

CLARION UNIVERSITY OF PENNSYLVANIA

APPLICATION

UNDERGRADUATE *Admissions* PROCEDURES

Clarion University reviews applications, beginning in July, for the following fall semester. Clarion operates on a Rolling Admission Policy, which means that admission decisions are made as completed applications are received and until spaces in the fall or spring classes are filled. Students who submit a completed application, with the required credentials, normally receive a response within 5-10 business days.

1. Students not applying as test optional can send their standardized test scores, along with their transcripts and any other additional materials (i.e. essays, recommendation letters, etc) to the admissions office.
 - If you are a high school student, ask your school counselor to provide an official copy of your high school transcript to Clarion University.
2. Clarion is now reviewing students under a SAT/ACT test optional admission policy if they have a 3.0 GPA or higher. GPA does not automatically guarantee admission to the university. High school curriculum, trends in grades and rigor of coursework will be reviewed and considered for admission.
 - Students not applying as test optional can send their standardized test scores, along with their transcripts and any other additional materials (i.e. essays, recommendation letters, etc) to the admissions office. During review of your application, the Clarion University Admissions team will request additional materials (standardized tests, essay, interview, etc), if needed for any applicant.
 - Nursing programs (ASN, BSN) require a SAT/ACT. The ASN program requires students to take the NLN (National League of Nursing) pre-entrance exam. Priority deadline for BSN program is December 15, 2020, ASN deadline is May 15, 2021.
 - Students considering the 5-year BS-to-MS Speech Pathology, LECOM-affiliated programs (pre-medicine, pre-dental, pre-pharmacy), Logan Chiropractic program and/or Honors program must submit standardized test scores.
 - University scholarships require a SAT/ACT for applicants to be considered.
3. If you are a transfer student, please have an official academic transcript sent from all schools you have attended, in addition to the application form and high school transcript or GED (if transferring fewer than 15 credits and/or applying for the ASN or BSN program). In addition, SAT or ACT test scores are NOT required for transfer students.

We look forward to receiving your application for admission. We invite you to visit campus soon!

Students will be notified should standardized testing requirements change for Clarion scholarships, Honors program considerations and major requirements.
