A One of a Kind Shopping Experience

Revived & Company has been a labor of love with many setbacks and frustrations but the rewards have been the worth the risk as Bernie and Jill Owens invite you to enjoy their dream.

Bernie and Jill purchased a historic school building that was originally built in the 1920's. The building offers residential rentals on the second floor but the experience happens on the first floor.

Bernie and Jill wanted a place where small one-of-a-kind businesses could come together to sell their products yet have their own identity. Revived and Company is the dream. Inside Revived and Company you'll find *Rustic Garden Art*, *Deb's Designs*, *Blue Rose Candle Co.*, *Susie's Style*, *Re.invent.ed*, and other small one-of-kind products like local artisan pottery.

Revived and Company have since expanded their shop and have added an "Artisan's Market" that will feature 20 local artisans. In addition, they are also planning to include a "cupcake room" in the near future.

Bernie and Jill had previously worked with the Clarion University SBDC so as this dream was coming to fruition they knew it was time to 'revive' this relationship again. The SBDC provided business planning and financial analysis assistance. The SBDC also offered guidance on legal structures, tax planning, and other required registrations.

Bernie and Jill secured seller financing in 2016 and officially opened Revived & Company in May 2017. Bernie and Jill invite you to come visit, stay a while, and make some new friends while you shop for the perfect addition to your home decor.
