENG 111 or advanced writing course PSY 310: Developmental Psychology SPAN 152/FR 152: Spanish II/French II Credits: 17

Summer: Job Shadow

Sophomore	CHEM 153: General Chemistry I CHEM 163: General Chemistry I Laboratory MATH 270: Calculus I PH 251: General Physics I PSY 301: Statistics SPAN 251/FR 251: Spanish III/French III Gen Ed: NFSS 1XX Credits: 18	CHEM 154: General Chemistry II CHEM 164: General Chemistry II Laboratory PH 252: General Physics II PSY 311: Research Methods PSY 354: Abnormal Psychology SPAN 252/FR 252: Spanish IV/French IV NFSS 111: Health Education Credits: 18

Summer: Job Shadow and OAT Prep

Senior	ECON 221 or 222: Micro or Macro Economics PHIL 212: Ethics PSY 470: Senior Seminar PSY Elective BIOL 341: General Microbiology Credits: 15	AH 101: Medical Terminology Elective Elective Elective Elective Credits: 15
--------	---	--

Summer: Take OAT and Submit Application

Note – This tentative academic plan assumes that the required course for this pre-professional program will not be completed until graduation. Thus the student will apply after graduation and have a gap/push year before matriculating into a pre-

professional program. Please consult your pre-professional advisor for the feasibility of completing the required course work and other requirements in three years and thus apply before graduation.
